PLYMOUTH, N. C., January 4th, 1871.

Messrs. Cowand & Harris.

Gentlemen—Your favor is to hand wishing a statement of the application of the Fish Guano upon my crop of Cotton past season. It affords me pleasure to give it. I used it both on stiff and sandy lands by the side of Peruvian Guano. The Fish Guano started the cotton to growing off earlier; it grew faster during the season, kept a green, vigorous growth, opened better and made decidedly a larger yield, than the Peruvian on the sandy and rich compost on the other in same field. I shall use it the next season in preference to any other known fertilizer. Yours truly,

THOS. M. JOHNSTON.

BOYKIN'S DEPOT, VA., Jan. 5th, 1870.

Messrs. Kaider Biggs & Co., Norfolk, Va.

Gents—In reply to your letter enquiring the result of the Fish Guano purchased of you last Spring, I have to say, taking the seasons as they come, I consider it superior pound for pound, to Peruvian Guano or any other fertilizer. I used the Fish Guano side by side with Peruvian Guano and other fertilizers under Cotton, Potatoes, Turnips, and in the garden, and always found the result of the Fish Guano far more profitable. I think the effect of the application, from appearances, much the more permanent than any other. I used it on two soils, one medium soil and the other rather stiff, and found the result on each to be equally good.

I consider it a No. 1 manure.

Yours truly, E. B. BEATON.

As Agents for the sale of this Guano in Raleigh, we will make arrangements with farmers for the sale of it on time, or supply parties at lowest rates for cash.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks, upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for the important safeguard. It will be found in the BROOKLYN LIFE.
