ARE YOU GOING TO PAINT?

The best is the Averill Chemical Paint, Because

1st. It has been thoroughly tested by chemists, and over 250,000 owners of residences throughout the United States for the last seven years, and pronounced by them to be the most durable paint known.

2nd. For beauty and retention of color it stands far ahead of any other. Buildings have been painted with it in part, and partly with the best of other paints, both in the interior and on the sea coast, and in no case has it been excelled for beauty or permanency of color.

3rd. It is economical, and its cost is no more than the best lead and oil, and being far more durable (it wearing about twice as long as the best of any other,) and beautiful, warrants the assertion that for a period of twenty years it will save the consumer fully 50 per cent.

4th. It is in liquid form and all ready for use. Purest White, or any desired shade, can be obtained without subjecting the buyer to the annoyance of purchasing oil, pigments, coloring matter, dryer, &c. It is easily spread, flows freely from the brush, clings firmly to every substance it may be applied upon. For wood, brick, iron, or for any painting purpose where durability, beauty and preservative properties are requisite, it stands unrivalled. Though composed of the most indestructible materials known to science, an analysis of the Averill Chemical Paint shows it to be (unlike lead and most of the other paints) free from poison. It will not blacken or discolor by the action of the sulphurous gases so prevalent on our marshy rivers and coasts.

5th. Requires no skilled painter. Any one can apply it.

MUCH RAIN.—We are glad to hear [illegible] has continued to improve.

COTTON BLOOM FROM JOHNSTON.—L. D. Vinson, of Johnston, sent us a cotton bloom, on the first day of July. David Ayer's was two days ahead of him.

WHAT NORTH CAROLINA DID.—North Carolina furnished to the late Confederacy 117,935 troops of the line. Of these 99,350 were volunteers and only 18,585 conscripts.

LAYING THE CORNER STONE.—The colored Masons and Odd Fellows of this city, will lay the corner stone of the memorial monument, in the colored cemetery, at the extremety of Fayetteville street, on the fourth of July.

U. S. MARSHALL FOR THE EASTERN DISTRICT.—A telegram was received in this city to-day from Washington, announcing the fact that J. B. Hill, for some years a deputy marshal, has been appointed Marshal, for the Eastern District of North Carolina. Capt. Hester was nominated by the president to the Senate, it will be recollected, but Senator Merrimon scotched it, by having the same laid upon the table. Capt. Hill is for preferable Capt. Hester.

HEARD FROM.—William Pierce, a genial Englishmen gentleman, who spent several months in this city, at the Yarborough House, where he made many friends, and since whose departure from this city, great anxiety has been manifested concerning his safety and whereabouts, subjecting his friends in England to great uneasiness in the meantime, has been heard from, and is now in Boston, after having been on an extensive tour of the country. He writes a friend he will shortly visit Raleigh again.

WHAT WE HOPE TO SEE HERE.—In Judge Sam Watts' court to-day, two negro women were on trial for an affray. One was bound over in a bond of one hundred dollars to keep the peace, and the Judge narrated to 'em "a little as how," if they engaged in a combat again, and were brought before him, he would have a ring staked off, and make them fight it out, "if it took all summer." Bully for Judge Sam. Such an affair would vary the monotony of things somewhat, and raise the veil of supreme dullness.

BARBACUE AT NEUSE MILLS.—A select number of our city gentlemen in carriages wended their way to the Neuse Mills, this morning, where they are to pass the day in recreation, and enjoy a splendid barbacue.

They carried one of the city Editors with them, and from the cut of his long black, and the jolly twinkle of his eye, we are confident he will do credit to himself and the press. We looked for the great Confederate Joker, but he was *non est inventus*. Dr. Blacknall of the Yarborough told us it would never do, to let both of them leave us at the same time.

CORRECTION.—The article we copied from the New York *World* in yesterday's issue concerning the closing exercises of the New York Institution for Deaf Mutes, which stated that the Carey testimonial was awarded to Alexander J. Andrews, of this city, should have been Albert J. Andrews. The *World*, we learn, is in error as to the cause of our yound friend's contemplating a cessation of his studies at the Institution; and the offer of Mr. Robinson, a member of the Board of Education, to keep him at school, was made because of the excellent scholarship and good behavior of the young gentleman.

MEETING OF THE CITY COMMISSIONERS.—An adjourned meeting of the Board of City Commissioners, was held last evening at the Mayor's office, Mayor Holden presiding. All of the members were present.

