PROPOSALS FOR DIMENSION STONE for the United States Court House and Post Office, Raleigh, N. C.
OFFICE OF SUPERINTENDENT,
U. S. COURT HOUSE & POST OFFICE,
RALEIGH, N. C., April 6, 1874.
Sealed proposals will be received at this office until 12 m., of the 6th day of May, 1874, for furnishing and delivering at the site of the United States Court House and Post Office, at Raleigh, North Carolina, all of the dimension stone required for the exterior of that building.
The species of stone from which a selection will be made will be confined to Granites, Marbles and Sand Stones, and the qualities especially insisted upon will be uniformity of color and texture, durability, and the capacity for working under the chisel or hammer.
A sample block 12 inches 12 inches must be submitted with each bid, showing on one face the natural fracture of the stone, and on the other different grades of cutting. The stone must have a good grain and be free from all discoloring substances, and the quarry from which it is proposed must be fully opened and capable of furnishing the quality and quantity desired within one year.
About 30,000 cubic feet more or less will be required. The actual average of the stones can not now be given, but will approximate 10 cubic feet, the largest stones containing about 75 cubic feet. The stone will be ordered on a schedule of potsizes and allowances of one inch to each cut face will be made for quarry dimensions, according to the rules made by this Department in order that the contractor may make proper allowance for cutting, in the quarrying, and on this schedule payments will be made.
Bidders will state how soon they can commence delivering the stone and the amount per week they can deliver. They will also state the average and maximum size of the stones that can be obtained from their quarry.
No bids will be received except from the owners or lessees of the quarry from which the stone is proposed to be furnished, and a certificate from the Recorder of the county in which the quarry is situated that the bidder is the owner or lessee of the quarry must accompany each bid.
All proposals must be made on printed forms to be obtained on application to this office, must be accompanied by a penal bond in the sum of five thousand dollars ($5,000) that the bidder will accept and perform the contract if awarded him, and give bond therefor in the penal sum of ten thousand dollars, $10,000 and execute a valid and binding lease of the quarry to the Government as a security for the faithful performance of the contract; the lease to take effect upon the failure of the contractor to comply with the terms of the contract, and I ask to authorize the Government to take full possession of the quarry and work it at the expense of the contractor in case of default.
The Department reserves the right to reject any or all bids, or to divide the contract and use two or more kinds of stone.
Proposals must be enclosed in a sealed envelope and endorsed Proposal for Dimension Stone for the United States Court House and Post Office, Raleigh, North Carolina, and addressed to
WM. A. HEARNE,

SCHOOL FOR BOYS.
I WILL OPEN IN THIS CITY, ON THE 5th OF JANUARY, 1874,
AN ENGLISH, CLASSICAL AND MATHEMATICAL SCHOOL FOR BOYS, in which they will be prepared either for business life or for College.
Circulars, containing particulars and testimonials will be presented, in due time, hereafter. I refer at present to Rev. J. M. Atkinson, Prof. W. U. Kerr, A. M. McPheeters, Esq., W. H. Crow, Esq.

SPLENDID CITY PROPERTY FOR SALE.
ON HILLSBORO' STREET.
I hereby offer for sale my new Residence, Store House and lot situate on Hillsboro' St., South side near Railroad Bridge.
The lot has 50 feet front on both Hillsboro' and Morgan Streets.
The Buildings are new, well built, in modern style. The Dwelling contains 9 rooms conveniently and comfortably arranged. It is so elevated that a basement may be made at small cost.

Pleasant Scholars.—We learn that a free school is soon to be inaugurated at Smithfield, Johnston County, for white children, from the Peabody fund; and that A. H. Abell, Esq., will be placed in charge of it—a gentleman well qualified for the position.

DELEGATES TO THE GRAND LODGE OF ODD FELLOWS.—P. G. C. M. Busbee, of Manteo Lodge, and P. G. Le Roy G. Bagley, have been selected to represent their respective lodges at the Grand Lodge of Odd Fellows, which assembles in Greensboro on the 13th of May.

"UNLOADING."—Mr. Q. Busbee, of this city, and Mr. John A. Moore, of Plymouth, unload in the *Era* by declaring, they are not candidates for Solicitor's place. Argo and Logue Harris will not unload until the radical convention meets, and decides against one or the other.

Cousin Phil (Hawkins) is in the city, at the Yarborough, with a huge Saratoga trunk, waiting his supply of "Blasting Powder," ere he goes hither to the "Ring quarry," way down the country. He will have the precaution not to expose his artillery train until the rain ceases. We are afraid that the trunk of Blasting Powder will not more than succeed in entering one wedge into the hard stone—so hard that an old Irish rock cutter remarks, "all h—l couldn't blast it."

TAXES.—The Tax-listers are on hand in the Mayor's office from 9 o'clock in the morning, to five in the afternoon each day now. Oscar Alston and Uncle Handy Lockhart, with a corps of colored clerks are the presiding geniuses—"nary white man" among them. While over in the other corner, our friend Doc. Sorrell, is amiably accommodating all city settlers. If you should call, don't forget your registration—it occupies you only a minute.

