Life Saved at Death's Door.

"I never felt so near my grave," writes W. R. Patterson, of Wellington Tex., at when a frightful cough and lung trouble pulled me down to 106 pounds. In spite of doctor's treatment for two years. My father mother and two sisters died of consumption, and that I am alive today is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 187 pounds and have been well and strong for years. Quick safe, sure, its the best remedy on earth for coughs, colds, bronchitis, asthma, croup, and all throat and lung troubles. 50c and $1.00. Trial bottle free. Guaranteed by Hardy's Drug Store.

You naturally think the price of any commodity is low—if you have it to sell.

A woman's idea of an entertaining man is one who is a poor talker and a good listener.

It's queer how nearly all a man's friends go broke just when he wants to make a touch.

If a man does the best he can and does not brag about it, he will do to tie to.

REST MADE EASY

There Will be Less Sleeplessness When Washington People Learn This.

Can't rest at night with a bad back
A lame, a weak or an aching one.

Doan's Kidney Pills are for bad backs.

They cure every form of kidney ills.

From common backache to diabetes.

They are endorsed by Washington people.

Mrs. Lovenia Hall, 20 George St., New Bern, N. C., says: "Doan's Kidney Pills have been of great value in restoring my health. I suffered from a weak back and pains across my kidneys that made me restless at night. In the morning I felt tired and had no strength or energy. The secretions from my kidneys were unnatural and caused me no end of annoyance. When I read of Doan's Kidney Pills, I got a supply and their use removed all my pains and aches. Since taking this remedy, I have had a better appetite and my entire system has been built up." (Statement given January 25, 1908.)

A Lasting Effect.

Mrs. Hall was interviewed on November 28th and she stated: "I take pleasure in confirming my former endorsement of Doan's Kidney Pills. They gave me permanent relief from kidney trouble and during the past three years, I have enjoyed good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's — and take no other.

More people would feel all run down if they were to overhear their neighbors discussing them.

Monotony is so unattractive that even the gayest of us make a try at being good once in a great while—just for a change.

Tortured for 15 Years

By a cure-defying stomach trouble that baffled doctors and resisted all remedies he tried, John W. Modders of Modderville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer." What ever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. It's surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at Hardy's Drug Store.