N. Hinton, colored, who was recently elected sexton of the city cemetery, tendered his resignation which was accepted, and I. D. Smith was elected to fill the vacancy.

The ordinance closing the city saloons at 11 o'clock, p. m., passed last Friday, was repealed. The Board will again be in session to-night.

MARRIAGE OF BLANCHE CHAPMAN.—H. Clay Ford, Manager of Ford's Opera House in Washington, joined the "Benedictine corps" yesterday, in Baltimore, at the residence of his brother, John T. Ford. The fair young bride was Miss Blanche Chapman, the eldest of the popular Chapman Sisters, who, have for the past five years been starring throughout this country with unbounded success. The happy couple will immediately start on an extended trip to Europe, visiting all notable objects of interest.—*Bon voyage.*

THE GLORIOUS FOURTH.—Saturday is the glorious fourth of July. No preparations for its celebration in this city as in the days of old. We suppose the artillerists of the garrison will fire the usual salute—the youth will engage at night with a small supply of fire crackers and other small fire works. Many of our people will go to the country to spend the day, which will generally be observed [illegible]

[illegible] the Criminal Court.—The court met at the usual hour, all the Justices present excepting Chief Justice Pearson, who is sick. The following causes were argued: Obadiah Sprinkle and wife vs James H. Toote, *et al.*, from Wilkes. Furches for plaintiffs; Folk & Armfield for defendant.

C. A. Caulton, Adm'r. vs Washington Byers, *et. al.*, from Iredell. Scott, Caldwell, Armfield & Folk for plaintiff; McCorkle and Bailey for defendants.

THE SPEAKING LAST NIGHT.—Notwithstanding the rain last night a considerable number were present in the Court-house to hear our gallant standard bearer for Congress, Capt. Davis, who entertained them in a masterly and at times eloquent manner for an hour or more. Headen, his opponent, though expected, was not present. Capt. Ike Young, at the conclusion of Capt. Davis' speech, put in an appearance and made a rumbling sort of a reply.

Capt. Davis speaks in Pittsboro on the fourth.

THE RALEIGH BAPTIST FEMALE SEMINARY.—We are in receipt of a catalogue of the above popular and excellent seminary. F. P. Hobgood, A. M. Principal, assisted by seven instructors. The scholastic year just closed, shows a total of 108 students. The location is healthful and eminently adapt it to become the great educational centre of the State. The edifice, grounds, &c., are large and pleasant, furnishing ample accommodation for a large boarding and day school.

The course of study, under an able faculty is thorough, and of an high order, embracing everything taught in the first class institutions of the country, while the comfort and health of those entrusted to the care of this school, is most carefully attended to and guarded. They have secured for the coming session, the services of a Musical Director, who has had an experience of twenty-one years—that of Prof. Agthe, late of the large Moravian school, of Bethlehem, Penn.

Read the advertisement in another column.

GRAND EXCURSION TO MOREHEAD.—There will be a grand excursion from Charlotte to Morehead and Beaufort on the 14th inst., returning on the 17th. Five splendid coaches will be put on, and every effort made to conduce to the comfort and pleasure of the excursionists on the way, while at the coast arrangements have been made for a pony penning - a grand dress ball, boat sailing and fishing, &c. Arrangements have also been made with hotels for the comfort and convenience of the excursionists.

The following are the very low rates for round tickets:

From Charlotte and Harrisburg, $9.00.

From Concord, China Grove, Hickory, Tavern and Statesville, $8.75.

From Salisbury, Linwood, Lexington and Danville, $8.00.

From Thomasville, High Point, Jamestown and Kernersville, $7.50.

From Greensboro, McLean's and Gibsonville, $7.00.

From Company Shops, Graham, Haw River and Mebanville, $7.00.

From Hillsboro, Durham and Morrisville, $6 50.

From Carey, Raleigh, and Clayton, $5.50

From Wilson's Mills, Selma and Princeton, $5.00.

SNEAK THIEVES.—The store of Mr. I. N. Allen on Hillsboro street was entered on yesterday, by a sneak thief, and the money drawer stolen. The same rascal, no doubt, tried to work his game on the money drawer of Mr. Best, but was foiled by the tinkling of the little bell, attached to the patent money drawer, which this latter gentlemen had the good fortune to have in use.

Office No. 2, Spruce St., New York.

