The Graefenberg Vegetable PILLS.

30,000 *Boxes sold each and every week.*

THE GRAEFENBURG COMPANY, hereby give notice that their General Agent for the State of North Carolina is Capt. WM. JONES, Louisburg, Franklin County, N. C.

The General Agent is fully prepared to appoint sub-Agents wherever there is no branch of the Company either, on personal application, or by mail, *post paid*. The rapid sale of these celebrated Pills, and the extraordinary cures they are constantly effecting, under them, by far, the most popular Pill of the age, an Agency will consequently be very valuable.

The Graefenberg Pills are inconceivably superior to any ever before discovered. In all bilious complaints; in general derangement of the system; in all disorders which result from a bad state of the blood, these pills are a sovereign remedy.

In the classes of diseases called chronic, the Graefenberg Pills achieve their highest triumphs. Here they defy all competition. Entering within the hidden recesses of the system, they quietly but surely purify the blood, root out disease, and give tone and vigor to the body.

CURES ARE CONSTANTLY EFFECTED

by these Pills, in cases where every other means had utterly failed. The most abundant proof of this could be given; but a trial of one box will convince the patient. They can be ordered and sent by mail at trifling expense. The price is 25 cents a box.

Where two dollars worth are ordered, and the money remitted, the Company will pay postage on the Pills. Remittances at the company's risk. Wherever there is no agency of the company, they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

ALL BILIOUS COMPLAINTS,

Bowel Complaints, Constipation, Dyspepsia, Fever and Ague, Headache, Jaundice, Liver Complaint, Rheumatism, all Stomach Complaints, Costiveness, &c. &c. yield at once to these Pills. They purge away offensive humors, arrest the progress of disease and at the same time store tone and vigor to the system. In cases of general derangement of the health, they are SOVEREIGN.

BY THEIR USE the weak will become strong, the pale and bilious complexion be restored to perfectly fresh and healthy colour; all the bad symptoms will one by one disappear.

In short these Pills are an incomparable advance upon any other medicine ever before offered to the public. A trial will satisfy any one of their efficacy.

For sale by LIPPITT & WILKINGS Wilmington N. C.

Experience has proved that nearly every Disease to which the human frame is subject, originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure Health, we must remove those Obstructions or restore the Blood to its natural state. Therefore when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should at once be got rid of. This fact, so stated, is universally known; but people have such an aversion to medicine that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution, or a fit of sickness reduces them for the folly of their conduct. Still they will some excuse; for *heretofore*, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for

Clickener's Vegetable Purgative Pills

is not only coated with a *Coating of pure* [illegible] which [illegible] from the internal [illegible] the kennel *have no* [illegible] but are easily swallowed as bits of candy. Most cordials are *nauseous or nipe* in their operations; these pills act equally on all the [illegible] of the System, instead of confining themselves to one particular region. In a word, they are the most efficacious one in [illegible] will operate in the stomach and [illegible] in the Blood, and remove [illegible] the health, they are SOVEREIGN.

VALUABLE RICE AND TUPENTINE LANDS FOR SALE.

THE subscribers offer for sale between two and three hundred acres of valuable Rice Lands on Lockwood's Folly river, in Brunswick county. Immediately in the neighborhood of the Lands is a good stream of water emptying into the Lockwood's river—furnishing water power sufficient for watering the fields and for pounding and threshing the Rice, as well as for a Saw Mill.
