MRS. M. M. BROOKSHIRE, P. M.

LOCAL NEWS.

May the virtue of our wives, daughters and sweethearts, ever remain as pure as the air of our valleys, and as firm as the rocks of our mountains.

Wheat is looking very well.

Oh how they *pant* for office.

Who will our Candidates be?

Nothing special from Congress.

One and all come to the Festival.

Hunsucker & Muse still stitching

It takes money to run a newspaper.

Plenty of good Schools in Moore county.

Carthage is still improving. In what——

Another beautiful Sabbath gone.

Away! Away! Is what we heard last night.

The signs "across the waters" indicate trouble.

FOR CONGRESS 3rd District, Hon. A. M. WADDELL.

Mr. Sikes is still pegging away on his harness.

WHAT NEXT.—Ring on Exhibition last week.

He has gone where the woodbine twineth——

The *prospects* for "hard times" is certainly increasing.

Campbell's shoe shop is now closed in Carthage.

STRANGE THINGS JUST NOW.—To hear a pair of cards or the noise of a lady.

Answer to Charade in No. 14 has been sent us by M. McG. Shields to-wit. "Vote for Sheriff Wicker."

Send along your subscriptions. True times are hard but any man can raise $1.50. "Pay what thou owest."

FORBEAR, dear brother, forbear. If thy mule should'st kick every time he is tickled by a fly, his heels would always be higher than his head. This thyself knowest.

MARRIAGES.—A great many have been expected at Carthage for the last few months. "O land of bliss for thee we sigh."

Farming is a business that pays, and it is an honorable occupation; but the sun shines so warm the young able-bodied men don't like it. Want easy positions, yes *easy*.

Our lively friend Mr. G. C. Graves, has just received a full supply of fancy articles, suited to the wants of the young folks. Please give him a call, and see for yourselves.

J. M. Monger of Carthage N. C. who has been merchandising at Cameron, has failed in business. Liabilities about $15,000.00. Of his assets on hand we have not learned, but suppose they have been equally divided among all his creditors.

We call the attention of our readers to the notice of the meeting of our Democratic Executive Committee. Steps will be taken preparatory to a County Convention, and it is essentially necessary that all the Committee should be present.

We are aware that there is a secret influence, at work against the CARTHAGINIAN. But we do hope our friends will remember the *fountain* from whence it springs. Every dog has his day "but when will that one have his?

LET no one become jealous of our efforts to aid by local notice any friend in a good and needful undertaking, or any business enterprise. What we do for one friend in this respect we would do, and ought to do, for *any* other under the same circumstances. We must live to love and be kind to each other. The interests of all (strictly speaking) are identical.

MOTHERS, you should *compel* your nurses to attend to their duties more faithfully. The "babies" are again exchanging "notes." "Puppy love" fever has broken out afresh and it is said to be very fatal to—— virtue when it attacks its victim at so tender an age.

We love to think on what we've seen,
And future times to scan;
But keep us from a "little green,"
Yes, from the *puny* man.

We saw a sight the other day,
We had never seen before;
But for fear the *goose* will "think,"
We'll not repeat it o'er.

For some reason or reasons unknown to us several of our valued exchanges have failed to put in an appearance for two or three weeks past, among them the *Robesonian*, the N. C. *Gazette* and the Camden, S. C. *Journal*. Has a new suit of clothes so excited the vanity and puffed up the pride of the *Robesonian* as to cause it to despise our youth? We can hardly believe so for the reason that we know something of its bringing up and cannot believe it could so far forget the ordinary rules of etiquette as to wilfully neglect a reciprocation of the civilities offered by its cotemporaries. As the *Gazette* and *Journal* have not "rigged out" in new suits, their delinquency must be attributd to a different cause. We miss their weekly visits and hope they will be speedily restored. Rise Bros. McDiarmid, Myrover and Frantham, and explain.

THE LECTURE AND FESTIVAL.—Before the issue of another CARTHAGINIAN the "Lecture and Festival" at the Baptist Church will be over. We hope that all good citizens will give their influence and patronage in this movement. It has been gotten up by the good ladies of the Church, and their worthy effort should be encouraged. We will be pleased to see a general attendance of the citizens in Carthage; and that they will send their children. Parents, last winter you could assent to the little boys and girls having a "party" every few nights, now let's see if you can assent to their desire to attend the Festival. Besides give them a few cents to spend.

