TUTT'S PILLS IMPART APPETITE.

DR. TUTT has succeeded in combining in these pills the heretofore antagonistic qualities of a STRENGTHING, PURGATIVE, and a PURIFYING TONIC.

Their first apparent effect is to increase the appetite by causing the food to properly assimilate. Thus the system is nourished, and by their tonic action on the digestive organs, regular and healthy evacuations are produced.

The rapidity with which **PERSONS TAKE ON FLESH** while under the influence of these pills, indicates their adaptability to nourish the body, hence their efficacy in curing nervous debility, melancholy, dyspepsia, wasting of the muscles, sluggishness of the liver, chronic constipation, and imparting health & strength to the system. Sold everywhere.

Price 25 cents.

Dunlop & McCance Mills,

ERECTED 1882

OFFICE 12TH AND MAY STREET,

Richmond Va.,

We have recently introduced into our mills a delicate and costly Machinery, for manufacturing the

FLOUR

distinguished by our trade-marks, to the

Superior Quality,

TO WHICH

We ask the Attention of Dealers and Consumers.

The "Dunlop Patent Family"

is a standard long left Flour, having both color and strength. Its whiteness commends it to the most fastidious taste, while its glutinous properties insure a light and nutritious bread. The advance in the art of milling, by which Patent Flour is made, though last established in the South, is here much heeded by housekeepers, to make up for culinary shortcomings by bakers, to give strength and quality to the inferior and inferior grades, which can only be used to advantage by mixing with

New Process Flour.

Consumers should be Educated,

FOR HEALTH AND ECONOMY,

To Use A Better and Consequently More Expensive Grade of Flour.

and when the fact is realized that the cost of one dollar more per barrel amounts in their daily consumption of three or four pounds to a difference of one and a half to two cents, they will hardly regard the additional expenditure an extravagance. To few people buying Flour by the barrel does it occur that this important article of human food, used at every meal, costs less per day than almost any other on their bill of fare.

Try our

"McCance New Process Family."

and

"McCance New Process Extra."

we can confidently say they are unsurpassed by any other brands to be had for the same price and will certainly give entire satisfaction to those who do not fancy paying the figures which Patent Flour must command to indemnify its manufacturers.

Important to Fish Buyers.

THE fishermen and those directly interested in the fisheries of Carteret county, having organized a "Fishermen's Union," are now prepared to furnish fresh and salt fish to dealers at fair prices, and from first hands. Parties desiring to purchase will do well to send in their orders, and get fish from those who catch and put them up. Every package guaranteed to be as represented.
