CAROLINA PUMP COMPANY.

SOUTHERN INVENTION.

Home Manufacture.

Submerged Glass Cylinder Double-Acting Force Pump.

PATENTED AUGUST 1869, BY A. BALDING

The undersigned, having the exclusive right in manufacture and sell the above Pumps in North and South Carolina, have associated themselves together under the name and style of the "Carolina Pump Company," and having established their Manufactory at Fayetteville, N. C., are now prepared to furnish Pumps at short notice. Science has at last triumphed in the production of a Pump admirably adapted for Wells and other purposes, that will force water any depth or length, which, by attaching hose, it can be conducted a local Fire Engine of great power, throwing 30 to 40 gallons per minute.

This Pump combines simplicity and durability, as the water will never freeze or become stale, as the cylinder and valves are submerged, and no water remains in the pipe when the Pump is not in operation. The Pumps works almost incredibly light, always bringing the water fresh and sparkling from the bottom of the well; and there is no friction, the cylinder being glass, the packing cannot wear or rust, the valves being round, made of flint glass, working on glass seats, can neither wear or jam. These Pumps are peculiarly adapted for supplying tanks in upper parts of dwellings, outbuildings, school, bathing saloons and for railroads, streets, gardens, distilleries &c. They can be attached to steam or water power.

Any ordinary mechanic can put them up by printed directions some always sent with the Pumps. We have hundreds of testimonials from persons who have used our Pumps, who express great satisfaction; in fact they are a success and will sustain all we claim for them.

Buy one and save the insurance. Special attention given to all orders. The entire depth of well must accompany each order.

CERTIFICATES.

SHERIFF'S OFFICE,
FAYETTEVILLE, N. C., April 24, 1871.

Wm. C. Troy, Sup't Carolina Pump Company:

The Pump you sold me surpasses my most sanguine expectation. It does all you claimed for it. As a FIRE ENGINE its value is incalculable. With twenty feet of hose I have thrown water entirely over my dwelling, which is a very high two and a half story house. My family would not be without it for any consideration. R. W. HARDIE, Sheriff Cumberland County.

SENATE CHAMBER,
RALEIGH, N. C., March 18, 1871.

Having had fifteen to twenty years' experience in gold mining, using various kinds of pumps forcing water from great depths, I take pleasure in giving preference to those made by the "Carolina Pump Company" over all others for well and other purposes. They combine simplicity and durability.

VALENTINE MAUNEY,
Stanly County.

WILSON, N. C., Jan. 25, 1871.

J. L. Kitchin, Esq.

Dear Sir: We have had your Balding's Pump in regular use, beginning at various periods since March, 1870, and we are free to say, that they are in every way satisfactory. There is no indication of wear or early getting out of order. All the water that nature has designed to pass through such a channel can easily be brought up, even by children, for ordinary use, and by attaching hose, and putting two to four men to the lever, the pump at once becomes a local fire engine throwing sufficient water to answer any ordinary fire. We therefore recommend your pump to the careful examination and use of the public.

WELDON, N. C., Feb. 2, 1871.

I have used for six months past one of Balding's patent submerged pumps, manufactured at Wilson, N. C., by J. L. Kitchin, and take pleasure in recommending it to the public as having given perfect satisfaction, in fact I regard it as one of the best pumps now in use.

UNSECTIONAL, UNPARTISAN, UNPOLITICAL SCHOOL-BOOKS.

The freshest series of Text-Books published—containing the latest results of discovery and scientific research.

Officially adopted by the Virginia and Georgia State Boards of Education, AND NOW LARGELY IN USE IN

EVERY SOUTHERN STATE,
And in many Northern States.

The University Publishing Co.,

An Association composed of many of the most eminent citizens of the several Southern States, feeling the necessity for a series of School-Books which should be entirely *unsectional, unpartisan,* and *unpolitical*, which should present only the *facts* of history and science—are now issuing a complete series of School and College Text-books by the eminent scholars and educators named below, which are the

Cheapest, Best, and Most Beautiful School-Books
Now published. The "University Series" embraces

MAURY'S GEOGRAPHICAL SERIES,

By Commodore M. F. MAURY, of the Virginia Military Institute. A series of books which mark an era in the study of this science, and which, in the words of a well known and accomplished Southern teacher, "are characterized by a felicity of arrangement and simple freshness of style which must ever render them attractive to the young, and which will be used by all who wish to teach Geography as a *science*, as something to make pupils *think*, and not merely as an enumeration of dry facts."

Holmes' Readers and Spellers,

By GEORGE F. HOLMES, LL.D., Professor of History and General Literature in the University of Virginia. A series of Readers unequalled in cheapness, excellence, and typographical beauty. They are steadily progressive in character, bright and fresh in their selections of prose and verse, and illustrative of Southern scenes, incidents, and history.

Venable's Arithmetical Series,

By CHARLES S. VENABLE, LL.D., Professor of Mathematics in the University of Virginia. These books are received everywhere by intelligent teachers with the highest satisfaction, as being most admirably adapted for mental drill, as well as for business education. Their methods, rules, and reasonings are clear, distinct, logical, and comprehensive, and the series is carefully graded throughout.

Holmes' History of the United States,

By GEORGE F. HOLMES, LL.D., of the University of Virginia. It is enough to say of this admirable work, interesting, impartial, and truthful, as well as pure and graceful in style, that it is the only History of the United States which is *strictly impartial*. It comes down to the present date. Also,

De Vere's French Grammar, Readers, etc.,

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

North Carolina Land Company,

ESTABLISHED FOR THE

Transportation and Location

OF

NORTHERN AND EUROPEAN SETTLERS IN NORTH CAROLINA.

OFFICE

TUCKER HALL, RALEIGH, N. C.

THIS Company has been in successful operation for nearly two years, and will sell the most favorable terms, and if divided into small tracts are more saleable.

All persons having Lands to sell will find it to their interest to call at our office, or correspond with us, as our facilities for selling increasing every day.

THE TIDE OF IMMIGRATION HAS NOW SET IN, and we call upon all North Carolinians to aid us in promoting this great enterprise, and help to build up our waste places.

The President and Directors of the company are well known; and persons entrusting business in their hands, have the best assurance that they will be fairly represented.

We have no connection with any other Land Agency or company professing to do business in this State. But are operating only under the name and style of "THE NORTH CAROLINA LAND COMPANY," as chartered by Special Act of the Legislature bearing date February 8th A. D. 1869.

Address all communications to "The North Carolina Land Co., or to Wm. Scott, Secretary.

GEO. LITTLE, Pres.

Wm. SCOTT, Sec'y.

DIRECTORS:

Col. Geo. Little, Gen. R. F. Hoke, Hon. W. Best, Dr. J. B. Smith, Hon. T. L. Clingman, Wm. Scott, Esq.
