WHOLESALE STOCK

OF

BOOTS & SHOES,

FOR SPRING 1854,

BY W. H. ADDINGTON & CO.,

NORFOLK, VA.

WE would call the attention of Merchants in Virginia and North Carolina to this immense stock of BOOTS, SHOES, TRAVELLING TRUNKS, VALICES, CARPET BAGS, &c., amounting to $150,000.

It is one of the most varied, because it embraces every kind of Boots and Shoes that can be found in the United States, and it is the BEST SELECTED stock in all Virginia.

The goods are made to order by the best manufacturers in this country, expressly for OUR WHOLESALE TRADE, and it is consequently better suited to the Trade of Virginia and North Carolina than any wholesale stock of Boots and Shoes ordinarily found elsewhere.

Besides having better goods, the sizes are made regular to avoid an over large quantity of small sizes, which is a great evil to the Merchant and one of universal complaint. Our care has been to avoid this evil in giving orders for the manufacture of our stock of Boots and Shoes.

☞We are prepared to sell these goods a shade lower than any other house in Virginia, and we will do it. City and Country Merchants are therefore invited to call and look for themselves.

☞Terms: 6 months credit.

## SHOCCO SPRINGS,

WARREN COUNTY, N. C.

THIS long established and justly celebrated watering place, having been purchased by the proprietors, will be opened on the 20th of June under the superintendence of Mr. James Gresham and lady, well known to the travelling community for their efficiency and politeness. The whole establishment has been repaired and refitted in a manner to please the most fastidious, and every arrangement made to gratify the taste and contribute to the comfort of all who may visit. Our Tables and Bar shall at all times and under all circumstances be superior to any heretofore known in the South; for we have made arrangements in Petersburg, Norfolk, and Baltimore to be supplied with the luxuries of the season.

Shocco Springs are distant twelve miles south from the Warrenton Depot, where Wilson & Phillips' large and comfortable Omnibuses, with fine Teams, Hacks and Baggage Wagons, will always be in readiness to convey company in two hours.

A superior Band of Music will be constantly in attendance during the season for the entertainment of our guests, and a Billiard Table and Bowling Alley for their recreation. The beautifnl scenery, agreeable and inviting shades, pure atmosphere and refined society at and around Shocco Springs are proverbial and need no comment.—The following is an analysis of the waters made by Prof. Stewart of Baltimore:

| | |
|---|---|
| Epsom Salts, Sulphate of Magnesia. | Carbonate of Potash, Hydrochlorate of Potash, |
| Carbonate of Magnesia, | Sulphate of Potash, |
| Muriate of Magnesia, | Hydrosulphate of Lime |
| Carbonate of Lime, | Sulphuretted Hydrogen Free in solution, |
| Sulphate of Lime, | Carbonic Acid. |
| Carbonate of Soda, | |
| Hydrosulphate of Soda and Sulphate of Soda, | |

In addition to these waters, whose virtues have been tested for upwards of half a century, the Red Sulphur Springs on the land of Mr. Whitmel H. A. Kearney, heretofore resorted to from Shocco, will through his kind generosity again be opened for the accommodation of our guests. They are within a pleasant ride over a good road and are considered highly efficacious in many diseases.
