STATE & LOCAL

H. T. CLAWSON, Esq., is elected Chief Engineer of the city Fire Department.

MR. HERBERT, Editor of the *Oregonian* is daily improving.

SEED FACTORY and Machinery for sale at Thomasville. See advertisement of Shelly and Gray.

PERSONAL.—Col. W. K. Davis, Gen. E. Baker, Editor of the Louisburg *Courier*, and R. W. Fuller were in the city yesterday.

BURNING GOVERNOR KEMPER.—Governor Kemper's mistake in vetoing the Charter bill for Petersburg, amounted to almost a crime, but his late friends and admirers in Petersburg should not have burnt him in effigy.

DEPOSITS AND THE PEOPLE DEMAND MORE CURRENCY.—If our Congress act wisely they will not fail to appreciate the extreme alarming condition of the country. It is estimated that more than one-fourth of people now in the United States are suffering the miseries of enforced idleness—a loss to this nation far greater than the debt we owe north of our war.

How has this disaster produced? We answer by the prostration of business in all parts of the country, in consequence of which this vast quantity of labor is not employed. It might be asked, why this prostration of business throughout the country? We answer, simply because there is not enough money in the country to run the business of the same.

All this can be amended by Congress. It is the failure of Congress to fully appreciate the situation in the past, which brought the present crisis upon the country.—*Inquirer.*

Establishing Banks and blacking rags with lamp black called currency will not add to the wealth of a country or people.

The man who does not work will not be benefitted by inflamation or additional increase of the Currency. Reduce the rate of interest, work more and spend less is the only remedy for hard times.

LATEST DISPATCHES.

FEARFUL OUTRAGES—"CONFUSION WORSE CONFUSED."

CITY OF MEXICO, *Via Havana.*—A fearful outrage was perpetrated by a mob in Ahualulco, in the State of Jalisco, last Sunday. In the morning the Priest delivered an incendiary sermon in the course of which he advocated the extermination of Protestants. This so excited his hearers that the mob gathered in the evening, and proceeding to the residence of Rev. Jno. Stevens, a Congregational minister, sent out by the Boston Board of Foreign Missions, with cries, "long live the Priests." They broke into the house, and seizing the clergyman smashed his head to a jelly, and chopped his body into pieces. They afterwards sacked the house and carried off everything of value. After much delay the riot was suppressed by the local authorities. The government has sent a detachment of troops to the District. Vigorous investigation has been set on foot, and orders have been issued for the arrest of all the Priests in Ahualulco county and the neighboring town of Teohitan. The mob in Saynayo, acting under similar religious frenzy, attacked the small garrison of the town, burned the public archives, and pillaged the houses of the authorities.

The government of Jalisco has arrested some of the bandits who robbed the stage near Guadalajara and killed Wentworth and Bartlett. A portion of the property taken from the passengers was found in the possession of the prisoners. The Governor of the District of Mexico has issued an order prohibiting cock fighting as a practice unworthy of civilized people. Troops are patrolling the road leading to San Luis Potosi to insure the safety of travelers.

General Santa Anna will remain at Jalapa some time before going to the capital.

MISCELLANEOUS ITEMS.

SAN FRANCISCO.—Col. O. P. Robie, formerly of the United States army, suicided.

The Central Pacific railroad is again blockaded near Emigrant Gap. The snow at Summit is fully twenty-five feet deep on a level. The telegraph poles and wires are buried out of sight half of the distance from Emigrant Gap to Truckee.

LONDON.—The British journals generally consider the Chisolm Bill a success.

The Duke and Duchess of Edinburgh will soon visit the Empress Eugenie.

The loss by the wreck of the steamer Queen Elizabeth, off Tarifa, is estimated at £350,000.

MADRID.—The Carlist leader Tristany has been defeated at Tarragona. It is rumored that the Carlists have raised the siege of Bilboa.

BAYONNE.—General Sebalis, according to the Carlist reports, has captured a column of 2,500 men under general Nouvillas.

ALBANY.—The New York State Convention of Stock Raisers, Breeders and Dealers, which has been in session for the past two days, has adjourned. About thirty subordinate councils are now ready to be instituted. Council No. 1, of Albany, will be in full operation next week.

