$300 Reward.

RANAWAY from the subscriber, on the 15th of December, 1856, a negro boy named Dennis. Said boy was about twenty one years of age when he left, and weighed about 140 or 150 pounds. He is dark complected, round faced, full jawed, slightly bow legged, round shouldered, leans forward when he walks, and is very intelligent. He has a scar on the inside of one thigh, caused by a wound received in a fall from a tree. I have reason to believe that he has been in the counties of Johnston, Harnett, Cumberland and Bladen, and in the towns of Averysboro' and Fayetteville, where he passed for a free man, under the assumed names of Joseph Jacobs, John O. Williams and William Caldwell and at times followed the occupation of a ditcher. I have also been informed that he left Raleigh in a buggy with an Irishman, probably under a promise of being taken to a free State.

I will pay a reward of $300 for his apprehension and delivery to me, or for his confinement in any jail so that I can get him, if taken within this State; $200 if taken out of the State; and also $100 for proof sufficient to convict any white person with having harbored him, whether in or out of this State.

PIEDMONT SPRINGS.—The Undersigned has become proprietor of the above named springs. They are situated near the centre of Stokes county, N. C., in a high, healthy, mountainous region of country, within a short distance of Dan River, the Cascade, and "The Torys' Den," a very noted place in the revolutionary war. They also command a fine view of the Blue Ridge, Pilot Mountain, and Sauratown Mountains. The roads leading to the Springs have lately been greatly improved, so that they are now easily accessible to the traveling public, and during the summer season a stage from Salem will run regularly to the Springs to convey passengers. The proprietor has been at great expense in furnishing and refitting the buildings and improving the grounds, and he pledges himself to spare no pains, to render comfortable and pleasant all persons who may visit the Springs, whether for health or pleasure. The mineral water of these Springs have been pronounced by competent judges to be equal to any in the United States. The season will open on the first of June next.

Valuable Land for Sale

THE Subscriber offers for sale a very valuable tract of land, lying ten miles west of Raleigh, near the Central Railroad, containing seven hundred and seventy-five acres, all in woods, about half in pine, with a good seat for a saw mill, and well adapted to the cultivation of turpentine. The remainder is adapted to the growth of corn, cotton and small grain, with a number of low grounds. Any one wishing to purchase will do well to call before purchasing elsewhere. Call, gentlemen, or you will lose a bargain. Come, and if you do not trade it shall be your own fault. Mr. Frank Page or Mr. Pasmore will take pleasure in showing the lands to any person. Both of them live convenient to it.

SELECT MALE SCHOOL AT OXFORD.

THIS School, which hitherto has enjoyed a high degree of prosperity under the conduct of J. H. Horner, A. M., by whom it was originally established, will be opened on the 15th of July, and arranged to prepare boys for the advanced Classes in the University.

For this purpose, Prof. A. G. Brown, whose reputation is well known as a teacher of the Ancient Classics during the last thirteen years at Chapel Hill, will be associated with the present Principal, and Rev. T. J. Horner will continue to be an Assistant Instructor.

The school, as thus organized is designed to be permanent and of the highest grade. As it is divided into a few classes pursuing a regular course of studies, one daily will be devoted to examination and lecture upon the subject of every lesson by each instructor in his own department.

Important advantages have been secured by the establishment of a Literary Society with its library, and an efficient system of discipline, in which especial attention is given to the habits and deportment of the young men when not engaged in the immediate duties of the school.

Its location is very eligible; the climate of Oxford is well [illegible], and the commodious building, lately erected, stands upon an eminence in a beautiful grove, and near the residence of the Principal and other private families, who will accommodate the students with board.

Two terms of twenty weeks each, coinciding with those of the University, compose the scholastic year, and the price of Board and Tuition is ninety dollars a term.

Applications should be made as early as practicable, accompanied in every instance with a statement of the age and proficiency of the applicant.

Mrs. Sigourney's Series of Readers.

THE ILLUMINATED AMERICAN PRIMER; containing first lessons in Reading and Spelling, illustrated with a new Pictorial Alphabet, and a variety of elegant wood cuts: being an introduction to Mrs. Sigourney's Pictorial Reader.

THE NEW PICTORIAL READER; consisting of original articles for the instruction of young children; by Mrs. L. H. Sigourney. Illustrated with over *one hundred* appropriate wood cuts; being an introduction to the Girl's Reading Book, and the Boy's Reading Book, by the same author.

This work has been very favorably noticed in all parts of the Union and is very interesting and instructive for the young, whether in school or out; done up in a neat volume.

THE GIRL'S READING BOOK, for the use of schools, by Mrs. L. H. Sigourney. This work has gone rapidly through a large number of editions.

