EDUCATIONAL ASSOCIATION.—The 3rd annual meeting of the Educational Association of North Carolina will be held in the city of Raleigh, commencing Wednesday, July 14th, 1875.

A programme of proceedings will be published in a few days.

Papers friendly to the Association will please notice.

By order of the Executive Committee.

JOHN E. DUGGAN, Secretary.

The republicans of Wisconsin advocate a gradual return to specie payment, no third term, the tariff for revenue to be so adjusted as to be the least oppressive to the people, the State to control the railroads within its borders, and applauded the efforts to furnish revenue funds.

A fair petitioner for divorce in Kentucky is thirteen years old, and the ground of her petition is that her husband abandoned her more than a year ago.

The City.

Raleigh has 33 practising lawyers. That will do. That is one attorney for every 33⅓ of the citizens.

In the Supreme Court the causes set to the end of the docket, will not be reached until Monday week.

A new granite quarry has been discovered on the lands of Mr. Leu. H Adams, living near this city.

The grand jury for Wake found an indictment against Scott Partin for the killing of his wife and child, on the night of Feb. 13, 1875.

Religious. There will be special service at Edenton Street Methodist church to-morrow at eleven o'clock. Sermon to parents. The Sabbath School will participate in the exercises.

A gentleman from the country is having a number of photographs of Scott Partin, the murderer, struck off for distribution. This is a good way to lead to the fiend's detection and capture.

The Orphan Entertainment, prevented by rain last Thursday evening, has been postponed till next Monday evening, the 12th inst. The exercises will commence in Metropolitan Hall, on that evening, at 8 o'clock precisely.

The National Banks of this city refuse to publish an annual report of their financial condition, as required by the act of assembly. The Attorney General will insist on the report being made.

"Many Citizens," by posters on the streets, call a meeting to discuss the question of funding the city debt, to be held at the court house on Monday night next at 8 1-2 o'clock. Let there be a full turn out.

We are informed by a gentleman of distinction who attended the recent Commencement at Randolph Macon College, Va., that our promising young townsman, Joseph Crowder, son of our merchant at the Marble Hall, has made a fine record in that institution and received certificates of distinction on. We are pleased to record it when young men make reputation for themselves and the State abroad. May he go on with brightening success.

A Maguin, late county Treasurer of Wake, was indicted for embezzlement. The case was called in the Superior Court, before Judge "Greasy." The Solicitor entered a *nol. pros.*, and Mr. Magnin goes free. Whether guilty or innocent, should he not have been tried? Solicitors are employed to prosecute, not to enter "nol. prosses" against officials whom the Grand Jury indict.

CENTENNIAL GAZATEER.—This is an excellent and useful work, and should be found in every library. Mr. R. C. M. Young is the sole agent for this city, and is canvassing for the book.

The annual meeting of Raleigh (Oakwood) Cemetery Association was held at the Citizens National Bank on Thursday last, 8th inst. Hon. R. F. Moore was called to the chair. After organization Mr. Kemp P. Battle was unanimously chosen President, Mr. Charles Dewey Vice-President, and the following gentlemen Directors, viz: Messrs. T. H. Briggs, W. E. Anderson J. M. Heck, P. F. Pescud, W. R. Cox, J. H. Separk, A. B Andrews, and R S. Tucker. The following important resolutions were adopted which we publish for the benefit of our city readers—particularly those who may be in arrears to the Association for their lots:

Resolved, That further burials than those now existing shall be made on any lots until it shall be paid for or secured and on lots where no burials now exist; no burial shall be made until such lots be paid for or secured.

No Director shall give an order for purchase of lots, or for interments unless the same is accompanied by the cash.

That the Directors be instructed to prosecute all parties who may injure in any manner the shrubbery, flowers, &c., of the cemetery.

That the Directors be instructed to make arrangements if possible with the lot owners by which the care of all lots shall devolve upon the association at prices to be agreed upon.

A girl 13 years of age, living in England married a street preacher, aged 23. And it is called extraordinary. The records of the Supreme Court of North Carolina show the case of a girl who married first at the age of twelve, and was married two other times, and died a three-ply widow before she was nineteen years of age.

Gov. Bard has finally "turned over the Atlanta Postoffice." Heavy job that.