ST. PATRICK'S DAY—A FOUL MURDER.

AUGUSTA.—St. Patrick's Day was celebrated by a parade of military and civil societies. Orations were delivered by Rev. Father Kelley, of Georgetown, D. C., and M. P. Carroll.

Tilman B. Farrow, white, while returning from a circus performance at Batesville, S. C., last Saturday night, was way-laid, murdered and robbed by two negroes who made their escape.

BALD MOUNTAIN NEWS VIA OF KNOXVILLE

KNOXVILLE.—We have no positive information of the volcanic disturbance reported from Raleigh. It is reported from Asheville as being between that place and Old Fort and not in the Bald Mountains. The rumbling sound has been heard and felt frequently during the last two or three weeks for some distance in that vicinity.

ST. PATRICK'S DAY.

BY THE LATE BISHOP ENGLAND.

AIR.—"*The Irishman.*"

Oh, who that has not wandered far
From where he first drew vital air,
Can tell how bright the visions are
That still surround his fancy there!
For oh, 'tis sweet round memory's throne,
When time and distance gild the way,
To cite the scenes that long have flown,
And view them o'er on Patrick's Day.

Though distant from our native shore,
And bound by fortune's stern decree
To dwell our native land no more,
Still, Erin, we must think of thee.
Is there a heart of Irish mould
That does not own the magic sway
That tempts the generous patriot's soul
To celebrate our Patrick's Day?

No nation since the dawn of time
Has sacrificed more lights than we;
Our blood has flowed in every clime
That raised the shout of Liberty.
But, oh, will Freedom never smile,
Nor shed one bright, one glorious ray,
To cheer our own loved native isle,
And raise our hopes on Patrick's day?

Yes, Erin, raise thy drooping brow,
And wreath it with the shamrock green;
Go tell thy proud, thy haughty foe,
That she's no longer Ocean's queen.
Columbia's banners wave on high,
Her eagle seizes on its prey;
Then, Erin, wipe thy tearful eye,
And raise thy hopes on Patrick's Day.

Thy gallant sons have nobly bought
Columbia's gratitude for thee;
In freedom's cause they bravely fought,
And shed their blood for liberty.
Then, boys, fill up your glasses all—
Let tyrants grumble as they may,
The toast we drink will throw no pall
On Erin's joy this Patrick's Day.

LUMBER, LUMBER, LUMBER.—Having purchased a large lot of the finest timber in the country, which I am having sawed, I am prepared to deliver lumber anywhere within the city, on the very best terms. Orders solicited, and promptly filled. Address J. P. GOODWIN, City Post Office, Raleigh, N. C. 1m.

HOW WE BOUGHT.—We had heard of almost every machine,
Which claimed to be the "best that ever was seen,"
So we went round one day to examine them all
And decide which was best for our sewing that fall.

One agent ran much on his noiseless *stitch*,
So quiet you never could know it was there,
And he spun it to show us how gently it entwined.
But Rosie and I didn't hunt noise in the *dark*.

One mode stitches like magic, but he never *stirred*
You could rip them all out just as fast as he *worked*;
Another one talked of his needle alone,
It was all in his eye, and it needlessly shone.

And this had a bobby, and that one a kink,
Which took with those not accustomed to think.
But merit was what we were after, you know—
And we bought the HOWE because it could SEW.

What we claim for the Howe is that it is an honest machine, not subject to fits nor constantly getting out of order, that it will do your work perfectly and give entire satisfaction. Call at the Express office and examine them. JNO. R. FERRALL, Agent. 1t.

SPECIAL NOTICES.

POND'S EXTRACT.—"Truth is stranger than fiction." The career of the Extract is an instance of this. Almost without advertising the sale is enormous. Try it!

POND'S EXTRACT.—There is no swelling it will not abate no pain it will not cure. This is the testimony of those who have used it many years. Try it!

POND'S EXTRACT.—Used alike by the medical profession and the people, it holds a position held by no other medicine in this country, or, perhaps, the world.

SUFFERERS from coughs, colds, bronchitis or throat diseases should not neglect the great remedy for all diseases of the throat, lungs and chest.