NEW ADVERTISEMENT.—Read the advertisement, of A. Creech, Esq., Dry goods merchant, which appears to-day in our advertising columns. His store is packed with elegant goods, fresh to hand. His salesmen are prompt, polite and accommodating. You can patronize no one more worthy. Prices moderate, and the utmost satisfaction is guaranteed. Go to Creech's.

FEDERAL COURT.—This Court, Judge Robert P. Dick presiding, is now in session at Greensboro. The *Patriot* says, the attendance is not very large. The cases to be tried are chiefly for violations of Internal Revenue. About the only cases of interest, will be the trial of the Counterfeiters, arrested last winter, and the case of the Cherokee Indians, vs. Blount, and others. A number of Indian witnesses are present.

THE REMAINS OF MR. GAYLE.—The Members of Hiram Lodge (masonic) together with the employers of the Raleigh and Gaston Rail Road Shops, escorted the remains of Mr. Gayle to the depot this morning; and a committee of masons accompanied the corpse to Portsmouth where it will be interred.

MEMORIAL ADDRESS.—We learn that our friend and talented townsman Robert T. Gray, Esq., has accepted the invitation of the Greensboro, Eclectic Club, to deliver the Memorial address at the Confederate Cemetery of that place, in May.

## Mistrial.

The Jury in the case of state vs. Mary Powell and Henry Lane, (col.) policeman charged with a conspiracy to abduct Sarah Powell, mention of which was made in city papers at the time, having been unable to agree upon a verdict since Tuesday, a juror was drawn and a mistrial declared.

MEETING OF THE EXECUTIVE COMMITTEE.—The Executive Committee of the Republican party of this State were in session at the capitol to-day. Among those in attendance, we notice the names of Col. Marcus Erwin, of Asheville, Dr. W. H. Wheeler, of Salem, Jas. H. Headen, of Pittsboro, John A. Hyman, of Warren Tom B. Keogh, of Greensboro, and others.

COMPLAINING MUCHLY.—Two colored gentlemen called, and a third sends a communication complaining of the New Post Office.

I. That it is proposed to pay them monthly for work.

II. That only one dollar per day is allowed, when the City and Agricultural Fair paid as much and Congress, they insisted, allowed $1.50 per day.

One came to complain especially that the Clerk and Supervisor received five and six times as much per day as the men who were doing the work.

We failed to convince them that Manager, Hearne's work of standing around was worth more than their hard licks from "early morn to dewy eve."

of the draughtsman required by Mr. Kerr, to be printed for the use of the Bureau of Immigration. Encouraging reports in the afternoon session from several county agents, &c. &c.

THE STORM LAST NIGHT.—This city was visited by a furious storm commencing about 11 o'clock last night. The rain came down in torrents, while the lightning flashed vividly with deafening tones of reverbersting thunder, throughout the night; and the rain still continues at this writing. Several washes are reported to culverts and streets in different portions of the city, thus giving more work to Backalan's brigade of lazy Market house radical pensioners.

CITY REGISTRATION.—Registration of votes is as follows to-day:

| | White | Colored. |
|---|---|---|
| Middle Ward, | 7 | 4. |
| Eastern Ward, | 6 | 7. |
| Western Ward, | 7 | 0. |
| Total 31, | 20 | 11. |

COURT ITEMS.—The State vs. Charles Howard, and James Miller, for an assault upon Ed Lane, (col.) at Wynne, & Co's stables, last year, was tried, on yesterday. The Jury remained out all night, being unable to agree; but this morning returned a verdict of not guilty as to Howard, and still failed to agree as to Miller. The Jury stood 7 for conviction 5 for acquittal. when they were discharged—Miller being held for his appearance, in a bond, at the next term of the Court.

The Tupper Church imbroglio was occupying the attention of the Court today.

NOMINATION OF SUPT PUBLIC INSTRUCTION BY RADICALS. The Radical Executive Committee to day unanimously nominated Thomas R. Purnell, the present State Librarian as their Candidate for Superintendent of Public Instruction.

MEETING OF THE TRUSTEES OF THE UNIVERSITY.—A meeting of the Trustees of the University took place in the office of the Public Treasurer to-day. The following gentlemen were present: Col. W. L. Saunders, R. B. Peebles, Esq, Mills L. Eure, Esq., Ferney George, Esq., T. D. McDowell, Esq., K. P. Battle, Esq., Col. W. L. Steele, John H. Thorpe, Esq., P. C. Cameron, Esq., and Capt. J. J. Davis. Reporters were not admitted—the Secretary being directed to furnish what is expedient for the press, we hope to publish the proceedings in full to-morrow. We learn, that little was done beyond the appointment of a Committee, who were instructed to employ legal talent to enquire into the legality of the present board.

