JOHN SHERMAN'S MODEST BID.

He Puts Himself in the Field for the Presidential Race—His "Jacksonian" Platform.

New York Herald, May 23.

The following letter, addressed by Secretary Sherman to a prominent War Democrat, in this city, who was associated with Mr. Sherman in the XXXVth and XXXVIth Congresses, forms an interesting addition to the political history of the day:

TREASURY DEPARTMENT,
WASHINGTON, May 10, 1879.

Dear Sir. Your personal letter of the 8th is received. I assure you that, although very much hurried while I was in New York, I would have made an appointment of time and place to see you, but there was no address upon your card, and I did not know where to send you word.

The movement to start me as a candidate for Governor of Ohio was merely sensational, and while it would have been very heartily responded to in Ohio, and no doubt would be successful in the sense that I could be elected Governor, it would clearly be wrong for me to entertain it. So many persons are interested in the continued success of refunding and resumption that it would seem like the desertion of a public duty, and I would never be forgiven if any hindrance should occur in the way of either.

What I would aspire to in case public opinion should decide to make me a candidate for President would be to unite in co-operation with the Republican party all the National elements of the country that contributed to or aided in any way in the successful vindication of national authority during the war. I would do this, not for the purpose of irritating the South or oppressing them in any way, but to assert and maintain the supremacy of national authority to the full extent of all the powers conferred by the constitution. This I understand it, is the Jacksonian as well as the Republican view of national powers.

* * * * * * *

You see my general ideas would lead me to lean greatly upon the War Democrats and soldiers in the service who have been influenced by political events since the war to withhold support from the Republican party.

The true issue for 1880 is national supremacy in national matters, honest money and an honest dollar.

Very truly yours,
JOHN SHERMAN.

Confidence in Roscoe's Greatness.

Pittsburg Dispatch.

Senator Conkling has had honors heaped thick upon him, but he will doubtless admit that the highest compliment ever given him is that just tendered by Mrs. Bruce, wife of the colored senator. It is her first, and she has named it Roscoe Conkling Bruce. In these times, when it is decidedly risky to name children for alleged great men, such a mark of sublime confidence will be appreciated.

A Question of Maternity.

Baltimore Gazette.

Congressman Ben Butterworth has been telling the country that the Grant movement is born of the people and not of the politicians. It is quite evident that Mr. Butterworth is the victim of an accouchement fraud. It is not the first time, however, that the nativity of a questionable child has been successfully saddled upon the wrong person.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person about three gallons passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes inactive it is not separated from the blood, but is held through the system to all parts of the system, and in trying to escape through the pores of the skin, makes them yellow or a dirty brown color. The stomach becomes diseased, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Acid Sour Stomach, and general debility follow. MERRELL'S HEPATINE, the great vegetable discovery for Liver Complaint, is the agent to throw off from each liver the poisons and filth, so that the blood passes through it, taking as there is an excess of bile, either cures a few doses upon yellow complexion or a healthy looking skin, will astonish all who try it—fully being the first symptoms to disappear. The cure of all other diseases of the liver implied is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and needless to say that arises from the Liver can exist if a fair trial is given.

LUNGS

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupefies, as the work of death goes on. So you will be quiet if Opium or Morphine, or any preparation of Opium, Morphine or Prussic Acid, can be found in the GLOBE FLOWER COUGH SYRUP, which has cured people who are living to day with but one remaining lung. No greater wrong can be done than to say that Consumption is incurable. GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also, Colds, Cough, Asthma, Bronchitis, and all diseases of the throat and lungs. Read the testimonials of the Hon. Alexander H. Stephens, Gov. Smith and Ex-Gov. Brown of Ga., Hon. Geo. Peabody, as well as those of other remarkable cures in our book, free to all at the druggists, and be convinced that if you wish to be cured you can be by taking the GLOBE FLOWER COUGH SYRUP. Take no Trochees or Lozenges for Sore Throat, when you can get GLOBE FLOWER SYRUP at same price. For sale by all Druggists.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Diseases in a thousand is treated without the use of Mercury in some form. Mercury cuts the body and the diseases it produces are worse than any other kind of blood or skin disease. Dr. Parkinson's Vegetable Specific is the best blood purifier in the world. It is the only one of the many so called blood purifiers that does not contain Mercury, or any other mineral poison. It is purely vegetable and harmless. Sold by all Druggists. Price $1 per bottle. GLOBE FLOWER COUGH SYRUP and MERRELL'S HEPATINE for sale by all Druggists everywhere.

DR. TUTT has succeeded in combining in these pills the heretofore antagonistic qualities of a STRENGTHING, PURGATIVE, and a PURIFYING TONIC.

Their first apparent effect is to increase the appetite by causing the food to properly assimilate. Thus the system is nourished, and by their tonic action on the digestive organs, regular and healthy evacuations are produced.

The rapidity with which PERSONS TAKE ON FLESH while under the influence of these pills, indicates their adaptability to nourish the body, hence their efficacy in curing nervous debility, melancholy, dyspepsia, wasting of the muscles, sluggishness of the liver, chronic constipation, and imparting health & strength to the system. By Hon. A. W. Tourgee.

We are happy to announce to the legal profession that this valuable work is now ready for delivery to subscribers.