THAT IRON IS VALUABLE AS A MEDICINE has long been known, but it is only since its preparation in the particular form of Peruvian Syrup that its full power over disease has been brought to light. Its effect in cases of dyspepsia and debility is most salutary. 2t

"HOUSEKEEPER" OF HEALTH.—The liver being the great depurating or blood cleansing organ of the system—set this great "housekeeper of our health" at work, and the foul corruptions which gender in the blood, and rot out, as it were, the machinery of life, are gradually expelled from the system. For this purpose Dr. Pierce's Golden Medical Discovery with very small daily doses of Dr. Pierce's Pleasant Purgative Pellets are pre-eminently the articles needed. They cure every kind of humor from the worst scrofula to the common pimple, blotch or eruption. Great eating ulcers kindly heal under their mighty curative influence.—Virulent blood poisons that lurk in the system are by them robbed of their terrors, and by their perservering and somewhat protracted use the most tainted systems may be completely renovated and built up anew. Enlarged glands, tumors and swellings dwindle away and disappear under the influence of these great resolvents.

DOCTORS COULDN'T HELP HIM.

MEIGSVILLE, Morgan Co., O., March 24th, 1872.

Dear Dr. PIERCE:

When I was 12 or 15 years of age I took what is called King's Evil, and by constant doctoring it would heal in one place and break out in another. It also broke out in my left year. I first found your name in the CHRISTIAN ADVOCATE, and sent 10 miles for the first bottle, which did me more good than all other medicines I ever used. I am 28 years old and doctored with five doctors, and not one of them helped me so much as your bottle of Discovery. I have got well and able to do a good day's work.

Deafness caused by Catarrh.

Catarrh not unfrequently produces deafness.

Mr. Levi Springer, of Nettle Lake, (P. O.) Williams Co., O., formerly of Durban's Corners, O., has been cured of deafness of fourteen years' standing, by using Dr. Sage's Catarrh Remedy. He was so deaf he could not hear a person talk when seated by his side, and can now hear the church bell ring two miles distant—so he writes.

A MARKED CASE OF DEAFNESS CURED.

GREENSBOROUGH, Ning Co., N. Y., Feb. 22, 1871.

About one year ago I caught a severe cold in the head, which terminated in a severe form of catarrh. During the time ulcerations occured in the nasal passages, and I became wholly deaf in one ear, with partial deafness in the other. The inflammation had involved all the delicate structures of the ears, and was in immediate danger of permanent deafness. The discharge became profuse and fetid, both into my throat and from my ears. In this condition I called on Dr. Pierce for aid, who prescribed his Golden Medical Discovery and Catarrh Remedy, and under their use have rapidly recovered. My hearing is restored, and my Catarrh is entirely well.

MOTT'S Liver Pills!

An old physician once said that nearly all diseases originate from A DISEASED CONDITION OF THE LIVER, and this statement is true, although it may at first seem like an exaggeration. When the Liver is out of order the whole system and every organ and function suffer more or less in consequence. In the incipient stages of the disease a man

Does Not Know What Ails Him.

He is moody, restless and despondent, and that is the time to take a SIMPLE REMEDY that will restore him to health

IN A SINGLE DAY,

and prevent a whole train of diseases that may follow.

MOTT'S LIVER PILLS cure torpidity of the Liver.

MOTT'S LIVER PILLS give tone to the stomach.

MOTT'S LIVER PILLS cleanse the system of bile.

MOTT'S LIVER PILLS drive out febrile affections.

MOTT'S LIVER PILLS strengthen the whole system.

MOTT'S LIVER PILLS regulate the Liver, and are more reliable as a Liver medicine than any of the celebrated preparations that DO MORE HARM THAN GOOD.

For sale by all Druggists. Price 25 cents per box.

Fanning's LIFE AND JOURNAL.

I propose as soon as a sufficient number of subscribers to justify the publication can be obtained, to republish the Journal of Fanning. Only fifty copies of it were originally published. Wanting the age, brains and information to write a life of Fanning, I applied to Mr. Brantley, of Chapel Hill, who has generously consented to write a life of Fanning to accompany the Journal. All that is wanted, is a sufficient number of subscribers to pay expenses of publication. The book will read like romance, for Fanning was a hero as well as a demon.
