Newbro's Herpicide

Brings Out The Life and Beauty of Your Hair

For bringing out the natural beauty and luxuriance of your hair and restoring your scalp to a healthy condition, nothing will equal Herpicide.

If your hair is not velvety, soft and luxuriant it means that the natural sheen is hidden. Herpicide will bring out the natural sheen and make your hair fairly gleam with life and beauty. The days of your faded-out looking hair will have passed and your appearance will be so improved that it will be a surprise to you and a revelation to your friends.

Newbro's Herpicide

Removes Dandruff - Stops Falling Hair

Herpicide will not only make your hair beautiful, but it quickly removes all your unsightly dandruff, stops your itching scalp and prevents your hair from falling out. Your scalp will tone up and become healthy - a healthy scalp is the only true hair grower.

Herpicide has a most dainty and exquisite odor. Many ladies use it as a perfume.

Herpicide is guaranteed to do all that is claimed for it or your dealer will refund purchase price. *Buy a bottle today and have beautiful, luxuriant hair.*

SCHOOL BOARD OF CITY FACES PROBLEM IN GETTING FUNDS TO PROVIDE FOR IMPROVEMENTS

The problem of securing finances for further additions to the City Schools has become a serious one—extensions which are absolutely necessary and indispensable and conducive to better educational methods—this having developed at the meeting of the City School Board, Wednesday.

The fact was brought out that four, new, handsome and modern school buildings are now under erection and will be rushed to completion as early as possible, but when the last nail is driven, the grounds will not be suitable. The school yards must be improved, it was said, the children cannot be placed into fine buildings and the grounds left unsuitable for school purposes.

Commissioner R. J. Sherrill said it was his firm belief that if the occasion arises he feels the people of Asheville will respond to giving the City Board the authority to raise more funds for school purposes.

Mrs. Curtis Bynum said she wanted to express to the board, in behalf of the Parent-Teacher Associations of Asheville, the kind appreciation of the organization for the improvements that have been authorized. The members of the board were invited to be present at the next meeting of the Association. Mrs. Bynum explained that there had been some complaints raised here and there about some small improvement, but as a whole the patrons of the schools were satisfied with the progress that has been made.

A letter from the state insurance commissioner was read to the governing body of the schools yesterday, stating that the department would not be able to approve all of the plans of North Asheville school, unless a change was made in construction of the rotunda. It was requested that all the floors be separated by glass as it was understood the main purpose of the change was ordered because, the rotunda was to afford light. The commission believes, that should fire break out in the auditorium, all three floors would be filled with smoke. The matter was referred to the mayor with the power to act.

W. L. Brooker, superintendent of public schools, reported that Asheland and Murray Schools had opened and classes are being organized speedily as possible. He said all the plumbing work at Asheland had been finished.

Construction of a partition in the basement of the West Asheville School was authorized. This was done as one of the grades of this institution is now holding classes in a store building on Haywood Road, near Buffalo Street.

Happy Mother Tells How Children Were Restored

Top left: Little Carolina Deckret; right, Master John Deckret; below, Mrs. Josephine Deckret, who declares Tanlac has been a blessing in her home.

The value of Tanlac as a family medicine is again very forcibly demonstrated in the home of Mrs. Josephine Deckret, 1912 Bank St., Baltimore. After putting this splendid tonic to the test with herself and three children, Mrs. Deckret says:

"Tanlac has been such a great blessing to myself and three children that it has won my lifelong praise. My health had been so wretched for two or three months that I was just dragging around. I could neither eat nor sleep to do much good and had a world of trouble with indigestion. I have just finished by third bottle of Tanlac and am almost a well woman already.

"John Frank, aged six, and Carolina, who is four, both complained of headaches, pains in the stomach and were very restless at night. They had no appetites, were thin and pale, and took no interest in play or anything else.

"And Joseph Paul, two years old, was in just about the same fix. I could not get him to eat, he was fretful day and night, and was very thin and pale. They have taken about two bottles of Tanlac each now, and healthier, happier children could not be found. John Frank has gained six pounds, Carolina eight and little Joseph is as fat as a butterball and playful as a kitten. I certainly have good reasons for praising Tanlac."

The experience of the Deckret family is only typical of thousands of others whose statements are on file in the Tanlac offices. Hardly a day passed that does not bring scores of such messages of praise from every part of the United States and Canada from families where mother, father, son and daughter have all found health, contentment and the joys of living through simply taking a course of Tanlac.

Tanlac is sold by all good druggists.—Advt.

WEATHER FORECAST

(Till 8 p. m. Thursday)

For Asheville and vicinity: Fair tonight and Thursday; little change in temperature.

For North Carolina: Fair tonight and Thursday; little change in temperature; gentle to moderate northeast and east winds.

WEATHER CONDITIONS

There are two disturbances on this morning's weather map: one off the Gulf coast and the other is centered over Montana. The former storm has been attended by rains in the Gulf States and the latter has caused light showers in the Pacific States. In other sections the weather has been generally fair. Pressure has increased in the New England States, but is decreasing in the Lake region and the Ohio valley. It is cooler in the North Atlantic States and slightly warmer in the upper Mississippa valley.

HARDING MAY RETURN TO BOYHOOD HOME

MT. GILEAD, O., Oct. 4.—President Harding expects to return to the scene of his birth and boyhood days on his retirement from the White House, became a possibility today when French Crow, postmaster at Marion, O., and personal friend of the President, acting in behalf of the chief executive purchased the old Harding homestead in North Bloomfield township, Morrow County.

Mr. Crow was quoted as saying the President intends to restore the house in which he was born and where he lived with his father and mother until he went to Marion to seek his fortune. The building for a number of years has been used as a storehouse.

The homestead, consisting of 266 acres, has been in possession of Harry Erickson, who resided on the farm.

NEW YORK, Oct. 4.—Frank M. McDermit, widely known criminal lawyer who served as chairman of the credentials committee of the Democratic National Convention in 1900, died today of acute indigestion at his summer home near Danville.

MORE MEN THAN WOMEN HAVE APPENDICITIS

Medical reports show men are more subject to appendicitis, although many sudden cases occur among women. It can be guarded against by preventing intestinal infection. The intestinal antiseptic, Adler-i-ka, acts on BOTH upper and lower bowel, removing all foul, decaying matter which might cause infection. It brings out matter you never thought was in your system and which may have been poisoning you for months. Adler-i-ka is EXCELLENT for gas on the stomach. Apply Sulphur To Heal Up Your Skin

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

Get a small jar from any good druggist and use it like cold cream.—Advt.
