LAND, &C, FOR SALE.

SALE OF A VALUABLE FARM.—ON Tuesday, October 2nd, 1860, I shall offer for sale on the premises, in the County of Perquimans, N. C., the Farm upon which I have lived for the past several years.

The farm is situated immediately upon the junction of the Perquimans River with the Albemarle Sound, and contains 800 acres of land, 600 acres of which are in a highly improved and cultivated condition and well adapted to the productions of Wheat, Corn, or Cotton.

The Farm is mostly high-land and the healthiness of its atmosphere, and the fine facilities for shipping render it one of the most desirable estates in Eastern North Carolina.

The buildings, including a substantial residence, a large new and commodious Barn and stables, Overseer's house and extensive negro quarters, are in a thorough state of repair.

There are also attached two fisheries, one upon the Sound and the other upon the River, which have been operated successfully, and with small expense can be again put into operation.

Terms shall be made easy.

Possession will be given on the 1st day of January, 1860, and the purchaser shall have the opportunity of raising as large a Wheat crop as he may desire immediately after the sale.

The owner respectfully invites the Farming Public to the advantages which are herein truly set forth in regard to his farm, and can refer them to any citizen of this or adjoining counties for a confirmation of the same. He will also take great pleasure in giving all persons who will visit the premises a thorough opportunity of examining its advantages for themselves.

PUBLIC SALE OF VALUABLE REAL ESTATE.—Will be sold to the highest bidder, before the Court-house door in Tarborough, on Monday, the 1st day of October next, four and one half Lots, situate in said Town, to wit: Nos. 37, 39, 97, 98, and ½ of 48, in the Plan thereof.

Lots 37, 39 and ½ of 48, constitute the well known Hotel premises and the Stable connected therewith, formerly owned and kept by Mrs. Mary Gregory, and they will be sold together—the other Lots have been and are now used as a Kitchen Garden for the Hotel, but as they are not necessary for that purpose, they will be sold separately.

The late Henry S. Lloyd, died seized of an undivided moiety of the said property, and by his will he directed the the same to be sold. George Howard, Senr., is the owner of the other half, and he is willing to unite with the executors of the said Lloyd, in the sale thereof, so that the purchaser may acquire the whole.

The Rocky Mount and Tarborough branch of the Wilmington and Weldon Rail Road is now in operation, and the Cars are making daily trips—a line of two-horse Coaches has already commenced running between Hamilton and Tarborough, and one of four-horse Coaches, between Greenville and Tarborough, will start in a few days, and as there is good reason to believe that the travel through Tarborough will become very large, it may be asserted with confidence that the proposed sale will furnish an opportunity for a safe and profitable investment.

Mr. Howard, as surviving partner, will retain possession of the property, and conduct the business of the Hotel until the end of the year, when the posession will be transferred to the purchaser, who can buy the furniture on favorable terms

One fourth of the purchase money will be required on the 1st day of January next, and the balance on the 1st day of January, 1862, and it must be secured by unquestionable paper. The last instalment to bear interest from 1st January next.

WHITMEL P. LLOYD, and WM. NORFLEET, } *Executors of H. S. Lloyd.*
GEO. HOWARD, *Surviving Partner.*

LAND FOR SALE.

HAVING DETERMINED TO MOVE SOUTH, I offer for sale the tract of Land on which I now live, containing 635 acres, situated in the County of Franklin, about 5 miles from Louisburg, 8 miles from Franklinton, and 8 miles from Kittrell's Springs, lying on Tar River and Lynches Creek. About 200 acres of which is rich bottom land, 100 acres of which is open and in cultivation, the balance in original growth. The upland is all open except about 75 acres, which is well timbered and very rich.

There is a large two story Dwelling House upon the land, containing six rooms, which with a little repairs, could be made very comfortable and pleasant.

There are all other necessary out-houses on the plantation, such as Barns, Negro Cabins, &c., all new and in good order.

Persons from the Eastern part of the State wishing a Summer residence to resort to during the sickly season, would find this place remarkably well adapted to that purpose—besides being convenient to three Mineral Springs—Kittrell's, Jones' and Shocco.

Any further discription is unnecessary, as those wishing to purchase will be certain to examine before purchasing.

I will take pleasure in showing the lands to any person who may wish to look at it.

GUANO.—WE ARE PREPARED TO take orders for the various kinds of Fertilizers, which we will furnish to our friends on the best terms the market will afford.

TIMELY AND SPECIAL NOTICE.

MY accounts will all be made out by the 1st of July, and my friends are respectfully invited to call and settle. As interest will be charged after that date, it can be no advantage to let them lie over, but a great convenience to me and my consigners to have their money.

A good deal is still owing me for Fertilizers which were sold for cash. I am very grateful to my friends for their patronage and would be glad to serve them in any way I can. JAS. M. TOWLES. *General Agent, &c., &c.* June 25th, 1860. june 27—tf.
