SUBSCRIBERS.

TO ALL OF THE LIVING SUBSCRIBERS AND READERS OF THE SENTINEL FROM ITS FOUNDATION.—

All persons now living, who have ever been subscribers and readers of the *Sentinel* since its establishment by the late and lamented Rev. Wm. E. In everything that is desirable, we promise to make it equal to what the *Sentinel* ever was, either under the management of Mr. Pell or Mr. Turner.

ADVERTISERS

TO THE OLD ADVERTISING PATRONS OF THE SENTINEL:—

The old patrons of the Sentinel in Raleigh are respectfully and earnestly solicited to resume business relations with the paper, and renew their contracts. It is especially desired to have them do so before the first of July, as the paper will on that date appear entirely renewed and perfectly restored. All advertisements handed in under such contracts, between this and July, will be published to that date free of charge.

Mr. John C. Syme, an old institution of the Sentinel is on hand, and will make contracts to date from the beginning of the last half year, with pleasure.

THE CITY CASE—A RETURNING SENSE OF PROPRIETY IN JUDGE WATTS.—On yesterday the defendants in the case of Gorman and others against Manly and others perfected their appeal by giving the necessary bond, notices and other legal formalities. During the afternoon counsel called the attention of Judge Watts to the fact that notwithstanding the appeal the clerk had issued writs of mandamus to the sheriff, and the sheriff was proceeding to execute them. His Honor expressed an opinion that the appeal acted as a supersedeas, and that the sheriff ought to take notice of the appeal and ought to return the writs to the clerk.

Mr. Tourgee, of counsel for the plaintiffs, made a violent argument in opposition, contending that by the appeal the case was transferred to the Supreme Court, and that Judge Watts had nothing to do with it.

Judge Watts stated that he agreed with the counsel that the case was in the Supreme Court and that, therefore, the sheriff ought not to execute the writs issued from the Superior Court until the appeal was determined in the Supreme Court.

This opinion of his Honor is regarded by all the lawyers of the city, except Gorman's coterie, as clearly right, and we are glad to note that notwithstanding the partisan bias exhibited on Saturday there are some positions that even Gorman's counsel cannot make his Honor take, in plain opposition to the law. This case, together with the mandamus case of April last, will be argued in the Supreme Court about the middle of July.

THE GRAND JURY.—The following is the list of the grand jury which has been empanelled for this term. It should have appeared yesterday: H. D. Dunn, (foreman,) H. L. Edwards, David Massey, Jos. Blake, J. J. Bailey, Alvin Olive, T. G. Jenkins, Jos. Brooks, Mad. Barbee, Sidney Horton, W. A. Sturdivant, W. H. Bunch, R. C. Branch, Henry Stanton, Burton Dupree and Lowe'l Turner.

The National Star Companion Serenading Club is now one of the institutions of the city. It is composed of six colored men who possess fine voices, the basso and tenor being particularly good. Last evening they gave the guests of the National a specimen of their vocalistic abilities.

At the meeting of Manteo Lodge, No. 8, I. O. O. F., this evening, the election of officers will take place, and it is highly important that every member of the lodge should be present to assist in selecting the best men to fill the various offices.

The radicals of this township held a meeting last night in the court-house, and appointed John Flagg, Frank Menninger and Frank Thomas delegates to the county convention, which was held to-day in Metropolitan hall. Joe Worth, a drunken darky, created all the fun by falling over the banisters, narrowly escaping a journey to kingdom come.

THE ZEB. VANCE CLUB.—Last evening, according to previous adjournment, the Young Men's Zeb. Vance Club met at Metropolitan hall and the meteing was very largely attended. Over sixty names were added to the list of membership. Short addresses were made by a number members, all with good effect. A committee of three were appointed to communicate with Hon. Z. B. Vance, and request him to open the campaign in this city under the auspices of the club. This committee is composed of W. R. Gales, W. M. Barbee and E. A. Jones. The meeting adjourned about 11 o'clock. All young men of this township who are in affiliation with the democratic party, who have not yet joined the club, are requested to attend the meeting and do so.

ELECTION OF OFFICERS.—At a regular session of Raleigh Lodge, No. 85, I. O. O. F., held at their hall on last evening, the following officers were elected for the ensuing term:

N. G.—LeRoy G Bagley.
V. G.—Jas. J. Lewis.
Rec. Sec'y—Geo. L. Tomolski.
Financial Sec'y—E. A. Carver.
Treasurer—W. H. Hicks.

REDUCED RATES FOR THE CENTENNIAL.—We call attention to the announcement of the Raleigh & Gaston railroad, to be found in another column, giving a schedule of reduced rates from this place, and points along the line, to Philadelphia. Round trip tickets to Philadelphia will be sold at all the stations on this railroad on the morning of June 30th at greatly reduced prices. Though the sale of these reduced tickets is limited to one day, June 30th, yet when once purchased are good for 30 days. Holders of these tickets will be required to leave on the northern bound train, Friday, June 30th, but can return on any of the regular trains within the time specified. Read the advertisement.

THE REPUBLICAN COUNTY CONVENTION.—This black and tan body met to-day at 12 m., at Metropolitan hall for the purpose of appointing delegates to the state and district conventions. But very few townships had genuine representatives even so far as the Africans are concerned. The usual squabble took place over proxies and is proceeding at this writing. R. C. Badger was made chairman and Eaton Bledsoe secretary. But very few whites, outside of the office-holders, appeared to take any part in the deliberations and the attendance of darkies was unusually slim. The wrangle was a lively one, and was proceeding in a vigorous manner when our columns closed.