STATE EXPENSES, CONSERVATIVE VS. RADICAL—LET THE PEOPLE READ.

Proper care and economy in handling the people's money is a great virtue in any political party. Extravagance, waste and peculation should crush it in the eyes of all good citizens. North Carolina is poor, and the party that practices economy in her administration seeks her greatest good. The following carefully prepared table shows who are the political friends of our Commonwealth:

	For two years of Radical rule.	For the year ending 30th, 1870.	For the year ending September 30th, 1869.	General Assembly 1868 Special Sess.	For the year ending September 30th, 1871.	For the year ending September 30th, 1872.	For the year ending September 30th, 1873.	For the year ending Sept. 1874	Total 5 years Conservative rule
	430,644.00	163,481.70	191,102.12	768	117,889.17	81,279.20	87,900.20	81,436.40	808,836.17
Public Printing	60,185.49	54,603.85	28,110.80		22,292.01	14,445.91	10,924.25	13,196.14	66,003.31
Contingencies	134,891.48	67,884.95	34,682.06		36,274.78	29,306.25	26,810.50	30,267.14	117,626.67
Other ordinary Expenses	270,324.64	146,880.95	76,005.64		94,506.06	93,176.85		about 100,000.00	385,682.14
Bolton's War Impeachment	76,607.61	76,742.70	1,854.91		13,088.06				13,088.06
Total.	$968,153.80	$475,422.97	$332,755.53		$284,150.12	$218,161.19	$225,635.20	$224,899.68	$1,346,381.99

It will be seen from the above estimates that the last *four* years when the administration of the State affairs has been to some extent controlled by conservatives, the public expenses have been less by $25,775.81 than that spent by the radicals in two, a difference sufficient in itself to defray the entire cost of a Constitutional Convention. By an amendment already made to the Constitution the General Assembly meets only once in two years, (an amendment passed by Conservative effort) so that the expense of the last Legislature, $109,168.80, should be divided by two to show a proper per annum expense.

Now let us estimate the probable cost of the Constitutional Convention:

120 delegates at $5.00 per diem,	$600.00
2 Doorkeepers, $3.00 per diem,	10.00
2 Clerks, at $5.00 per annum,	10.00
2 Pages, at $2.50 per annum,	5.00
Contingent,	10.00
Total,	$635.00

Estimate the duration of the Convention at 30 days and we have:

	18,050.00
Mileage,	6,000.00
Printing, &c.,	6,000.00
Total cost of Convention,	$30,050.00

The voting population is about 200,000, so that the cost of Convention will be *fifteen cents to the voter*. The property however pays the tax, and we multiply the taxable value of the property of the State at $150,000,000, we find the cost of Convention but 20 *cents on the thousand dollars*.

In alluding to the four years of Conservative rule we say "to some extent" because they have not had the entire control of the State. If so much is saved when only the Legislative branch is conservative what would be the result if all were in their hands? Much of this expense also could be saved were it not forced on us by our ill-advised Constitution.

It is hard to give figures a party bias. They are inflexible, but stand out a stern truth, a right fact, and if the people of North Carolina are wise they will heed the lesson they teach.

X.

NO BODY HURT.

On yesterday the Treasurer was called upon by Dr. Hawkins and his Blue Bones gang, the Raleigh and Augusta Air-Line for $60,000 of the mortgage bonds of that company, and they put in their place 60,000 of the State bonds, worth ten cents. But the "State lost nothing," while Hawkins and Company made 90 cents in the dollar. Under such exchange Hawkins and Company can run Stone & Uzzell to the extent of $25,000 more.

The Raleigh *News* says "the State loses nothing. Lincoln said after the first great battle of the late war "*no body hurt.*" So Hawkins and his organ can say "*no body hurt.*"

GENERAL INTELLIGENCE.

[Condensed for the Daily Sentinel.]

The democrats of Minnesota have nominated O. L. Buell for Governor.

Heavy floods are reported in the West. It is singular that both hemispheres have suffered in an almost unprecedented manner this summer from storm and floods.

Leader and Price have been indicted, but Price will escape at State's evidence. Mrs. Tilton before Grand Jury gave testimony denying the accusation of Leader and Price.

An investigation of the Hampton Roads disaster begins to-day, at the Custom House in Portsmouth, before the inspector of steamboats for the District.
