Words of Truth and Soberness.

THE Dolce Campana Attachment:—Mr Dempster, the celebrated vocalist, writes as follows:

Messrs. BOARDMAN & GRAY—Gentlemen: In compliance with your request, that I should give you my opinion in regard to your newly invented Attachment to the Piano Forte, entitled the "Dolce Campana," I do so most cheerfully, as one of the best things of the kind I have ever seen.

The effects produced by it are novel and pleasing to my ear, conveying to the mind the idea of distant music or bells, with at any of the muffled tone which generally characterises those imitations. I believe it may be used with advantage, either with or without the accompaniment of the voice.

Hoping you may realize benefit from your ingenuity and enterprise, I remain, yours, most respectfully WM. R. DEMPSTER.

WHOLESALE STOCK

OF

BOOTS & SHOES,

FOR SPRING 1854,

BY W. H. ADDINGTON & CO.,

NORFOLK, VA.

WE would call the attention of Merchants in Virginia and North Carolina to this immense stock of BOOTS, SHOES, TRAVELLING TRUNKS, VALICES, CARPET BAGS, &c., amounting to $150,000.

It is one of the most varied, because it embraces every kind of Boots and Shoes that can be found in the United States, and it is the BEST SELECTED stock in all Virginia.

The goods are made to order by the best manufacturers in this country, expressly for OUR WHOLESALE TRADE, and it is consequently better suited to the Trade of Virginia and North Carolina than any wholesale stock of Boots and Shoes ordinarily found elsewhere.

Besides having better goods, the sizes are made regular to avoid an over large quantity of small sizes, which is a great evil to the Merchant and one of universal complaint. Our care has been to avoid this evil in giving orders for the manufacture of our stock of Boots and Shoes.

☞ We are prepared to sell these goods a shade lower than any other house in Virginia, and we will do it. City and Country Merchants are therefore invited to call and look for themselves.

☞ Terms: 6 months credit.

F. BROWN'S ESSENCE OF JAMAICA GINGER.—This Essence is a preparation of unusual excellence. In ordinary diarrhœa, incipient cholera, in short, in all cases of prostration of the digestive functions, so common, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family individual or traveller should be without it, as it enables the system to resist the influences of incipient disease, which lurk in a changing climate.

CAUTION.—Be sure to get the genuine Essence, which is prepared only by F. Brown, at his Drug and Chemical Store, N. E. Corner of Fifth and Chesnut stre