THE FREE SCHOOL.—At a meeting of the members of Swain Street Baptist church, last night, it was decided to open the proposed free day school in the church on July 5th. A board of trustees, consisting of seven members of the church, were elected, and a sufficient sum of money raised to make the opening of the school a certainty at the time mentioned. One first-class teacher will be employed at first, and the number increased in a short while. The school will be open to all, without regard to sect—entirely non-sectarian. The trustees, however, reserve the right to reject any applicant. All persons desiring to have their children enter the school should make application to N. B. Broughton, chairman of the board of trustees. A Bible school will also be taught on each Wednesday evening for the benefit of members of the church.

SUPREME COURT.—Court met this morning at 9 o'clock. All the Justices present.

Call of causes from the 8th district was resumed as follows;

State vs Robert Orrell, from Davie. Argued by Attorney-General Hargrove and Bailey for plaintiff, and J. M. Clement contra.

State vs Shepherd Johnson, from Forsythe. Argued by Attorney-General Hargrove and Bailey for state. No counsel for defendant.

A. Henly vs J. B. Lanier, from Davie. Argued by J. M. Clement for plaintiff, and Shipp & Bailey for defendant.

J. L. Blackwell vs J. A. Claywell et al, from Yadkin. Argued by J. M. Clement and J. M. McCorkle for plaintiff, and John Gray Bynum for defendants.

Appeals from the 9th district were then called as follows:

Lewis vs Sloan, from Lincoln. Left open.

Finley, Roberts & Co. vs J. W. Gidney, administrator, from Cleaveland. Argued by Battle, Battle & Mordecai for plaintiffs. No counsel for defendant.

Justice vs Hulda Eddings, from Cleaveland. Papers handed up to court.

Court adjourned until to-morrow at 9 o'clock, when appeals from the 9th district will be called peremptorily.

SUPERIOR COURT.—Court met this morning at 10 o'clock, Judge Watts presiding. The only case of importance taken up was State vs James Smith charged with murdering Hepsey Austin, a white woman of this county in the winter of 1874. Smith submitted to a verdict of manslaughter and prayed the mercy of the court. One version of the case was that Smith killed the woman because she would not marry him, but the evidence was that the woman had been his paramour for some years. The plea was set up that Smith is of non-sane mind, and in consideration of this fact the Judge only gave him two years in the penitentiary.

SUPREME COURT DECISIONS.—Opinions were filed to-day in the following cases and in the following order:

Are you billious? Do you feel drowsy? Have you the "blues"? Take a dose of Dr. Bull's Vegetable Pills.

The huge, drastic, griping, sickening pills constructed of crude, coarse and bulky ingredients, are fast being superseded by Dr. Pierce's Pleasant Purgative Pellets, or Sugar-coated, Concentrated Root and Herbal Juice, Anti-Bilious Granules—the "Little Giant" Cathartic or Multum in Parvo Physic. Modern Chemical Science enables Dr. Pierce to extract from the juices of the most valuable roots and herbs their active medical principles, which, when worked into little Pellets or Granules, scarcely larger than mustard seed, renders each little Pellet as active and powerful as a large pill, while they are much more palatable and pleasant in effect.

Dr. Ira A. Thayer, of Bacoualburg, Ohio, writes: "I regard your Pellets as the best remedy for the conditions for which you prescribe them of anything I have ever used, so mild and certain in effect, and leaving the bowels in excellent condition. It seems to me they must take the place of all other cathartic pills and medicines."

Lyon & Macomber, druggists, Vermillion, D. T., says: "We think they are going to sell like hot cakes as soon as people get acquainted with them, and will spoil the pill trade, as those that have used them like them much better than large pills."

THE GRAND SECRET OF BEAUTY is health. The secret of health is the power to eat, digest and assimilate a proper quantity of wholesome, nutritious food. This can never be done when the liver does not act its part. It is the great griving wheel in the mechanism of man, and when it is out of order, the whole organization becomes deranged, and fever, dyspepsia, sick headache, constipation, sundice, bilious colic, kidney disease and general debility ensues. To restore the normal functions of the liver and impart that beauty, which always attends a healthy, robust constitution, DR. TUTT'S VEGETABLE PILLS are conscientiously recommended. They are designed solely for the disordered liver and the disease which it produces. They are not a cure-all but in the cases mentioned they rarely over fail to effect a cure. —jun 25-w1w.

A NEW MUSTARD PLASTER.—The medical value of a mustard plaster is understood in every family. Much time is spent in preparing a poultice and often the mustard is of poor quality and will not act, causing great suffering. This trying inconvenience is now perfectly overcome by Benson's Prepared Mustard Plaster. It is a great improvement on the ordinary article. It is very clean and can be applied and removed without discoloring the clothing or soiling the skin. It does not deteriorate with age. It is always reliable, as only the best quality of mustard seed is used in its preparation. It is ready for use at any moment, by simply dipping it in water. It is sold in half yard pieces at 25 cents per roll by all druggist. Sent by mail on receipt of price, by

At a business meeting at the Second Advent Church in Lowell, Mass., Wednesday night, Mrs. M. B. Pettiplace, wife of the pastor of that church, presented charges of adultery, abuses and lying against her husband. A committee at once waited upon the accused, who, taken by surprise, confessed the truth of the charges that he had committed adultery with a nurse in his employ. Yesterday he resigned his pastorate and the Christian ministry.
