Messrs. L. H. Merritt, W. H. Taylor and Charley Brewer, of this place, played with the Apex team and contributed greatly to their victory.

COUNTY CONVENTION.—As will be seen from the notice published in another column, the democrats of Chatham will hold their convention on Tuesday, the 18th of September for the purpose of nominating their candidates for the legislature and the various county offices. The primaries, or township meetings, will be held at 3 p. m. on the preceding Saturday.

Our people should at once begin to discuss among themselves who these nominees should be. They ought to be our very best men, sound politically and pure personally. Let us put forward men, of whom the county may be proud and who will serve the people faithfully and intelligently.

COOKE'S APPOINTMENTS.—The Hon Charles M. Cooke, the democratic candidate for Congress in this district, will address the people of Chatham at the following times and places:

Siler City,	Monday, Sept.	3rd
Harper's X Roads,	Tuesday, "	4th
Gulf,	Wednesday, "	5th
Lockville,	Thursday, "	6th
Thompson's store,	Friday, "	7th
Johnson's,	Saturday, "	8th
Pittsboro,	Tuesday, "	25th

He will divide time with any other Congressional candidate, either populist or republican, or both.

The people, regardless of party, are invited to attend these appointments and hear a fair discussion of the great political questions now being agitated.

PERSONAL ITEMS.—The family of Mr. Thomas C. James, of Wilmington, are here on a visit to Capt. W. L. London.

Mrs. H. A. London, Jr., has gone on a visit to her parents at New Bern.

Mr. John C. James, of Wilmington, has been here on a short visit.

Miss Unannie Lord of Wilmington, arrived here yesterday.

Mr. E. E. Moffit and Mrs. Herbert W. Jackson, of Raleigh, are visiting relatives in this place.

Messrs. A. J. Bynum, P. B. Fox and H. A. London, Jr., have gone North to buy their new goods.

Mr. Willie H. Thompson, who removed to Texas a few years ago, is here on a visit to his old home.

Miss Mary Benson and Messrs. Eugene Benson and George Taylor of Raleigh, are here on a visit.

A MIXED MEASURE.—A muddy mixed and peculiar colored affair washed ashore at Moncure, on last Saturday, in the second story of the store of Mr. [illegible] Bynum, the chairman of the executive committee of the populists in this county. It is said that there were fourteen persons present, and that ominous number (13) must account for the accident, that happened to some of them after the meeting. About half were whites and half were blacks, and nearly all were former republicans who had turned populists at the last election. The meeting is said to have been secretly called as an offset, or in opposition, to the republican convention held here on the 18th inst. It is said that the chairman of the meeting fell into a cattle guard on the railroad, as he was returning home, and another prominent participant fell from his horse by the roadside.

PLEASANT ENTERTAINMENT.—On last Tuesday night a very pleasant entertainment was had at this place for the purpose of raising funds to swell Chatham's contribution to the proposed Confederate monument at Raleigh. The chief feature of the entertainment was the serio-comic drama, entitled "Among The Breakers", and the characters were represented as follows: *David Murray*, Mr. S. S. Jackson; *Larry Dorme*, Mr. L. H. Merritt; *Peace Hawker*, Mr. R. H. Hayes; *Christie Hunter*, Mr. Fred C. Williams; *Peter Passmore*, Mr. P. L. Gardner; *Saul*, Mr. Fred P. Nooe; *Marion Dorme*, Miss Julia R. Bynum; *Miss Stockdale*, Miss Lucy W. Lomax; *Mother Carey*, Miss Ina Horne; and *Bobby Dorme*, Miss Annie Brewer. The characters were well represented and indeed professionals could not have acted much better than did some of these amateurs. Some acting especially afforded much amusement and created much merriment. The whole play was well rendered, and showed careful training, and all the large audience greatly enjoyed it.

Siler Siftings.

SILER CITY, N. C., Aug. 28, 1894.

Trade is improving, and the farmers in this section are busy and in excellent spirits, over the flattering condition of their crops this fall.

The Chatauqua assembly at Mt. Vernon Springs begins today and will be largely attended by our town people. Friday will be children's day and on that day quite a nice entertainment will be given by the little ones of the Baptist church of Siler.

School opened on the 22nd inst but the attendance is not as good as it has been, but we number will be swelled in a few weeks and the school be as large as ever.

Rev. E. C. Sell commenced a series of meetings at Mt. Vernon M. E. Church, Silk Hope, on Saturday, and the indications are for a good meeting.

Our esteemed townsman, W. P. Hanson, was the recipient of a handsome present the other day, in the shape of a twenty dollar hat sent to him from California, by one of Chatham's sturdy citizens, Mr. G. W. Perry.

Rev. I. N. Mann, is in Pittsboro assisting Rev. Abernathy in his meetings at Concord church.

Dr. Jesse D. Edwards and our popular depot agent, Mr. W. P. Edwards, went on a pleasure trip to Asheville, and returned on last Saturday, highly elated with the picturesque scenery in that section.

Prof. E. P. Johnson, Mt. Vernon Springs, has accepted a position in the school here, and is now one of the most popular teachers in the school.

Our popular postmaster, A. F. Brooks, who has been quite sick, we are pleased to note is convalescent.

