OF INTEREST
To Merchants, Clerks, Teachers, Students, and all Men
JUST PUBLISHED—A NEW and complete set of RULES by which all the fundamental operations of Arithmetic may be performed *in an incredibly short space of time*. To become a master of them will require not more than a couple hours study of any good sound mind; and the student will thereby be enabled to Add, Subtract, Multiply, or Divide, in any sum no matter of how many figures, more accurately, (indeed, *beyond the possibility of an error,*) and in *less than one-fourth the time* required in the old system.
These Fundamental Rules are followed by an Examination into the PROPERTIES OF NUMBERS, which even further facilitates the other operations
There is also embraced in the work,
RULES FOR THE CALCULATION OF INTEREST,
which will work out the interest at any rate upon any sum, with the utmost accuracy, and a simplicity and quickness fully equal to all the other operations by this, and vastly superior to all courses in the old plan.
Together, these form the MOST COMPLETE TREATISE on the Science of Numbers ever issued—and are incalculably valuable to all men from their never-failing accuracy, and to business men from the immense amount of time they save from the most wearisome detail of business life. Particularly ought they to be in the hands of Merchants and Clerks, Teachers and Students, and Young Men generally.
ORDER EARLY!
☞ The copies of the few remaining hundreds of the present edition are being hurried off at a price greatly reduced from that ($5) at which the balance were sold, to make room for a new edition to be gotten up in magnificent and costly style immediately upon closing out the present one.
☞ Every purchaser is bound (as a matter of justice and protection to the copyrightist) by his sacred pledge of honor, to use the Processes for the instruction of himself only, and to impart the information obtained from them to no one.
☞ To obtain the Processes it is necessary to give such a pledge, with the price, Three Dollars, enclosed in a letter, *post-paid*, directed to P. MAY MARKLEY, Funkstown, Washington County, Maryland. The Processes will be forwarded post-paid, to the given address. —Be particular to write the name of Post Office, County, and State, distinctly; with those neglecting this, mistakes frequently occur.
☞ Those preferring it, can order copies of the forthcoming edition, which will be ready about the holidays. The price will be $6; orders sent before its issue will be filled as soon as the copies are ready, for $5.
LOCAL AGENTS WANTED.
In every town, and all through the country, great numbers of copies of these Rules can be disposed of by any one who will only take the trouble to make their scope known. They comprise that which business men, and everybody, has long felt the want of, and will gladly obtain. The nature of the business allows any one to act as Agent, and to energy *ensures* a large reward. As before explained, the business requiring privacy, orders from Agents are filled in separate sealed envelopes for delivery through their hands. When a number of three copies or more are ordered with the remittance at one time, 33 per cent. is allowed to be retained as the Agents fee; and 50 per cent. on orders for eight copies or more.

Important to Millers and Mill-owners!
THE Undersigned would respectfully inform those engaged in the Milling business in North Carolina, that he keeps constantly on hand, and will supply at the shortest notice, that almost invaluable article,
Young's Improved Patent Smut and Screening Machine.
The only Machine of the kind that has stood the test and given satisfaction to the public. It has supplanted every Smut Machine yet offered in the State, more or less of which have been taken down to make room for it. The public need fear no imposition, as there are now some 280 Machines running in North Carolina; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat of Smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the mill and requires but little power. It is warranted for five years against breaking or wearing out, and also to retain its cleansing qualities for that time.
There are a number of these Machines through which 100,000 bushels of Wheat have been cleansed and they have never been out of order one day.
There was awarded to it the Premium of the Maryland State Fair, and a Premium with a Silver medal, at the Fair of the Maryland Institute, at Baltimore, last Fall.

PROSPECTUS OF THE
Asheville Spectator.
THE SUBS RIBER, having purchased the Printing Establishment hitherto known as the ASHEVILLE MESSENGER, will hereafter edit and publish a weekly newspaper in this place, called the ASHEVILLE SPECTATOR.
The "Spectator" will be a political Journal, although it will contain in its columns (not inconsistent with its political character,) such items of news and miscellaneous matter as may interest the general reader; and more especially will it devote a proper degree of attention to the subject of Agriculture—furnishing information respecting the many improvements and discoveries that are constantly being made in this noblest of all pursuits.
The "Spectator" will advocate, with becoming zeal, the principles and policy of the National Republican Whig party, which is the only truly conservative party of the nation—the party, by whatever name it may be called, and whatever may have been its fate at the hands of the American people—that has for its basis the broad platform of the constitution—that, in the language of its great founder, "knows no North, no South, no East, no West." The Whig party is the "Compromise" American Union party, pursuing with steady aim the golden mean, steering, like the skillful mariner, with equal prudence and success, from the Scylla of Abolitionism and Freesoilism on the one hand, and from the Charybdis of Disunion and Secession on the other. Its aim is that of the true patriot, to avoid all ultraisms, having in view the prosperity and welfare of the *whole* country without regard to section.
In matters of State policy, while the "Spectator" will be devoted more particularly to Western interests, it will be conducted in a spirit of justice and fairness towards the other sections of the State; indeed, the Editor can see no good reason why Eastern and Western North Carolina should not move on in concord and harmony, in the advocacy of such measures of internal improvement, and State reform, as may redound to the lasting interests of both sections. It is only by the united action of both eastern and western men that the Old North State can be aroused from her long slumber, and become, as nature intended her, physically as she already is morally, one of the greatest of the sister States. Hence, the subject of Internal Improvements will occupy a conspicuous place in the columns of the "Spectator."
The undersigned would address himself to his friends, and the friends of the Whig cause generally throughout the State, and request them to cooperate with him, in disseminating true conservative Whig doctrines, by subscribing to his paper and inducing others to do the same.
TERMS: The price of the "Spectator" is $2,00 per annum, *payable in advance.*
☞ Persons to whom this Prospectus is sent are requested and authorized to act as agents.

Thankful for past favors, he would again invite all who want a quiet, comfortable and cheap home, while stopping in the city, to give him a call. FOR SALE!
EAGLE HOTEL, CHAPEL HILL, N. C.—The Proprietress of this well known and profitable establishment, having realized a sufficient income to warrant her in resuming the quiet of private life offers to the public generally the opportunity of bidding for its advantages.
The citizens of the State are so well acquainted with the advantages of its position, that but few remarks are necessary, to complete their information.
The Hotel, itself, possesses all the requirements of room and comfort, which its purchasers can desire. It has capacity for the accommodation of one hundred and fifty boarders, and the recent and rapid growth of the University, adjacent, makes it an easy matter to possess constantly *such* or *even* a greater number of students.
In addition to this, the frequent travel through Chapel Hill gives the Hotel, (being the only one in the place) a transient custom equal to any in the State.
The lots and stables adjoining are extensive and commodious and the country-market supplies abundantly and on profitable terms much of its provisions.
The terms of sale require one third of the price to be paid on taking possession. A note with safe security and time of payment suited to the convenience of the purchaser, are the reasonable demands for the remainder.
If further information be desired concerning the inducements to purchase, the President of the University or any other resident of the village, will furnish it.
Possession can be obtained at any time, after the 1st of May. Apply to
ANNE S. HILLIARD. Proprietress.