The Press, and the voice of individuals are unbounded in the admiration of its merits. Every young lady should read it; and every school that does not procure it, suffers *daily* in usefulness.

THE BOY'S READING BOOK; consisting of original articles in prose and poetry; for the use of schools; by Mrs. L. H. Sigourney; a new edition.

EXTRACT FROM THE PREFACE.—"The present volume has been prepared, containing lessons of republican simplicity,—of the value of time,—of the rewards of virtue,—of the duties of this life, as they take hold on the happiness of the next.—These objects have been kept in view, in the composition both of its prose and poetry, and throughout the varied forms of narrative, biography, and didactic essay."

ALWAYS SOMETHING NEW
READ THIS—OLD AND YOUNG!

PROFESSOR WOODS, HAIR RESTORATIVE, Is no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all scrofula, and other cutaneous eruptions, such as scald head, etc. It will cure as if by magic nervous or periodical headache; make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession:

ST. PAUL, January 1, 1855.

PROFESSOR O. J. WOOD.—

DEAR SIR: Unsolicited, I send you this certificate. After being nearly bald for a long time and having tried all the hair restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hand of a barber, and had my head rubbed with a good stiff brush, and the Restorative then applied and well rubbed in, till the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and it is now thick, black and strong—soft and pleasant to the touch; whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I still use your restorative about twice a week, and shall soon have a good and perfect crop of hair. Now, I had read of these things—and who has not? but have not seen hitherto any case where any person's hair was really benefited by any of the hair tonic, etc., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and general sale throughout the Territory. The people here know its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery; and I, for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of ever effecting any such result.

Yours, hastily,
J. W. BOND.
Firm of Bond & Kelley, Druggists, St. Paul.

[From the Editor of the Real Estate Advertiser.]
Boston, 27 School Street, *March* 20, 1855

DEAR SIR: Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is gradually going on, and I am in great hopes in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry and it has ceased to come out as formerly.

Respectfully yours,
D. C. M. RUPP
Professor Wood.

CARLYLE, Illinois, *June* 19, 1855.

I have used Professor Wood's Hair Restorative and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of his "Restorative," it has resumed its original color, and I have no doubt, permanently so.

THREE GREAT LIGHTS!

MANKIND have long been engulphed in darkness, as regards the true means of securing health,—ridding the human body from disease, and preserving life. The sick, under the fallacious treatment of the regular faculty, are subject to a continued practice of probabilities and uncertainties. There is nothing certain or fixed in the treatment of the sick either in the old or new school of medicine.

Dr. Radway has succeeded in producing three remedies—known to the world as Radway's Ready Relief, Renovating Resolvent, and Regulators. These remedies are not only established facts inasmuch as they have never yet failed in their special or combined efficacy in producing fruitful and beneficial results—but, they are facts establishing a science—as they have in all cases, "when tried" succeeded in restoring to health—and ridding the body from disease after all other medicinal treatment had failed—and the most skilful physicians had given up the sick as beyond the power of human means to cure—and pronounced the dreadful mandate—incurable.

Radway's Remedies are therefore fixed facts in the archives of medical science—they have been "so ten tried"—"never denied"—and are ready "to be tried again."

FIRST GREAT LIGHT!

RADWAY'S READY RELIEF.

As a Special Remedy is to be used in all cases where the human body is seized with the torturing pangs or paroxysms of pain—no matter what the cause of the pain may be, or where it may be located—an application of the Ready Relief, either internally as a drink, or externally as an alleviator, will in a few minutes restore the afflicted body to ease and comfort.

In all cases of Bowel Disorders, Dysentery, Cholera, Bloody Flux, Sick Headache, Nervous Headache, and other Nervous Affections, Neuralgia, Rheumatism, Sprains Strains, Tooth Ache, Burns, Scalds, Wounds, Shot Wounds, Bruises, Cuts, Poisoning either by the bites or stings of Reptiles, Insects, or Vegetable or Mineral poisoning by accident—in all cases and under all circumstances where the human system is tortured by Pain, Radway's Ready Relief can be relied upon as a quick, safe and certain remedy.

In cases of Billiousness, Billious Fever, Typhus Fever Ship Fever, Yellow Fever, Fever Ague, Scarlet Fever, and all Malignant Fevers, Small Pox, Measles, Pneumonia, Radway's Ready Relief used in connection with Radway's Regulators, will cure the positively sick, afflicted with these disorders, and protect the system against sudden attacks when either of these malignant diseases prevail.

SECOND GREAT LIGHT.

RADWAY'S REGULATORS

The Discovery of these wonderful pills establishes a new era in purgation and a new principle in the science of medicine. In taking these pills no griping pains or sickness of stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural and healthy condition.

