Kerosene Murder!
It is a matter of growing astonishment that the almost
DAILY RECORD OF LOSS OF LIFE
and property through
Kerosene Explosions.
does not provoke some sort of special legislation upon the sale of dangerous Fluids throughout the land.
WICKED FRAUDS in the sale of DANGEROUS OILS, are still daily perpetrated, and their authors go unhung though their victims (constantly increasing in number,) are called to meet the
MOST HORRIBLE DEATH
known to man. These victims are for the most part women who if they escape death, are obliged to undergo what is hardly less cruel to a young and beautiful woman,
DISFIGUREMENT FOR LIFE!
The Public ought to know, (surely it has been often enough told,) that
