Raleigh is not famed for its good roads, no cotton country is.

THE Press convention of North Carolina assembles in this city, on the 12th of May. We bid the brethren welcome.

RALEIGH CRESCENT.—This new candidate for popular favor has made its appearance. The Editor is our late Associate, T. B. Kingsbury, Esq. The paper is every way creditable to the Editor, who is quick, able and possessed of all the qualities necessary for journalistic success.

Rev. R. S. Bronson, Rector of St. Peter's (E.) Church in this city, has been called to the Rectorship of Christ Episcopal Church of Raleigh. It will be remembered that, by the death of Rev. Dr. R. S. Mason, this church has been left without a Rector.—*Charlotte Observer.*

ATTENTION BOYS AND GIRLS.—I respectfully invite all the little boys and girls in Raleigh, to meet at the Hall used by Hickman Lodge of Good Templars, in the (Fisher Building,) on Saturday afternoon the 7th, at 4 o'clock. A juvenile Temperance Society will be organized.

THEO N. RAMSAY.

THE following is the new officers of the Oak City pleasure club:

Wm. M. Boylan, Jr., President; W. C. Brooks, Vice President; G. E. Leach, Secretary; A. W. Haywood, Treasurer, and Messrs. W. M. Boylan, Jr., W. M. Busbee, Graham Haywood, N. L. Jones, J. D. Whitaker, W. P. Batchelor and E. G. Haywood, Jr., Executive Committee.

THE RESCUE.—The Rescue Fire Company are out for an airing this afternoon. They are forming as we go to press. We wish them a pleasant parade.

TEMPERANCE PROCESSION.—Queen of the South Lodge is the name of a Lodge of Good Templars in the city composed of colored people. While we write, this Lodge of Templars are passing our office in full regalia, headed by a brass band, who discourse excellent music.

The display is in every way creditable to the colored people and [illegible] to Theo. N. Ramsey, who has labored with and encouraged the Good Templars without regard to race, color or previous condition.

## PENTING HIMSELF.

An old line Democrat writes us that he stopped the *Sentinel* and subscribed for the *News*, because he did not like our politics before the war. He was soon satisfied he did the *Sentinel* injustice, and has quit the *News* for the *Sentinel*.—The refusal of the *News* to join in asking an investigation as to rail road Presidents running newspapers was the point at which he was converted. He has repented and we must forgive.

## PUBLISH THE CONTRACT.

We have it from good authority, that McAden or Sibley, or both, or the Southern Security Company as assignees of these two gentlemen have a contract with Billy Smith, President of the North Carolina Rail Road, to pay $800,000 for the interest of McAden and Gen. Sibley, in the Western North Carolina Rail road. How is this, and why is it that the public are not informed in a matter in which they have such a deep interest? Cannot some one member of the Board of Directors of the North Carolina road speak out.

## CONSCIENCE FUND.

John Smith, of Chicago, has sent $600 to the conscience fund. North Carolina was robbed of $16,000,000, and New York of $20,000,000. The consciences of the robbers have not been moved to return a single dollar. Yet many of the robbers in both States have professed religion, and go regularly to church; and Littlefield has been known recently to give $1,000 to the church in Florida. Restitution, Restitution, professing Christian are required of all converted thieves.

## DIED OF REMORSE.

Sheriff Jones, of Warren, reports that Lucy Stanback, (col.) confined in Warren jail for poisioning her husband, died without one single sign of sickness, as the attending physician, Dr. Cook reports. She gave up and could not walk, to the Court-house. Two men carried her in a chair. It was thought at the time, that this was all put on, but she died in a few days without signs of sickness.

Poor Lucy if she had been possessed of any of the $16,000,000 of stolen Bonds from the State, she would have made restitution.

## A SCHOOL-MASTER CAUGHT.

Sheriff Jones, of Warren, brought Bob Powell, (col.) School-master to the Penitentiary for two years, for forging a paper on the County Trustee for his pay as a teacher. This was a heavy slam on Bob and education. Judge Watts reprimanded the teacher and committed him for two weeks, only out of duty, twenty years.

The Legislature had more mercy on Watts than Watts had on Bob. The State was robbed of $163,000, the Judge received $5,000, and no one even indicted. Bob Powell attempts to swindle the county out of $20, and suffers two years in the Penitentiary. Who will longer doubt that the laws like cobwebbs are made to catch the flies, while the hornets break through.

