DAILY NEWS

SUNDAY - - - - - APRIL 20, 1879.

No Time Like the Present.

Now is the time to buy goods cheap, at Law's "china and silver" warehouse. We must reduce our enormous stock before the dull summer months, and to parties wishing tripe-plated castors, forks, spoons, &c., china, cutlery or glassware we have special bargains to offer. Call early and get prices or send for price list before buying elsewhere.

Gun and Locksmiths.

Brockwell & King, near the rear of the U. S. Court House, on Salisbury street, are prepared to repair in first-class style, Breech-loading and Muzzle-loading Shot Guns and fire arms of every description. They also repair Door Locks, Trunk Locks, and locks of all patterns, Umbrellas, Parasols, Filling machines, and everything in the line of small hardware, either brass, steel or iron. Sign and bell hanging a specialty. Orders from a distance will receive special attention. Keys fitted to residences on short notice. All work warranted.

Particular Notice.

Business men and others in need of Book and Job Printing of any kind should remember that the News Job Office is the place to have it done neatly, cheaply and at the shortest notice.

Our country is getting to be fearfully alarming, the average of life being less of every year, without any reasonable cause, death resulting generally from the most insignificant organ. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late that a fever or lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German Syrup been taken, a cure would have resulted, and a large bill from a doctor been avoided. For all diseases of the throat and lungs, Boschee's German Syrup has proved itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single case known.

A Remedy that has been Remedied.

The invincible repugnance felt by almost every one to the smell and flavor of Cod Liver Oil, has prevented tens of thousands of the victims of debility from reaping the benefits of its peculiar healthy and nutritive properties. The almost hopeless consumptive, the martyr to Rheumatism, the barely living shadow of men, women and children that emerge from the clutches of malarial fevers, all of these know, or at least their doctors know, that of all discovered remedies, this Oil is the best and often the only one that will build up their wasted bodies, and restore their shattered nerves, and far more effective than the Oil by itself is Scott's Emulsion of it, with the Hypophosphites of Lime and Soda. This is the finest and most natural food and medicine in the world, and wholly deprived of its disagreeable qualities. Sold by Wm. Simpson, Druggist. March 4 d3w

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, Free of Charge. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, Station D., New York City.

REMARKABLE Cure of an inflamed ear duct or passage of the eye, without an operation.—Mrs. Gibson who has a large confectionery and candy store No 25 East 44d Street, near the Grand Central Depot, was about to have a silver tube inserted in the ear passage of her relative. The enlargement and inflammation were very great. Before submitting to the operation, tried T. Gilman's Liniment, rubbing it carefully over the inflamed part. The inflamation disappeared, the passage became clear, and was, through its power, able to do without a surgical operation. Also took the Liniment internally, a teaspoonful three times a day, in a wine glass of water. Sold by all druggists.

Every reader of this paper can have FREE for one month a subscription to our illustrated magazine of choice literature, "LEISURE HOURS," by sending eleven cents to pay for mailing the premium that goes with the magazine, viz: a pair of Easter cross chromos. These crosses are entwined with calla lilies, ferns, grasses, &c. We shall feel fully repaid for this gift if the articles are shown to our friends. Catalogue of 4,000 desirable and curious articles sent to all; 16 and 3c. stamps taken. Address J. L. PATTEN & Co., 17 Barclay Street, New York. aw-eow-tw

The manner in which PERSONS TAKE ON FLESH while under the influence of these pills, indicates their adaptability to nourish the body, hence their efficacy in curing nervous debility, melancholy, dyspepsia, wasting of the muscles, sluggishness of the liver, chronic constipation, and imparting health & strength to the system.