Our popular merchant, Mr. D. L. Webster, is off morning at Mt. Vernon Springs for a week or two.

The circuit Sunday school convention for the Siler City circuit convened at Mt. Vernon M. E. Church, Silk Hope, on Saturday, and the church was crowded to overflowing. The exercises were entertaining and beneficial to all workers of the Sunday school cause.

Speeches were made by Messrs. J. D. Mann, George Cook, Rev. A. H. Perry, Mr. Lindley and others, on how to make the Sunday schools more interesting, especially to the adults.

One of the main features of the day was the singing by the Siler City M. E. choir, and the Mt. Vernon choir, and showed that the choirs had been well trained by their leaders, Messrs. Mann and Moore.

The convention adjourned to meet in Siler M. E. Church next year, after electing the following officers. President, Rev. E. C. Sell; Vice President, J. D. Mann; Secretary, Willie Brooks. The Siler Sunday school certainly enjoyed their trip to Mt. Vernon, and appreciated the hospitality shown them by that church, and will do all they can to make it as pleasant for her sister school next year.

Candidates Suggested.

SNOW ADDICK, N. C., Aug. 26, 1894.

EDITOR RECORD: We think it time to begin to suggest the names of some suitable persons whom we wish to represent us in our next Legislature, also a county ticket, so we, a part of the voters of this Avenue would like to suggest the following, viz: Mr. O. A. Hanner for the Senate. Messrs. R. H. Hayes and C. P. Scott for the House, for Sheriff, S. W. Brewer; Clerk Superior Court, S. M. Holt; Register of Deeds, D. H. Marsh; Surveyor, R. B. Clegg, and for fear that some of us might die, we guess that we had better have Dr. L. A. Banks for coroner. Give us this ticket and we feel sure that when the sun leaves us on the evening of the 6th day of November next that it will leave us with a Democratic victory in old Chatham county. Let us hear from others.

DEMOCRAT.

[illegible], Aug. 28, 1894.

As an humble citizen I would like to suggest some good and true men for our nominees. We democrats in this part of the county would like to have O. A. Hanner for the Senate and A. H. Perry and some other good man for the House. We want S. W. Brewer for Sheriff, and he is one of the honest men we have. Then give us C. S. Stewart for Clerk. He is a man of ability and strict integrity and no one can truthfully bring any charge against him. And let us have D. H. Marsh for Register of Deeds, and with this ticket we can sweep the field. We have not lost hope in the thinking people of Chatham yet, and we think they will, before it is too late, see the error of their way and will vote down the party of the 3rd part, and vote for men who do not go over the country appealing to the prejudiced people, and creating strife and envy among them.

We never heard such a speech as was made here on the 16th by one Ben Wilkie. Of all misrepresentations we ever heard and things that were utterly false he said. We hope they will speak here again soon and decide time with the Democrats, and it so there will be some one here to reply to them. We are satisfied the Democrats are slowly gaining ground in this township. There were not over 275 present were on the 16th by actual count and there were at least 50 of this number Democrats. The 3rd ites sent word for every one to come, white and colored, and they were here from five or six different townships. It is very strange they are the only party that can tell the truth and then make such statements and expect people to believe them.

DEMOCRAT.

The Republican convention of the third congressional district nominated Oscar J. Spears, of Harnett, for Congress, and declared against fusion with the Populists.

Lightning struck a tree at Garysburg killing a goose instantly. This is a warning to all geese in the habit of taking refuge under a tree during a thunder storm.

During a severe storm last week in Pitt county, a two story store belonging to Mr. Frank Hart was blown down and two children were killed by lightning.

Col. J. S. Morrison, a well known civil engineer, and for many years connected with the Cape Fear & Yadkin Valley Railroad, died in Fayetteville Saturday.

Capt. Nott Atkinson, a prominent citizen of Asheville, died of heart failure at the residence of Hon. L. S. Overman, at Salisbury, at 7:30 o'clock, on last Saturday morning.

C. F. Kennedy, formerly a conductor on the Cape Fear & Yadkin Valley has been arrested for stealing a watch from Mr. C. G. Smith, a train dispatcher at Greensboro. Kennedy comes of good family but is a heavy drinker and this is supposed to have brought about his downfall.

The enactment of the tariff bill gives an immediate impetus to the development of the tin plate and sheet iron industry. Parties that have been held in abeyance for months pending the tariff bill, will now go into effect and considerable capital is displayed to invest money in this direction.

Wanted.

Our territory having been enlarged we now need a few more hustling energetic men to sell and collect for the Singer Sewing Machine Co. We pay cash and commission and furnish a nice light comfortable government to furnish horse and buggy free of charge. Address, R. A. Coleman, District Agent, Raleigh, N. C.

THE BEST WAGON.

We are informed that some agents or peddlers, wagon makers, or their agents are selling wagons which they claim are the same or as good as ours.

There are different factories close together is no reason they build under the same quality of work than any other factory in the country. If you want the best, see that it bears the name of J. I. Nooe, and do not be deceived by any one saying their's is as good. We use the best material, best workmen and finish, and work by hand, and guarantee every wagon to give the best satisfaction. To meet the scarcity of money we have just reduced the price.

If you want the best wagon made call on, or address W. I. Nooe, Pittsboro, N. C.
