MEDICAL.

BALTIMORE LOCK HOSPITAL.

BALTIMORE, MD.

OFFICE—7 SOUTH FREDERICK STREET.

DR. JOHNSON,

Physician of this celebrated Institution, discovered, when in the Great Hospitals of Europe, viz: England, France and elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all excesses or abuses of the system.

Weakness of the Back or Limbs, Strictures, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible, destroying both body and mind.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power (Impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately Cured and full Vigor Restored.

This distressing Affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands this subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE SPEEDILY WARRANTED.

Persons ruined in health by unlearned pretenders who keep them trifling month after month, taking poisonous and injurious compounds, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate of one of the most eminent Colleges in the United States, and the best part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad melancholy effects produced by the earthly habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

Who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyment of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, fleece his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment; or, by the use of that deadly poison, Mercury, cause the constitutional symptoms of this horrid disease to make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful suffering, by sending him to that undiscovered country "from whose bourne no traveler returns."

To such, therefore, Dr. Johnson offers the most certain, speedy, pleasant and effectual remedy in the world.

Office, 7 South Frederick St., Baltimore, Maryland.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

☞ No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age and send a portion of advertisement describing symptoms.

The Doctor's DIPLOMA hangs in his office.

ENDORSEMENT OF THE PRESS.

The many thousand cured at this establishment within the last twenty years, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the Representatives of the Press and many others, editions of which have appeared again and again before the public, besides his standing as a man of honor and responsibility, is a sufficient guarantee to the afflicted.
