Medicines.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual *Alterative* that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO.

LOWELL, MASS.

Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER'S, and take no others. The sick want the best aid there is for them, and they should have it.

CAUTION! WE desire to warn the dealers in, and consumers of snuff generally, that since the war, certain tobacco manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages, and immitate our Trade Marks, so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's snuff is no longer made.

In making this publication, we desire to warn the public against the impositions practiced upon them, as they are the loosers thereby. It will be found upon comparison that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process, known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of the many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering, please specify if Salt Snuff (High Toast), or Fresh Snuff (Extra Scotch) is desired.

"NO TEARS IN HEAVEN."

I met a child; his feet were bare,
His weak frame shivered with the cold;
His youthful brow was knit with care,
His mournful eye his sorrow told.
Said I, "Poor boy, why weepest thou?"
"My parents are both dead," he said;
"I have not where to lay my head:
O, I am lone and friendless now!"
Not friendless child; a friend on high
For you his precious blood has given;
Cheer up and let each tear be dry—
"There are no tears in Heaven."

I saw a man, in life's gay noon,
Stand weeping o'er his young bride's bier;
'And we must part," he cried, "so soon!"
As down his cheek there rolled a tear.
"Heart-stricken one," said I, "weep not!"
"Weep no'," in accents wild, he cried,
"But yesterday my young love died!
And shall she be so soon forget!"
Forgotten! no, still let her love
Sustain thy heart with anguish riven;
Strive thou to meet thy bride above,
And dry thy tears in Heaven.

I saw a gentle mother weep,
As to her throbbing heart she pressed
An infant, seemingly asleep,
On its kind mother's shelt'ring bresat.
"Fair one," said I, "pray weep no more!"
Sobbed she, "the ideal of my hope
I now am called to render up;
My babe has reached death's gloomy shore."
Young mother, yield no more to grief,
No be by passion's tempest driven,
But find in these sweet words relief—
"There are no tears in Heaven."

Poor traveller o'er life's troubled wave,
Cast down by grief, o'erwhelmed by fear,
There is an arm above can save;
Then yeild not to fell despair,
Look upward, mourners, look above!
What tho' the thunders echo loud!
The sun shines bright behind the cloud;
Then trust to thy Redeemer's love.
Where'er thy lot in life be cast,
Whate'er of toil or woe be given,
Be firm—remember to the last,
"There are no tears in Heaven."

Three thousand invitations to witness the inauguration of the Suez Canal are to be sent to notabilities in Europe.

The report that John Russell Young is soon to take charge of the *Commercial Advertiser* is generally credited. At any rate the *Commercial* has not cared to deny it.

Dr. Lieber is writing a series of articles in the *Evening Post* on the "Fallacies of the Protectionists." Thus far he has smashed eighteen fallacies with remorseless logic, and still pursues his pulverizing way.

Mr. E. Z. C. Judson is the "traveling editor" of the *Golden Era*, of San Francisco. So at least says a Western exchange. We have heard of velocipedal editors, but never before of a "traveling editor."

The Cincinnati *Enquirer* broke out into an eruption of cartoons the other day, in the most unexpected way. It was feared that the fair face of the *Enquirer* would be ruined for life, but the malignant eruption has since entirely disappeared.

The *Tribune* says that "the ardent spirits of the South desire to try rebellion once more." Being a Maine-law organ it is only natural that the *Tribune* should be ignorant of the fact that all ardent spirits must of necessity have passed beyond the condition in which it is possible for them to be in a ferment.