MAYOR'S COURT.—Michael Gary, a U. S. Soldier, who was arrested on yesterday charged with the revolting crime of Sodomy upon a small colored boy in Eastern ward, was before his Honor this morning. Several witnesses were examined, but the evidence failing to justify the charge, he was returned to the commandant of the post.

Capt. Rush was about 21 years old and a son of the late Capt. Benj. Rush, so long and favorably known on the Cape Fear river. He was a young man of great promise and beloved by all who knew him.—*Journal.*

A HUGE RATTLE SNAKE.—Mr. Jesse D. Helms brought to this place last Thursday a huge rattlesnake which he had killed the day before near his residence, ten miles below here in the Lanes Creek neighborhood. The snake was skinned and stuffed. Before its head was taken off it measured five feet and ten inches in length, and was twelve and a half inches in circumference. It had fourteen rattles and a button.—*Monroe Enquirer.*

Two negroes Joe Sherrill and Julius Wilson, were committed to jail in this place last Tuesday, charged with committing Rape upon the person of Mrs. Susan Deal. The evidence shows a most foul crime, and the perpetrators, will doubtless receive their just reward at next court, unless they are turned loose to save expense to the county.—*Salisbury Watchman.*

Two young men, Messrs. B. C. Secrest and J. R. Doggett, who live [illegible] of this place, did some extra wheat cutting a few days ago. They cut one hundred and eighteen shocks apiece, and did not get into the field till the sun was an hour high, having to walk a mile to get to it. They had also to walk home to dinner, and stopped work an hour by sun, as they got through with the field.—*Monroe Enquirer.*

The corner stone of the new Catholic church in Greensboro, was laid last Sunday afternoon, at 3 o'clock, by the Rt. Rev. Jas. Gibbons, D. D., of Richmond, Bishop of this Diocese, assisted by Rev. J. B. Hand, of Charlotte, and Rev. Mark S. Gross of Raleigh, performing the ceremony. 800 people, the Patriot says, were present. The Bishop delivered a very pleasing and eloquent discourse.

PAMLICO COUNTY NEWS.—A correspondent at Stonewall informs us that a girl about 18 years of age, a daughter of a colored man named Robert Belcher, was killed by lightning on Friday evening last during a thunder storm. She, with her brother, had taken shelter under a tree which was struck and the girl instantly killed. The boy was stunned, but otherwise sustained no injury.

From the same source we learn that notwithstanding the dryness of the weather, the crops are looking very well, and that the health of the people in that section is remarkably good.—*Newbernian.*

A special to the Richmond *Dispatch*, from Garysburg, Northampton county, under date of Monday, says:

"At about sunrise this morning, Austin Hill, the alledged murderer of Mr. Pearson, went to the house, of Henry Ellis, a colored man, near this place, and asked for something to eat; but on being refused, said he had come to give himself up to stand a trial, as he was tired of skulking. He has been in the woods since June the 19th, and has evidently had very little to eat since his escape. He was in a very destitute condition, his clothes being torn into shreds, and at the time of his capture, proved very troublesome.

Henry Ellis summoned another colored man, and taking him in charge, carried him by his home and allowed him to get some clothes, and then conducted him to Jackson where he is now chained in the dungeon in jail to await trial at the November court."

NEGRO SHOT.—Jones Hudson, the negro boy who was tried along with Berry and others, for the killing of Cook, a couple of years ago, was imprisoned in Morganton jail for some criminal offence and escaped with the other prisoners a week or so ago. T. B. Pugh, constable of Icard Township, Burke county, heard of his whereabouts and went to arrest him Saturday last. The negro refused to be arrested and stepped back into the house where Pugh knew that he had a gun. Pugh emptied five barrels of his revolver at him, one ball only hitting him in the bladder. Dr. Baker pronounces his injuries mortal.—*Piedmont Press.*

SUMMER NOTE.—Walter Brem and lady, of Charlotte, are summering it in Morganton.

R. L. Patterson and family are spending the summer at Palmyra, Caldwell county.

Rev. Mr. Troy, of Greensboro, is with us for the summer again.

Mrs. Chief Justice Pearson is in Morganton.

The Misses Skinner, formerly of Edenton, N. C., but late of Norfolk, Va., two celebrated teachers, have bought property in Morganton and will make that place their home.

