Poetry.

BISHOP ELLIOTT.

The following beautiful lines were suggested by the seal of the Right Reverend Stephen Elliott, D. D., the crest of which was a bullock and the motto: "For Labor—For Sacrifice."

I.

The cream was of the kindliest strain,
That ever meadow drew
From sunlight and the summer rain,
From starlight and the dew!
That left no stain in yonder vein
save Heaven's—the sapphire blue;
That gentleman we know,
The gentle and the true.
The Knight, whose signet bore
The Bullock—and no more!
The quaint device of "Sacrifice,"
And "Labor," and, no more!

II.

And matchless sweet the golden wheat
That must have moulded him,
A man complete, from head to feet,
God-like, in soul and limb,
That gave his face the Lion's place,
His stalwart—who smiles like him!
And, tremulous and dim,
Thro' tears we think of him;
The Knight, whose signet bore
The Bullock—and no more,
The quaint device by "Sacrifice,"
And "Labor" won of yore!

III

Upon no statelier sight
The circling sun hath smiled,
Not oak of loftier height
Dropped shade so sweet and mild
When love came down like light
And happiness grew wild,
The Sage, the little child,
Peasant and Prince have smiled
Around his knee, who bore
The Bullock—and no more.—
The quaint device of "Sacrifice"
His father won of yore—
Which he shall wear no more!

IV.

For he is dead! Beneath the tread
Of battle—in the roar
That rent the sod, his face to God,
He went and came no more!
The fragrance of the path he trod
In "Short cut" is o'er;
Yet all the kindliest rays,
Of all the knightliest days,
Kindle forevermore,
Around the cross He bore,
Around the quaint device,
Of "Toil" and "Sacrifice,"
That our great Bishop wore!

BALTIMORE LOCK HOSPITAL.

BALTIMORE, MD.

OFFICE—7 SOUTH FREDERICK STREET.

DR. JOHNSON,

Physician of this celebrated Institution, discovered, while in the Great Hospitals of Europe, viz: England, France and elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all excesses or abuses of the system.

Weakness of the Back or Limbs, Stricture, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—SECRET and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible, destroying both body and mind.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power (Impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately Cured and full Vigor Restored.

This distressing Affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands this subject will pretend to deny that the power of procreation is lost sooner by those failing into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE SPEEDILY WARRANTED.

Persons ruined in health by unlearned pretenders who keep them trifling month after month, taking poisonous and injurious compounds, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate of one of the most eminent Colleges in the United States, and the best part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, uniting them for either business, study, society or marriage.

These are some of the sad melancholy effects produced by the early habits of youth; viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disorganized of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

Who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyment of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, fleece his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment; or, by the use of that deadly poison, Mercury, cause the constitutional symptoms of this horrid disease to make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful suffering, by sending him to that undiscovered country "from whose bourne no traveler returns."

To such, therefore, Dr. Johnson offers the most certain, speedy, pleasant and effectual remedy in the world.

Office, 7 South Frederick St., Baltimore, Maryland.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

☞ No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age and send a portion of advertisement describing symptoms.

The Doctor's DIPLOMA hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousand cured at this establishment within the last twenty years, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the Representatives of the Press and many others, notices of which have appeared again and again before the public, besides his standing as a man of honor and responsibility, is a sufficient guarantee to the afflicted.

SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.

2d. No extra charge on the lives of Females.

3d. Policies Incontestible after Five Years.

4th. The rates of Interest on the Funds of the Company higher than those on the Funds of Companies located in other States, thus insuring larger Dividends to Policy Holders.

5th. The Directors and Officers of the Company are prominent NORTH CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.

6. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to $500,000.

7th. ALL THE FUNDS OF THE COMPANY ARE INVESTED IN THIS STATE AND CIRCULATED AMOND OUR OWN PEOPLE. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of thousands of Dollars in Life Premiums are annually sent North to enrich North Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this HOME INSTITUTION, which, while it offers substantially all the advantages of Northern Companies, helps to build up HOME INTERESTS.