## LATEST DISPATCHES.

### FROM WASHINGTON.

WASHINGTON.—Boutwell has the dyspepsia and sore eyes.

Senator Edmunds' physicians recommend a Southern tour.

Chief Justice Waite was sworn after the iron-clad oath.

Congressman Pelham was privately arrested, taken before Judge Snell and gave local bail in five thousand dollars to appear on Saturday to answer a warrant sworn out by the younger Busteed.

The new postmaster of Atlanta had an interview with the President to-day.

### SPANISH PATRIOTISM—DEATH OF DR. WINSLOW—RUMORED DEATH OF EX-PRESIDENT CESPEDES.

MADRID.—An aggressive movement of Carlists has served to arouse a feeling on the part of the people to aid the government by all means in their power to crush the insurrection. Contributions of money and clothing are pouring in, and all the theatres in this city have given performances in aid of the cause. Telegrams have been received from provincial authorities offering moral and material support.

The latest advices from Bilboa report no change in the situation. The Carlists keep up their bombardment, about two hundred shells are thrown into the city daily.

LONDON.—Dr. Forbes Winslow, a well known medical writer, is dead.

HAVANA.—Several telegrams have been received here by private parties, reporting that ex-President Cespedes has ten batallion. It is further said that his body was brought to Santiago de Cuba, where it was recognized, after which it was buried in that city.

## DEMOCRATIC VICTORY.

TROY, N. Y.—The Democrats carried the charter election yesterday in this city by 1500 majority.

## LARGE RAILROAD FIRE IN BOSTON.

BOSTON.—A fire broke out this morning in Eastern freight sheds in East Boston. The loss will reach $120,000, of which the Eastern Railroad Company loses $60,000, upon which they have no insurance. A train of twenty loaded freight cars were burned. The loss may exceed this amount as it is very difficult to estimate the value of the freight destroyed. A large building, composed of brick and wood, was thoroughly gutted. The fire was caused by the breaking of a package of oil of vitroil.

The elegant and valuable residence in the town of Oxford, N. C., well known in this part of the State, as the HERNDON residence, is now offered for sale at a reasonable price, either for CASH or one THIRD CASH, and the balance on one and two years time. As a place of abode, Oxford has unnumbered attractions, being confessedly one of the prettiest villages in the State, and is equally distinguished for the healthfulness of its climate, the excellence of its water and the intelligence and refinement of its citizens. The property we offer for sale is as desirable as any to be found in the United States, for a family who desires a FIRST CLASS HOME. It is located near the business part of the town, almost within a stones throw of the Court House. Yet it is sufficiently private to combine in an eminent degree the quiet and seclusion of country, with the advantages and conveniences of town. The splendid mansion was built of the best material, every article of which underwent the closest scrutiny before it was used, and a distinguished architect, possessing genius, taste, experience and practical judgment in his department of business, superintended the work. EXPENSES WERE NOT SPARED to make its apartments in every respect commodious and convenient, from basement to garret. It contains TWELVE LARGE ROOMS, viz: Four in the basement, and four on each of the first and second stories. Two of the rooms on the first floor, (the Parlor and Hall,) have beautiful marble mantels, and fine solid mahogany doors, the rooms up stairs correspond in size with those below and have two closets each, and the stair steps are a perfect model, showing the highest skill of the artisan in the ease with which they can be ascended, in this respect, by far excelling any that we have ever seen. There is a wide and airy passage on each story and in the basement, and on the top of the house is a CAPACIOUS OBSERVATORY, commanding a view of the town, and surrounding neighborhood. The house is in good condition with the exception of the basement, which could be put in good repair at a small expense.

The premises embrace some TWELVE OR FOURTEEN ACRES of land, most of it in the highest state of cultivation, the necessary out houses and two scuppernong grape arbors about 100 feet long, and 20 wide. The front yard is about two acres in extent, is much admired, and is susceptible of the highest artistic improvement. This remarkably valuable property, if not disposed of privately before the SECOND MAY NEXT WILL BE OFFERED AT PUBLIC AUCTION WITHOUT RESERVE.

Any one wishing to purchase an elegant and pleasant home, with many advantages, that it is impossible to describe in an advertisement, can confer with us by letter or otherwise. We will take pleasure in giving any information desired, and in showing the property to any one who may wish to purchase.

Address,
