Dear Sir:

In reply to the write-up that appeared first in the Whiteville News Times and then to the State Port Pilot, I am very much displeased with it because there are many mistakes in it, and I have received many letters concerning the story. Therefor I can't answer all of them and I wish to hit some of the highlights as correct as possible so that all the readers may know the truth.

I do not know who gave Mr. Bain permission to put this in the paper because I do not like it anyway.

I want to give God praise for being here today, for I know it was through His goodness and mercy that I was spared. I believe in prayer, and I asked some one that knew the name of God to pray for me that I would be healed and I prayed continually the best I could myself. I feel that God heard and answered my prayers instead of any one else.

I wish to state that when Mr. Bain prayed for me in 1933 that I was not healed then, I was under Dr. J. D. Freeman's care and was operated on several times from 1933 til 1935, and took many x-ray treatments through 1937.

I also wish to correct the error concerning the doctors at Duke Hospital for they made every effort they could to help me become well. After, God gives the doctors knowledge and I'm sure they deserve credit for their deeds.

It has been since 1928 till now that I have been under the doctors care. I thank God I am getting along better in the last few years, although I still suffer very much.

Mrs. Steve Mintz.