WHO WROTE IT.—Several persons have recently been making inquiries of us "who wrote such a communication from such a place." (we mean those about offices.) Now we would respectfully inform such inquisitive people that it is not our business to tell. If any communication should appear in our paper at any time whereby any party or parties have reason to think he or them is injured we will furnish the name of the writer of such pieces upon application. Unless this be the case, we just simply say to one and all, you have no "right" to know nor shall we tell. That's all. You can guess whom you please.

The Democratic Executive Committee of Moore County are requested to meet at Carthage on Saturday the 20th of April, 1878. The following gentlemen comprise said Committee in each Township, to-wit:

Carthage Township, No. 1, Murdoch Ferguson. Ben Salem, No. 2, K. Matheson, Esqr. Sheffield, No. 3, Street Brewer. Ritter's, No. 4, R. Street, Esq. Pocket, No. 5, Wm. McLeod, Esqr.—Jonesboro', No. 6, Dr. J. M. Campbell. Greenwood, No. 7, J. R. McAuley.—McNeills', No. 8, W. C. Thaggard.—Sandhills, No. 9, Dr. J. C. Blue. Jackson Springs, No. 10, Hugh Black.

All of the Committee are especially requested to attend as important business will be transacted.

By order of
W. C. THAGGARD,
CH'M'N OF COM.

PLEASE NOTICE.—The attention of our readers and friends is invited to the advertisement of Messrs. H. J. & A. D. Muse, Carthage, N. C., and of Muse Bros., Cameron, N. C. These gentlemen have just received from the Northern cities a full and well selected stock of Spring and Summer goods, which will be sold cheap for cash or exchanged for produce. The ladies are especially solicited to call and examine their stock of millinery, Ladies Hats, &c. Their assortment is large and varied and will not fail of suiting all classes. The goods were purchased in person by Mr. H. J. Muse, the Senior partner of the firm, and all who know him are willing to risk his taste and judgement in the purchase of nice goods.

The firm of Muse Bros. begun business at Cameron in 1876, and is composed of three persons—all brothers. Those who know them can testify to their honesty and fair dealing; and any who try them will be convinced of the same. We venture to say there is not a firm in Moore county which rests on a more solid basis, than Muse Bros., Cameron, and H. J. & A. D. Muse, Carthage. Go and see for yourselves.

THE NON-ADVERTISER.—Such a man never helps to build railroads, steamboats, telegraph lines, or any thing of the kind. If the balance of mankind was like him, stage coaches (and perhaps not them) would be the only public conveyances. Where great cities now stand, a few double-pen log houses and a bar-room would be instead. Colleges and schools would never have been thought of, and blissful ignorance would now reign supreme. He is never posted on the topics of the day, nor is he informed in regard to commercial affairs, because he shuts himself off from that source of information by discountenancing the press, the only means through which it can be attained. And when he dies he is not generally lamented.

NOTICE the property of N. D. Woody which is advertised for sale in this issue. Everybody in the "upper part" of Moore county is well acquainted with the property, and we can assure any person or persons who want to invest money where it will do good and pay a handsome profit this is the time to purchase. We hope some enterprising man will buy and erect a Factory and thus not only help himself but our county.

THINGS IN GENERAL.

EX-GOVERNOR Moses of South Carolina has been arrested.

A SOAP Peddler killed a negro last week in Asheville.

A STEAMER went ashore near Jacksonville, Fla., last week.

THE Democratic State Convention meets in Raleigh on the 13th of June, next.

Gov. Vance is spoken of for U. S. Senator.

We need a Mail Line from Carthage to Euphronia Church, Moore County.

J. H. Myrover is the chairman of the Democratic Executive Committee for District, No. 8.

The Lenoir *Topic* chimes in with us on the bell punch business, as follows: "North Carolinians have as much pride as anybody—we also have a State debt to pay, and our juleps and punches are as good as those to be found anywhere, and we can cause the bell to jingle pretty often, too—so let's have the Moffet bell punch. Every man who wants to go the Legislature would do well to procure a bell punch and carry it around with him. It would be a good sign—and a significant one. The man with the bell punch is the man for us."
