Committee of Arrangements—G. W. Blunt, S. F. Beggs and A. Barnes, Esqs.

Depository—Bank of Wilson.

Advisory Board—John Nichols, Esq., Raleigh, W. F. Davis, Esq., Kittrells, A. Williams, Esqs., Oxford, Maj. J. P. Jenkins, Nashville, J. M. Thorp, Esq., Rocky Mount, Dr. H. W. King, James W. Lancaster and Jas. E. Clark, Esqs., Wilson.

While this enterprise is now conducted under the direct auspices of any Lodge, yet its object is to aid that noble institution, the Oxford Orphan Asylum, which was established by the Grand Lodge of the state, and the management is entirely in the hands of members of the order.

The object is exclusively for the benefit of the Orphan Asylum and the Committee deem it unnecessary to make any extended appeal to the people of North Carolina in behalf of an institution which is so worthy of their support. The low price of the tickets places it in the power of every one to aid a noble cause, and at the same time the chances of being reimbursed are unusually favorable.

It is confidently believed that these terprises will be successful, and if from any cause there should be no Concert and distribution, all the money received from the ticket holders shall be returned to them without discount.

Tickets sold will be entitled to a chance for the gifts unless the money for the same has been received this office.

The gifts will be distributed immediately after the Concert.

Any person holding a ticket entitled to a Gift who declines the Asylum to have the benefit of such Gift, will notify the Secretary by endorsement on back of the ticket and he then shall be appropriated as directed.

Money for tickets must be sent by Registered Letter, Money Order or Express, directed to A. PA. NOAH, Secretary, Wilson, N. C.

Harpers Magazine.

ILLUSTRATED.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly proves its continued adaptation to popular tastes and needs. Indeed, when we think it to how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the more severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
