To all and every one who owe us.
WE have heretofore announced that we have made arrangements to commence business, during the coming spring, in the North-west; at the same time, calling on our customers to come forward and settle. This request has been attended to by only a part, and the large amount still due in notes and accounts will render it absolutely necessary, if they are not paid before our departure, to place them in the hands of our attorney.
Whenever possible, we have granted every indulgence asked for by our customers; but the absolute duty of finally closing up our business in this city renders it imperative on us to call upon them as we do now. E. L. HARDING.
N. B. The books of E. L. Harding will be closed Jan. 1st 1856, and all accounts stated ready for payment.

HOME TRADE & MANUFACTURE.
WE have just made arrangements with the Alpha Woolen Mills of Orange County, N. C., as sole agents in the county of Wake for the sale of their Merinos, Jeans and Kerseys and we invite the attention of our Merchants and farmers, to an examination of these articles. They will find them much better and lower than they can now be procured North. To Merchants we will make them at the factory prices, to enable them to retail them at a profit. To those who have, surplus to clothe, it is to their interest for them to procure these Home made Kerseys, as they can be furnished by the Merchants buying them at the usual prices for good Kerseys, and we guarantee them much better made, heavier, and contains twice the quantity of wool. Call and see for yourselves.
We will have in store also a large assortment of North Carolina Cassimeres, of the Grey and Black, and solid Black, manufactured in Charlotte, at the Rock Island factory. These Cassimeres makes a beautiful and durable coat for gentlemen, and every North Carolinian should have at least one suit. Walk in and see them.

Notice to the Travelling Public.
THE subscriber is again at RALEIGH, and having taken an interest in Mr. T. Whitfield's Hotel in that place, now kept by Mr. John Smith, of Charleston, S. C. believes it to be unnecessary for him to say to the citizens of North Carolina, or any of his numerous friends, from New Orleans to the Lakes of Canada, who stopped with him in Raleigh, Henderson and Weldon, N. C., in 1851-52, and Portsmouth, Va., what sort of a table or house he will keep. They know how to be proud, as a Hotel Keeper, to keep a house well and to none other. His cuisine and house servants are known to be equal to any.
In addition to the other labor, which he has charge of the house, we have, immediately on the establishment, Mrs. Durham, who every way Mrs. Groves am were then fifteen years, as an Attendant, up to 1855.
Believing it to be the interest of the travelling public that there should always be two good houses in Weldon, he does not ask for a monopoly. All he asks is a fair share of the travel, and that, if he is not found deserving it

VALUABLE LAND AND TOWN PROPERTY FOR SALE.
SEVEN hundred and thirty seven acres of land within one mile of the city of Raleigh, 200 of 800 of which are the finest and most productive low grounds in the State, are offered for sale. The cleared ground is in fine till; the land to be cleared is wooded ground. This situation is well known to many of the citizens of North Carolina, but I invite capitalists from any where to come and be competitors for this estate. A lifetime will pass, before such an opportunity will again be presented for a valuable purchase.
I have just erected A SUPERIOR FLOURING AND TWO GRIST MILLS upon the premises.—The Mills can be seen from the Dwelling House, and are therefore all the time under the proprietor's observation. The Mills are supported by the best stream that can anywhere be found, and will never lack for water, being supplied by a Canal well constructed, upwards of 3000 yards in length and 10 feet wide, with a standing head, over 17½ feet wheel and 8 feet fall.
Below this Mill, and within 600 yards, another water power can be employed, using the same water, and, in addition, three other good and constant streams. A 10 foot overshot, or an 10 foot breast, could be employed for any purposes demanded.
An extensive, varied and choice Orchard is attached to the premises.
Further description of this property is deemed needless. Persons desiring to purchase will see that it is their interest to call and examine.—When they do so, they will be better pleased than by reading the above.
The Town Property consists of a convenient and well located lot with a DWELLING HOUSE of six rooms, near the Central Rail Road Depot, and other valuable lots.
The Town property and other lots adjoining the city will be sold at public auction on Tuesday of our next February Court, if not previously disposed of. Terms: one half cash—the other half in six months, with bond and approved security. All of which may be seen on application to

Raleigh and Gaston Railroad.
NOTICE is hereby given, that from and after the 20th January, all dues to this Road for freight must be paid at Petersburg or Portsmouth, except on way freight, which must be paid in advance or on delivery of the goods, as the case may be.
This arrangement will afford great advantages to our customers, by supersuding the necessity of their employing more than one forwarding agent between New York and Raleigh, and having their goods or produce subjected to only one handling.
Agents cannot vitiate the above rule without subjecting themselves to removal.
The greatest care will continue to be taken by the officers and agents of the Company in every department of its business to accommodate the public and promote the interests of its customers.
Whilst the Western merchants are going North a passenger train will leave Raleigh in the afternoon, on the arrival of the train from the West on the N. C. Road; due notice of which will be given.
By order of the Board of Directors.
As the Company has two Depots in Raleigh, merchants ordering goods to go up the N. C. Road are requested to have them distinctly marked, so that their destination may be known, and they may be loaded to the through Depot from Petersburg or Portsmouth.
