SENATE.
MONDAY, Jan. 18, 1875.

Prayer by Rev Dr. Atkinson of Presbyterian Church.

President Arrington welcomed positions in a brief and appropriate speech, after which clerk read the journal of Saturday the 19th December, 1874.

On motion of Mr. Albright the roll was called to see if a quorum was present.

A quorum present, 27 Senators answering to their names.

Itemized statement of account of Institution for Deaf and Dumb and Blind, presented by John Nichols, President, was read by the Clerk. Mr. Williamson moved the account be printed. Carried.

Report of W. A Smith on affairs and finances of the Western N. C. Road, on motion of Mr. McElroy was ordered to be printed.

Mr. Jernigan offered resolutions condemning Grant for interference with Louisiana, and Mr. McElroy offered amendment to the resolutions that as a sister State we say to her in the language of Gordon to forbear even unto death. Mr. Busbee moved as many such resolutions were to be offered to refer to a committee. Mr. McElroy then withdrew amendment. Mr. Cantwell then offered a substitute for Mr. Jernigan's resolution, denouncing the military interference of the President in strong terms. (Mr Cantwell is a Republican.) Mr. French favored Mr. Busbee's motion to refer, not that he was opposed to the resolution, but as many more would be offered, that more time should be given to deliberate on them. He was glad that the other side of the chamber had spoken out in favor of patriotic and free government. Motion of Mr. Busbee was adopted.

Mr. Graham a bill to do away with the tax of two pounds which is now exacted by the cotton buyers. Propositions and Grievances.

Mr. Graham, bill to obtain information of State's interest in works of internal improvement.

Mr. Marler, bill to incorporate the Trustees of Statesville Male Academy. Corporations

Mr. Marler, bill requiring all municipal corporations to publish yearly their financial reports. Judiciary. Mr. Latham moved it be printed. Carried.

Mr. Waring moved that Mr. Graham's bill for information from railroads, &c., be printed. Carried.

Mr. Marler, bill to amend Battle's Revisal, moved to be printed—another bill to amend Battle's Revisal—also a bill for protection of fences in Iredell county.

Colored Mr. Tucker, bill concerning larceny.

Mr. Love, a bill to change the time of holding Superior Courts in Clay, Graham, Swain and Macon counties. Judiciary

Mr. Cantwell, resolution in favor of A. D. Young, of Wilmington, to ask Congress to authorize the Southern Claims Commission to adopt measures for early consideration of the claims of North Carolina citizens. The claim of Mr. Young is for thirteen thousand dollars for rice, &c., he was compelled to furnish the Yankee army.

Mr. Graham didn't think we were the body to consider this resolution. We had already made ourselves ridiculous sending resolutions to Congress, Mr. French thought the same. It was time to play quits with Congress—will let them alone if they'll let us alone. Mr. Cantwell replied that both Senators had misconceived their duties on the floor. It was the purpose of this General Assembly to take care of the interest of the citizens of this State. Resolution lies over.

Mr. Busbee, resolution for Internal Improvement Committee to prepare a bill for working the convicts on railroads. Carried.

Senate adjourned until to-morrow morning at 10 o'clock.

HOUSE OF REPRESENTATIVES.
January 18.

At 11 a. m. Mr. Speaker Robinson called the House to order.

Prayer by Rev. Dr. Atkinson.

Mr. Mebane, a joint resolution protesting against the action of the Federal authorities in Louisiana. Calendar.

Mr. Means, a resolution in relation to the Lee Dunlap case. Calendar.

Mr. Pinnix, a resolution raising a joint select committee on Louisiana affairs. Calendar.

Mr. Pinnix, a bill in favor of J. A. Bowen. Calendar.

Mr. Galbraith, a bill to authorize the county of Carteret to compromise its debts. Calendar.

By Mr. Finger, a bill to amend the act to incorporate the town of Hickory, Catawba county. Referred.

By Mr. Finger, a bill to amend chapter 102, laws of 1872-73. Referred.

By Mr. Finger, a bill to prohibit the sale of liquor within one mile of Mott's Grove, Jump Ground. Referred.

By Mr. Finger, a bill to provide for the passage of fish in the Catawba river. Referred.

By Mr. Blythe, a bill to incorporate the Western N. C. Baptist Female College. Referred.

By Mr. Pinnix, a bill concerning proof of handwriting. Referred.

By Mr. Boyd, a bill to provide for the taking of depositions of non-residents in civil actions in for Justices of the Peace. Referred.

By Mr. Means, a bill to punish breaking into uninhabited houses with intent to commit felony. Referred.

By Mr. Griffin, a bill to amend chapter 159 section 9 laws of 1868-'69. Referred.

Leave of bills mostly of a local nature were taken from the Calendar and passed their several readings.

The bill to repeal the annual appropriation of $1500 to the State Agricultural Society was taken up and discussed at great length on its third reading.

Mr. McIver urged its passage.

Mr. Strong opposed it, and wanted the bill recommitted to the Committee on Finance.

Mr. Boyd agreed with Mr. Strong.

Mr. Tate concurred with Mr. McIver. He saw no necessity of sending the bill again before the the Committee. After a long debate the motion to recommit was put and failed.

Mr. Boyd moved to postpone until Friday. The motion was put and lost.

Mr. Gudger offered as amendment repealing that portion of the law which appropriates $50 to counties.

Mr. Means moved to refer to the Committee on Agriculture.

After another long debate the previous question was called. Mr. Martin to refer to the Committee on Agriculture was rejected.

Mr. Gudger's amendment was adopted. The bill then passed its third reading, a vote of yeas 57, nays 13.

Mr. Finger offered a resolution in reference to Louisiana affairs, which was placed on the Calendar.

A message was received from the Senate proposing to raise a Joint Select Committee to prepare resolutions in reference to Federal usurpations in Louisiana. On motion of Mr. Pinnix the proposition was concurred in.

On motion of Mr. Means, the rules were suspended and his resolution in reference to Lee Dunlap case was taken up and adopted.

Adjourned.

We were pleased to see not long since in one of our exchanges, some pretty severe remarks addressed to several persons who, during an interesting lecture by Rev. John S. C. People who cannot refrain from coughing, had better stay away from such places, or else take a bottle of Johnson's Anodyne Liniment with them.

The Penn Mutual
921 CHESTNUT STREET.

1st. Because it is one of the oldest Companies in the Country, and past the day of experiments.

2nd. Because every policy-holder is a member of the Company, entitled to all its advantages and privileges, having a right to vote at all elections for trustees, and thus has an influence in its management.

3rd. Because it has as large a percentage of assets to liabilities as any life Insurance Co. in the Country.

4th. Because by economical management, its ratio of expenses to total income is far below the average of Life Companies. (See Official Insurance Reports.)

5th. Because it has declared more dividends in number, and of a Larger Average Percentage, than any Company in the United States.

For example: Policy No. 16, for $5,000, has been paid to the widow of a Philadelphia Merchant, upon which twenty-three dividends had been declared. Averaging fifty-seven per cent. Had these dividends been used to purchase additions to this Policy, $6,046 more would have been realized,—making the Policy worth $11,460.

6th. Because it is liberal in its management, prompt in its settlements, safe beyond a contingency, and its rates are as low as any first-class Company in the Country.

PRINCIPAL FEATURE.—Small expenses, absolute security, large return premiums, prompt payment of losses, and liberality to the insured.
