## POETRY.

### THE MAN I LOVE.

I love an open countenance,
A kind and noble face!
The index of an honest heart,
That loves the human race!
A brow on which a smile is throned,
Like sunlight on a flower—
As open as the regal skies,
With beams of love and power!

I love the kind and welcome glance,
That proves we're not alone!
And oh! how sweet to find at times
Some feelings like our own;
A heart that beats with purest hopes,
To pity and to bless;
That strives to make earth's comforts more,
Its pains and follies less!

I love the man whose generous smile,
Is given with his hand—
Who sees his equal in all men,
And all men equal stand!
Who sees not the distinction made
By human laws between
The man who has and who has not,
But loves from what he's seen!

I love the man whose heart is true,
Who seldom wears a frown;
And loves all men, from him who toils
To him who wears a crown!
With mildness on his lips,
A free and open mind,
A brow with mental grandeur spann'd,
A soul supremely kind!

### A SOLEMN SONG.

The world! the world! the home of time,
The palace of a dream;
The half absurd, the half sublime,
The human task and theme!

The mighty world! its ruler man—
Oh see the puppet play!
But yesterday night his reign began,
He feeds the worm to-day.

At noon an almost godlike host
O'er life's high ramparts rode,
To-night the future's shadowy coast
Receives a carrion load.

The wretched present scarce his own,
The past a crumbling tomb—
The future dark; and all unknown
His spirit's final doom.

Oh, who can build on sand, dust
A fabric of belief?
Or who for happiness can burst
The wave that hides the reef?

Then speed the laugh, the goblet quaff,
Sing love and live at ease!
The future hours may bring us flowers,
But lets make sure of these. GRALMA.

**THE ROAD TO HEALTH!**

**HOLLOWAY'S PILLS.**

CURE OF A DISORDERD LIVER AND BAD DIGESTION.

*Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7 Prescot St., Liverpool, dated 6th June, 1851.*

To Professor HOLLOWAY.

Sir, Your Pills and Ointment have rented the highest on our sale list of Proprietary Medicines, for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and the informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and altho' she used only three boxes, she is now in the enjoyment of perfect health. I could have cited many more cases, but the above from the severity of the attack, and the speedy cure, I think, speaks much in favor of your astonishing pills.
(Signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMAN'S LAND.

*Copy of a Letter addressed to the Hobart Town Courier of the 1st March, 1851, by Major J. Walsh.*

Margaret McConnigan, 19 years of age, residing at New Town, had been suffering from a violent Rheumatic Fever for upwards of two months, which had entirely deprived her of the use of her limbs. During this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she commenced to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 81 YEARS OF AGE.

*From Mars. Tice & Sons, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—Aug. 2, 1851.*

To Professor HOLLOWAY:

Sir: I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 81 years of age, and not withstanding my advanced state of life, these pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means, comparatively active and can take exercise without inconvenience or pain, which I could not do before.

**IREDELL ON EXECUTORS;**

BEING

A Treatise on the Law of Executors and Administrators

IN NORTH CAROLINA,

**By James Iredell.**

THE object of this work has been to exhibit the law, as it now stands in North Carolina, in relation to the matters of which it treats. It embraces, therefore, the English decisions, so far as they are recognized in our own State, as well as the acts of Assembly and the decisions of our own Courts, on the subject of *Wills, Executors and Administrators.* It is thought it may prove useful, not only to members of the legal profession, but also to others, who are so frequently called upon to undertake the responsible, important and responsible trusts of Executors and Administrators.

**NEW THEMES FOR THE PROTESTANT CLERGY:**

**Creeds Without Charity, Theology Without Humanity, and Protestantism Without CHRISTIANITY:**

*With notes by the Editor on the Literature of Charity, Population, Pauperism Political Economy, and Protestantism,*

THE great question the Book discusses is, whether the Church of this age is what the primitive Church was, and whether Christians—both pastors and people—are doing their duty.—Our author believes not, and, to our mind, he has made out a strong case. He thinks there is abundant room for reform at the present time, and that it is needed almost as much as in the days of Luther. For sale by

**HERE IS YOUR REMEDY!**

**HOLLOWAY'S OINTMENT.**

A MOST MIRACULOUS CURE OF BAD LEGS AFTER 43 YEAR'S SUFFERING.

*Extract of a Letter from Mr. Wm. Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.*

To Professor HOLLOWAY.

Sir—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly enlarged. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised, was tried but without effect—her health suffered severely, and the state of her legs was terrible. I had then read your advertisements, and advised her to try your Pills and Ointment; and as a last resource, after every other remedy had proved useless, she commenced taking your medicines six weeks ago, and almost to the surprise of everybody, she is now quite well. Her legs are perfectly healthy, and her health and personal appearance are improved beyond all recollection. Could you have witnessed the sufferings of my wife during the last forty years, and realized the joy which her present state of health, you would readily believe that I am discharging a duty in making the fact known, that others may be induced to avail themselves of the means which have so signally conferred this blessing on my wife.

WILLIAM GALPIN.

A PERSON NINE YEARS CURED OF A BAD LEG OF NINE YEARS STANDING.

Copy of a Letter from Mr. Wm. Abbs, Butcher of Cross Street, Hudderfield, dated Hudderfield, 1st July, 1851.

To Professor HOLLOWAY.

Sir, I feel it my duty to inform you of the great benefit I have received from your Ointment. I had been afflicted for the space of thirty years from a bad leg, which I attribute to my occupation, and have tried many different remedies, but without any permanent benefit, the sore continually throwing out scrofulous symptoms. I was induced to try your medicines, without hoping for any good from them, as I had been told that the leg could not be cured, but to my surprise and gratification, in a few days after I had applied your Pills and Ointment, I perceived a complete change in my leg, which, in a few weeks, was healed up, and I have now been able to follow my occupation for about a year, that, a year ago, I was not able to do, and I do not hesitate to say, that, if I had not witnessed it, I would not believe it.

WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 32 Market street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

*Extract of a Letter from Mr. Rodwell, Tanner, of Frankfort, Kent, dated December 15th, 1850.*

To Professor HOLLOWAY.

Dear Sir—My wife had suffered from bad breasts more than eleven months, and during the whole period had the best medical attendance, but all to no purpose. Having before heard of your wonderful cures by your Pills and Ointment, and therefore gave them a trial in her case, and fortunately it was I did so, for in less than a month a perfect cure was effected. I feel bound to make this known to the world, that others may be benefited by your invaluable medicines.

FREDERICK RODWELL.
