This sums up 58 regular Republicans, and 59 regular Democrats—*as ascertained beyond all question.*

The death of Guy Graham takes off one from the Democratic column, leaving 58 Democrats now living and entitled to seats in the Convention.

Jackson county sends O W Spake, who ran as *an independent Democrat*, and the Republicans say is pledged to vote to adjourn without doing anything; *our* information is to the contrary, as to the pledge.

The delegate elect from Tyrrel county is Dr. Ransom, who ran as a "People's candidate." The Republicans claim him, but our information is that Dr. Ransom will come to Raleigh to *serve the people* and not the Republican party.

Ashe elects Dr. Wilcox, an independent Democrat.
