DAILY NEWS

SATURDAY, - - - APRIL 12, 1879.

No Time Like the Present.

Now is the time to buy goods cheap, at Law's "china and silver" warehouse. We must reduce our enormous stock before the dull summer months, and to induce wishing triple-plated casters, forks, spoons, &c., china, cutlery or glassware we have special bargains to offer. Call early and get prices or send for price list before buying elsewhere.

Gun and Locksmiths.

Brockwell & King, near the rear of U. S. Court House, on Salisbury street, are prepared to repair in first-class style, Breech-loading and Muzzle-loading Shot Guns and fire arms of every description. They also repair Door Locks, Trunk Locks, and locks of all machines, and everything in the line of small hardware, either brass, steel or iron. Sign and Bell hanging a specialty. Orders from a distance will receive special attention. Keys fitted to residences on short notice. All work warranted.

Particular Notice.

Business men and others in need of Book and Job Printing of any kind should remember that the News Job Office is the place to have it done neatly, cheaply and at the shortest notice.

Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant organ. At this season of the year especially, it is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late that a fever or lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German Syrup been taken, a cure would have resulted, and a large bill from a doctor been avoided. For all diseases of the throat and lungs, Boschee's German Syrup has proved itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known.

Alone, I've yet one solace left,
Which cheers my broken heart,
And in that thought a thousand hopes
Come springing into birth.
How beautiful the vision seems,
Amidst life's troubled cares,
To drink a glass of good champagne
And smoke MENDEL'S cigars.

MEDICINES.

LIVER

STILLINGIA. HEPATINE. GLOBE FLOWER SYRUP.

This important organ weighs but about three pounds, and all the blood in a living person about three gallons passes through it at least once every half hour, to have the bile and other impurities separated or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but is held through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or dirty brown color. The stomach becomes disordered, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MERRELL'S HEPATINE, the great vegetable discovery for torpid liver, causes the Liver to throw off from one to two ounces of bile a day. At the time the blood passes through it, as long as there is an excess of bile, and the effect of even a few doses upon a person suffering from a torpid or a brown dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given.

Grave mistakes are made in the treatment of all forms of that great impurity in the blood, Scrofula (King's Evil), Syphilis, White Swelling, Ulcerous Sores and Skin Diseases on a thousand, is treated without the use of Mercury in some form. Mercury is the Scourge of the disease it pretends to cure, and where it is used it leaves the system worse than before. Dr. Pendleton's Vegetine is a Blood Purifier and Mercurial Antidote, and is the only vegetable and harmless alterative known. It will be found to cure all diseases if Mercury, or any other mineral poison has not destroyed the vital powers of the patient. Sold by all Druggists. MR. H. R. STEVENS:

Dear Sir—I will most cheerfully add my testimony to the great number you have already received in favor of your great and good medicine, VEGETINE, for I do not think enough can be said in its praise, for I was troubled over thirty years with that dreadful disease, Catarrh, and had such bad coughing spells that it would seem as though I never could breathe any more, and VEGETINE has cured me, and I do feel to thank God all the time that there is so good a medicine as VEGETINE, and I also think it one of the best medicines for coughs and weak, sinking feelings at the stomach, and advise everybody to take Dr. VEGETINE, for I can assure them it is one of the best medicines that ever was.
