LAND SALE AT CAROLINA CITY.

THE CAROLINA CITY COMPANY

PROPOSE to sell to the highest bidder, on Tuesday the 25th day of November next, at Carolina City, a limited number of eligible Lots in said City, immediately on

BEAUFORT HARBOR.

The proposed City is at the terminus of the Rail Road from Goldsboro' via New-bern to Beaufort Harbor, which is the grand terminus of the Internal Improvement system of North Carolina, and where a magnificent city must rapidly grow up.

The City Company only propose to sell a limited number of Lots, to allow parties who ask at once to obtain foothold an opportunity to do so; another will not probably be given soon, as the Company has no desire to part with any considerable amount of the property.

Terms liberal and will be made known at sale.

Whole Tickets $10—Halves $5—Quarters $2 1-2.

PLAN OF THE LOTTERY.

The Numbers from 1 to 30,000, corresponding with those Numbers on the Tickets, printed on separate slips of paper, are encircled with small tin tubes, and placed in one wheel.

The first 216 Prizes, similarly printed and encircled, are placed in another wheel. The wheels are then revolved, and a Number is drawn from the other wheel. The number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioners, the Prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.

APPROXIMATING PRIZES.

The two preceding and the two succeeding Numbers to those drawing the first 16 Prizes will be entitled to the 64 Approximation Prizes, according to the Scheme.

3,000 Prizes of $45 will be determined by the last figure of the Number that draws the $40,000 Prize. For example, if the Number drawing the $40,000 Prize ends with No. 1, then all the Tickets where the number ends in 1 will be entitled to $40. If the Number ends with No. 2, then all the Tickets where the Number ends in 2 will be entitled to $40, and so on to 0.

GREAT INDUCEMENTS TO CLUBS.

As, by this Scheme, one Ticket in every 10 is *guaranteed* to draw $40, we will sell *Certificates of Packages* of 10 Tickets (where the numbers end in 1, 2, 3, 4, 5, 6, 7, 8, 9, 0,) at the following rates which is the risk on them.

All that the 10 Tickets draw over the amount guaranteed accrues to the purchaser.

Certificate of Packages of 10 Whole Tickets,	$60
10 Half "	30
10 Quarter "	15

It will be perceived, by this plan, that for $60 the purchaser has a Certificate of 10 Tickets, when if he buys Tickets he would only get for that sum 6 Whole, thus by buying Certificates he has four more chances for the larger Prizes—Halves and Quarter Packages in proportion.

IN ORDERING CERTIFICATES OR PACKAGES,

Enclose the money to our address for the Tickets ordered, on receipt of which they will be forwarded by first mail.

The list of drawn Numbers and Prizes will be sent to purchasers immediately after the drawing.

☞ Purchasers will please write their signatures plain, and give their Post Office, County and State.

FAIR MT. FOUNDRY & MACHINE SHOP.

STAFFORD, DIXON & CO'S

PREMIUM HORSE POWERS, AND

THRESHERS,

ARE so well known, that description is unnecessary. For the past ten or fifteen years their superior over other Machines has been fully tested by thousands of the most intelligent and enterprising Farmers in the State, and their popularity may be known in the fact that we have never been able to supply the constantly increasing demand. But having recently enlarged our shop, and increased our working force, we look to the future to be able to keep pace with the demand of a discriminating public may favor us with their orders. Machines were on exhibition at the State Fairs of 1854 and '55, in competition with Machines manufactured in this State, as well as a number from other States, and took a DIPLOMA and the HIGHEST PREMIUM, over all others. We also manufacture at short notice, Grist and Saw Mill Irons, Plaster, Circular Saw Mills, Wool-carding Machines and Stalk Cutters, just the thing that is used this dry season; and all kinds of castings common use in the country.
