### Unheard of Bargains!

AT THE INDEFATIGABLE ENDEAVORS TO PLEASE THE PUBLIC SO HARD GOODS

Ye muses nine, inspire my pen,
To sing of Fayetteville street, No 10
Who tries his best to please his friends
And in his labors never ends.
Bargains he'll give you when you call
For No. 10 is all and all.
Other houses you hear them talk;
In Fayetteville street just take a walk
And only ask for No. 10,
Kept by the most ingenious of men,
And when his friends by chance drop in
Then forth he comes, Lord what a grin,
And to their wondering eyes displays
Such heaps of brackets and window shades.
His pictures are exposed to public view
And a variety of cord to suspend them too,
His looking glasses and toilet cases
Will help adorn our looms and faces;
Picture frames and mouldings too
In great variety, black, brown and blue.
His window cornices and lambrequins fine,
will make your rooms and parlor shine.
Perforated mottoes, and white holly baskets,
And every other sort of stuff,
Of which he hopes to have enough.
So now he bids your all adieu
And wishes a happy new year too.
And not forget

C. C. Clawson,
No. 10 Fayetteville St.

# LIVER

This important organ weighs but about three pounds, and all the blood in animal passes through it every five minutes. It separates the bile from the blood, but secreted through the veins to all parts of the system, and in traveling through the pores of the skin, causes it to assume a yellow or dirty brown color. Then it becomes diseased, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Dizziness, Mental Depression, Fever, Piles, Sick and Sour Stomach, and general debility follow. Mt. Auburn's Hepatine, the great vegetable discovery for torpidity, disease of the liver, or biliousness, in its action upon the liver is prompt and decisive, and the effect of even a few doses upon yellow complexion or a brown dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given.
