HYGEIA HOTEL,

Old Point Comfort.

This delightful summer resort, the most inviting on the Southern Seaboard, and, for attraction inferior to none in the country, convenient to the Salt Bath and the many other luxuries of the tide-water region, in broad view of Hampton Roads and the Chesapeake Bay, and with an extensive military post beside it, has passed to the proprietorship of the undersigned, and will be open for the public reception on the 10 day of June, after which date it will not be again closed.

Disease at Old Point Comfort, at any season, is almost unknown. For health, it may be said, indeed, to rival the most secluded watering place of the mountain interior; so that the splendor may feel no risk in going down to test the attractions of this celebrated lowland retreat.

The proprietor has engaged, for the general superintendence, Mr. JOSEPH B. STEGAL, of Richmond, late of the Huguenot Springs, a gentleman of marked aptitude for the trust he has assumed, while his own supervision will guard the comfort of visitors and the reputation of the establishment.

Peace Proclamation!

THE SUBSCRIBER respectfully informs his friends and patrons, and the public in general, of his return from the Northern cities, and the arrival of his stock of Spring and Summer goods, embracing Cloths, Cassimeres, and Vestings, of French, English and American manufacture, of every variety of color, quality and price.

FURNISHING GOODS,

consisting of super Dress Shirts, Silk, Gauze and Cotton under-shirts; Silk, Linen and Cotton Drawers; Silk, Cotton and Thread, white and fancy Half Hose, Gloves of every variety; a large assortment of Collars, new styles; Cravats, Ties, Stocks, plain and fancy, Suspenders, Silk and Linen Cravats, Silk, Linen, and Linen-cambric pocket Handkerchiefs, Dressing Gowns, &c., &c. In addition, he is also receiving a large assortment of

SUPERIOR READY MADE CLOTHING;

which, being manufactured under his own supervision and direction, he can confidently recommend to all. To this branch of his business he desires to give more attention than heretofore, and will make regular additions to his already complete stock, as the season advances, and the wants of his patrons may require. All he asks is an examination of his stock before purchasing elsewhere. No charge for looking.

To cash buyers, he offers great inducements. He receives regularly the latest French, English and American reports of Fashions, retains the services of the most experienced workmen, both in cutting and manufacturing, and guarantees all his work to be equal, if not superior, to any in the State, or out of it, either in quality or price. If this be true, then ENCOURAGE YOUR OWN PEOPLE! Why send your money to the North, when your wants can be as well supplied at home? Why break down the working men of your own State, (whose interest should be your interest, as yours is his,) to the building up of your openly avowed enemies? Why banish your Mechanics and Artizans from a home, both of nativity and choice, to climes uncongenial—yes, even to the midst of your enemies?

To who have an interest in the welfare of good old North Carolina, think of it; cease this fratricidal policy ere it be too late.

Gentlemen furnishing their own goods may rely upon having the same care and attention as though furnished by myself; but in all cases it is considered a cash transaction. Cutting and repairing done at all times, as usual, *for cash.*

NOTICE IS AGAIN GIVEN TO ALL IN ARREARS for 1855, and previously, that their notes and accounts will not remain in my hands after the first of May ensuing; to all of which particular attention is solicited by

ISAAC PROCTER.

Singer's Sewing Machines.

ALL Persons who desire to obtain full and reliable information respecting SINGER'S SEWING MACHINES—their price, capabilities, advantages, sizes, improvements, method of working, means of procuring them, and all other particulars—can do so by applying at our office

No. 323 BROADWAY, NEW YORK,

by letter or in person for

I. M. SINGER & CO'S GAZETTE.

This paper is devoted entirely to the Sewing Machine interest. Copies will be supplied gratis to all interested.

N. B.—The unparalleled success of our Sewing Machines has induced several fraudulent imitations of them, besides numerous infringements of our patents—of which we own sixteen. Suits for the infringement of our patents have recently been decided in our favor in the U. S. Circuit Courts in New York and New Jersey.—

In these suits the great principle of

Holding down the fabric to be sewed to the surface of the Machine, by a yielding pressure,

which is used in all Sewing Machines—has been fully established. The Wheeler & Wilson, and the Grover & Baker Sewing Machines, as we allege, each infringe three distinct patents, owned by us. We have suits against them in several of the U. S. Courts, which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.

Local Agents wanted to make sales of our improved Sewing Machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered.

New and improved Machines exchanged on liberal terms for old Machines of every kind.