DISTRICT CONVENTION.—The District Convention of the Democratic Conservative party for the nomination of a candidate for Congress for the fourth Congressional District, will be held in the city of Raleigh, on Tuesday, the 2nd day of June, 1874.

Every county in the District is earnestly requested to send a full delegation.—Arrangements will be made with the various Railroads to pass delegates at half fare.

By order of the District Executive Committee.

H. A. LONDON, JR.,
Chairman.

CREMATION AGAINST INHUMATION.—There is a revolt against the old custom of burying the dead. And it is now proposed to burn dead bodies instead of burying them. A public meeting in New York, is called to consider this question.

In Zurich, 2,000 persons are agreed as to cremation or burning the dead. The Dutch have invented new stoves to burn the dead; and some of the clergy have approved both of the burning and the stoves.

If burning should be attempted in this country, we are inclined to the opinion, that the parties engaged in it would be hung. We do not favor burning the dead or hanging the living who may be guilty of it.

GOT HOME AT LAST.—Gen. D. H. Hill, in the *Southern Home*, says of a brother soldier and editor.

"Tom Evans was independent, and after stopping awhile at the half-way house, got home in full accord."

Any man who supposes that Republicans are going to sit down and enjoy the sight of Democrats eating rations which the Republican party has ordered to be issued to its own members, will find himself mistaken. Republicans do not enjoy the sight, and they do not intend longer to submit to any such injustice.—*Era.*—*Alias Long Perry.*

This is a slap at Hearne and Spelman, who eat daily of the Post-office rations—enough to fed eleven Republicans. But pray how will the Long Perry help itself. Nason, is a living example of the danger of complaining.

demands. We understand that goods are sold low, and in many instances be low New York cost.

We have gathered a few facts in relation to this old firm. Ruffin Tucker, the father of W. H. & R. S. Tucker, commenced this business in Raleigh in 1818 which has been successfully conducted with a brief intermission during the late war, up to the present date by his sons who are now the surviving partners of W. H. & R. S. Tucker & Co. In 1839 Col. Wm. H. Tucker entered the business as clerk with his father, in which capacity he acted till 1846 During that year he was associated as partner with his father under the firm of R. Tucker & son. In 1848, R. S. Tucker, who had graduated during the summer of that year, at Chapel Hill, entered the same establishment as clerk, in which capacity he acted until the death of his father Ruffin Tucker in 1851. During which year the firm of W. H. & R. S. Tucker was inaugurated, and which continued active till the second year of the war, 1862. After the close of the war, immediately thereafter in the summer of 1865, the same firm was again placed in active operation and continued till 1867. At which time Mr. T. McGee who had been their clerk for a number of years previous to his copartnership under the style and firm of McGee & Williams entered as a partner in the present firm of W. H. & R. S. Tucker & Co. which copartnership existed to the day of his lamented death, on the 25th of March ult; and which event causes the present dissolution of this old and favorably known mercantile establishment. We earnestly hope that the present closing out by this firm may not prove permanent and that the city will yet have the ripe experience of these sterling merchants, for years to come.

Deafness caused by Catarrh.
Catarrh not unfrequently produces deafness.
Mr. Levi Springer, of Nettle Lake, (P. O.) Williams Co., O., formerly of Durbin's Corners, O., has been cured of deafness of fourteen years' standing, by using Dr. Sage's catarrh Remedy. He was so deaf he could not hear a person talk when seated by his side, and can now hear the church bell, ringing miles distant—so he writes.
A MARKED CASE OF DEAFNESS CURED.
DICKERSONVILLE, Niag. Co., N. Y., Feb. 22, 1871.
About one year ago I caught a severe cold in the head, which terminated in a severe form of catarrh. During the time ulcerations occurred in the nasal passages, and I became wholly deaf in one ear, with partial deafness in the other. The inflammation had involved all the delicate structures of the ears, and was in immediate danger of permanent deafness. The discharge became profuse and fetid, both into my throat and from my ears. In this condition I resorted to Dr. Sage's remedy and Catarrh Remedy, and under their use have rapidly recovered. My hearing is restored, and my Catarrh is entirely well.

ONLY $1.00—50,000 SOLD
Of all the inventions of the present day, probably none have created more astonishment than the London Watch.
The idea of making a Watch for the small sum of One Dollar, seems an impossibility, yet it has at length been accomplished, and a perfect time indicator produced. Besides this it combines a Compass and Sun Dial, without extra cost. It is just the thing for the pocket of every traveller, trader, farmer, boy, and everybody desiring a reliable timekeeper. It is elegantly got up in a case of gold metal, which is an exact imitation of gold, fine watch also, glass crystal, and all metallic works, and very nicely to denote correct time and keep in order—if fairly used—for two years. Nothing like it.
This perfect triumph of mechanism will be sent in a neat case, post paid, to any address, for One Dollar, or three for Two Dollars, by the Sole Agents for West and South.