Hon. Wm. A. Smith and family will summer in Hickory and the White Sulphur.—*Piedmont Press.*

Milton *Chronicle*: In the discussion yesterday, Gen. Scales asked Col. Henderson if he did not say sometime ago, in a speech at Yanceyville that any colored man who wanted more social equality or civil rights ought to be hanged with a grape vine. The Colonel tried to wriggle out, but the proof being at hand he admitted that he did say something of the kind in a joke! Gen. Scales thereupon gave the joking candidate "fits" for joking.

How great minds will run in the same channel. Tom Purnell says he wouldn't take a position against the civil rights bill down in the eastern part of the State, where niggers most do congregate, just to tease Col. Pool. Now Billy Henderson, Purnell's friend and chum, says when he took a position against civil rights he was only joking. What a teasing joking couple of rollicking cusses they are.—*Winston Sentinel.*

Tooth ache proceeds from ague in the face, operating upon the exposed nerve of a decayed tooth. PROPOSALS

FOR

DIMENSION STONE AND CUTTING,

FOR THE

U. S. COURT-HOUSE AND POST OFFICE

AT

RALEIGH, N. C.

ADVERTISEMENT.

OFFICE OF SUPERINTENDENT,
RALEIGH, N. C., July 1st, 1874.

Sealed Proposals will be received at this office until 12 M. of the 29th day of July, 1874, for furnishing and delivering at the site of the proposed court-house and post office at Raleigh, N. C., all the Dimension Stone required for the exterior of the superstructure of the building, cut ready for setting, and as required by the drawings and the specifications.

The species of stone from which a selection will be made will be confined to granites, limestones, freestones and sandstones, and the qualities especially insisted upon will be uniformity of color and texture, durability, and the capacity for working under the chisel or hammer to a proper surface.

No stone that has not been tested by actual use as cut stone in buildings for at least ten years will be considered, and absolute proof that it has been so used for this period must be furnished. The stone must further have a good grain and be free from all discoloring substances, and the quarry from which it is procured must be fully opened, and capable of furnishing the quality and quantity desired within the time required by this advertisement.

A sample block of the stone proposed to be furnished must be submitted to this office, the block to be 12 by 12 by 12 inches, showing on one face the natural fracture of the stone and on the others the different grades of cutting required to be done on the work, as shown by the sample blocks to be seen at this office or at the office of the Supervising Architect, Treasury Department.

The stone, cut, finished and ready to be set, must be delivered at the site of the building, that of the water table, within three (3) months from the date of the acceptance of proposals, within twelve (12) months from date; and the remainder, being that of the third story, chimney stacks, dormer windows, caps and copings, &c., within eighteen (18) months from same date, under a penalty of one hundred dollars ($100) for each and every day's delay beyond the time above stipulated.

Proposals will be made for the entire work complete, as exhibited by the drawings and described by the specifications.

No bids will be received, except from the owners or lessees of the quarries from which the stone is proposed to be furnished, or their agents, who must also be engaged in stone cutting, and have the necessary facilities for a prompt execution of the work as required.

Payments will be made monthly, deducting ten per cent. of work executed until the final completion of the contract.

All bids must be made on the printed form to be obtained at this office, and must be accompanied by the bond of two responsible persons, in the sum of ten thousand dollars, ($10,000,) that the bidder will accept and perform the contract, if awarded him, and execute bonds therefor in the amount of twenty thousand dollars, ($20,000,) and a valid and binding lease of the quarry to the Government as security for the faithful performance of the contract, the lease to take effect upon the failure of the contractor to comply with the terms of the contract; said lease to authorize the Government to take full possession of the quarry, and work it at the expense of the contractor in case of default; the bond to be approved by the United States District Judge, Clerk of the United States Court, or the District Attorney of the District wherein the bidder resides.

The Department reserves the right to reject any or all bids, if it be deemed for the interest of the Government to do so, or to divide the work of the basement and superstructure, and award to different bidders, at its option. Every bid must be made on the printed form to be obtained at this office, and must conform, in every respect, to the requirements of this Advertisement, or it will not be considered.

Plans, specifications and forms of proposal can be procured on application at this office, or at the office of the Supervising Architect, Treasury Department.

Samples of the stone (properly labelled) proposed to be furnished must be submitted with the proposals, and all proposals must be enclosed in a sealed envelope, endorsed "Proposals for Dimension Stone and Cutting for the United States Court-house and Post Office at Raleigh, N. C., and addressed to
