THE THREE BELLS.*

BY JOHN G. WHITTIER.

Beneath the low-hung night cloud,
That raked her splintering mast
The good ship settled slowly,
The cruel leak gained fast.

Over the awful ocean
Her signal guns pealed out
Dear God! was that th answer
From the horror round about?

A voice came down the wild wind,
"Ho! ship ahoy!" its cry:
"Our stout Three Bells of Glasgow
Shall stand till daylight by!"

Hour after hour crept slowly,
Yet on the heaving swells
Tossed up and down the ship-lights,
The lights of the Three Bells!

And ship to ship made signals,
Man answered back to man,
While oft to cheer and hearten,
The Three Bells nearer ran:

And the captain from her taffrail
Sent down his hopeful cry,
"Take heart! Hold on!" he shouted,
"The Three Bells shall stand by!"

All night across the waters
The tossing lights shone clear,
All night from reeling taffrail
The Three Bells sent her cheer.

And when the dreary watches
Of storm and darkness passed,
Just as the wreck lurched under,
All souls were saved at last.

Sail on, Three Bells, forever,
In grateful memory sail!
Ring on, Three Bells of rescue,
Above the wave and gale!

As thine, to night and tempest,
I hear the Master's cry,
And, tossing through the darkness,
The lights of God draw nigh!

*Many readers will remember Capt. Leighton of the English ship Three Bells, who some years ago rescued the crew of an American vessel sinking in mid-ocean. Unable to take them off in the storm and darkness, he kept by them till morning, running down often during the night as near them as he dared, and shouting through his trumpet, "Never fear! Hold on! I'll stand by you!"

DEFAULTERS UNDER GRANT.

Mr. Boutwell Makes a Slight Error in his Speech at Augusta, Maine, on the 8th instant.

Mr. Boutwell, Secretary of the Treasury, in a speech delivered in Augusta, Maine, on Thursday last, said "that the defalcations under the Administration of President Lincoln was $2,700,000; under the Administration of President Johnson, $4,700,000, and under Grant but $64,000." Now, to show that the statement of this honorable Secretary was false, we beg leave to present the names of only a few who, since the Administration of President Grant began, have defrauded the Government, and the amount of their defalcations:

J. Ledyard Hodge, paymaster United States army,	$450,000
James Norton, New York post office,	115,000
Joshua F. Bailey, collector internal revenue, New York,	133,000
Dr. W. T. Collins, pension agent, Washington, D. C.,	60,000
General Wm. A. Lawrence, pension agent, New York,	47,000
F. S. McCartey, post office, Washington,	30,000
Charles E. Edwins, clerk in Treasury, Washington, D. C.,	8,500
Seth Johnson, clerk in the Treasury, Washington, D. C.	50,000
Fred. A. Marden, clerk in the Treasury, Washington, D. C.	12,000
George D. Oner, collector of internal revenue, Fifth District, Missouri,	100,000
John A. Phillips, deputy collector internal revenue, New York,	30,000
Morgan L. Harris, collector Seventh District, New York,	240,000
Barton Able, collector internal revenue, Missouri,	250,000
W. B. Forbes, pension agent, Philadelphia,	25,000
W. A. Britton, United States marshal, Arkansas,	121,000
Marshall S. P. Low, clerk, mailing department, Boston,	30,000
——Reed, postmaster, at Jacksonville, Fla.,	17,000
	$1,717,500

This is but a very few of the defaulters under Grant, but quite enough to show that the Secretary of the Treasury was guilty of slightly "modifying the truth," as Jean Paul genteelly has it, when he made the above statement.—*Washington Patriot*

BALTIMORE LOCK HOSPITAL.

BALTIMORE, MD.

OFFICE—7 SOUTH FREDERICK STREET.

DR. JOHNSON,

Physician of this celebrated Institution, discovered, when in the Great Hospitals of Europe, viz: England, France and elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all excesses or abuses of the system.

Weakness of the Back or Limbs, Strictures, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Papitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—SECRET and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible, destroying both body and mind.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power (Impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately Cured and full Vigor Restored.

This distressing Affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands this subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE SPEEDILY WARRANTED.

Persons ruined in health by unlearned pretenders who keep them trifling month after month, taking poisonous and injurious compounds, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate of one of the most eminent Colleges in the United States, and the best part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad melancholy effects produced by the earthly habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

Who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyment of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment; or, by the use of that deadly poison, Mercury, cause the constitutional symptoms of this horrid disease to make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful suffering, by sending him to that undiscovered country "from whose bourne no traveler returns."

To such, therefore, Dr. Johnson offers the most certain, speedy, pleasant and effectual remedy in the world.

Office, 7 South Frederick St., Baltimore, Maryland.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age and send a portion of advertisement describing symptoms.

The Doctor's DIPLOMA hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousand cured at this establishment within the last twenty years, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the representatives of the Press and many others, notices of which have appeared again and again before the public, besides his standing as a man of honor and responsibility, is a sufficient guarantee to the afflicted.

SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.

2d. No extra charge on the lives of Females.

3d. Policies Incontestible after Five Years.

4th. The rates of Interest on the Funds of the Company higher than those on the Funds of Companies located in other States, thus insuring larger Dividends to Policy Holders.

5th. The Directors and Officers of the Company are prominent NORTH-CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.

6. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to $500,000.

7th. ALL THE FUNDS OF THE COMPANY ARE INVESTED IN THIS STATE AND CIRCULATED AMONG OUR OWN PEOPLE. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of thousands of Dollars in Life Premiums are annually sent North to enrich North Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this HOME INSTITUTION, which, while it offers substantially all the advantages of Northern Companies, helps to build up HOME INTERESTS.