They insure those who take them a good appetite and a healthy digestion.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits, and equalise its circulation.

One or two doses of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver complaint, Billiousness, Melancholy, and will cure all organic diseases, either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

Every dose of Radway's Regulators that it is taken instils new strength within the body of the weak, feeble and infirm. All who take them are delighted with the happy change they experience in a few hours. The dispirited and melancholy feel joyous and happy; the sick and debilitated, strong and vigorous.

THIRD GREAT LIGHT.

RADWAY'S RENOVATING RESOLVENT.

Cures Humors, Salt Rheum, Scrofula, Ulcers, Nodes, Tumors, Fever Sores, Skin Eruptions, Blotches, Bronchitis, Dyspepsia, Gout Dropsy, Syphilis, Consumption, Apoplexy, etc., and all chronic diseases, either inherited by hereditary transmission or inoculated exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases as Radway's Resolvent. It changes the whole human body—reproduces new and healthy blood.

Bleeding from the lungs—Radway's Renovating Resolvent will, in a few minutes, check Hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.

Sarah Hammond of 183 East Thirty second street, had a bad cough for two years, she coughed up sometimes half a pint of blood during the night. She was cured in seven days by the Relief and Resolvent.

A sore leg of 21 years, cured in three weeks, by Radway's Relief. Mr. T. H. Kilgo, a merchant of high standing in Dahlonega, Ga., says: "That a gentleman who for 21 years, had been afflicted with a sore leg that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent, and Regulators.

THE THREE GREAT LIGHTS.

RADWAY'S RELIEF—REGULATORS—RESOLVENT.

In all constitutional diseases, and where the constitution is broken down, or the body in a rapid state of decay, or the system inoculated with the virus of disease, either by the violation of the laws of health, intemperance, excess and indulgence of the passions, or by hereditary transmission as in cases of Scrofula, Consumption, Rheumatism, Gout, Fits, and other heir looms, which a long line of ancestry has so bountifully and richly bestowed on posterity, as a memento of the past, at the cost of the suffering inheritors. These Remedies, in their trinitary capacity, possess a curative power that no disease can withstand; their combined effect will eradicate from the living body every particle of diseased matter, renovate the whole system with health; *heal* the unsound, decaying lungs, or other organs, cleanse and purify the unclean from all impurities.

To the disabled wayfarer, who is crippled with infirmities—we invite you "to try" these Remedies. We will vouch for their efficacy.

With many hundreds of others who have witnessed and felt the effect of "Three Great Lights," and as they rule and govern those bodies which they are destined by the Almighty Power, so these three remedies stand as Rulers, Conquerors and Grand Masters of all diseases.

The R. R. R. Remedies are sold by Druggists, Merchants, and Storekeepers.

THE RALEIGH REGISTER.

I OWE NO MAN A DOLLAR.

BY CHAS. F. SHIRAS.

Oh, do not envy, my own dear wife,
The wealth of our next door neighbor,
But bid me still to be stout of heart,
And cheerfully follow my labor.
You must know, the last of those little debts,
That have been our lingering sorrow,
Is paid this night! So we'll both go forth
With happier hearts to-morrow,
Oh, the debtor is but a shamefaced dog,
With the creditor's name on his collar,
While I am a king, and you are a queen,
For we owe no man a dollar!

Our neighbor you saw in his coach to-day,
With his wife and his flaunting daughter,
While we sat down to our coverless board,
To a crust and a cup of water;
I saw that the tear-drop stood in your eye,
Though you tried your best to conceal it—
I know that the contrast reached your heart,
And you could not help but feel it.
But knowing now that our scanty fare
Has freed my neck from the collar,
You'll join my laugh, and help me shout,
That we owe no man a dollar!

This neighbor whose show has dazzled your eyes,
In fact is a wretched debtor;
I pity him oft from my very heart,
And I wish that his lot were better.
Why, the man is the veriest slave alive,
For his dashing wife and daughter
Will live in style, though ruin should come—
So he goes like a lamb to the slaughter;
But he feels it the tighter every day,
That terrible debtor's collar!
Oh, what would he give, could he say with us,
That he owed no man a dollar!

You seemed amazed, but I'll tell you more:
Within two hours I met him,
Sneaking away with a frightened air,
As if a fiend had beset him;
Yes, he fled from a very worthy man,
Whom I met with the greatest pleasure—
Whom I called by name and forced to stop,
Though he said he was not at leisure.
He held my last note! so I held him fast,
Till he freed my neck from the collar;
Then I shook his hand as I proudly said:
"Now, I owe no man a dollar!"

Ah, now you smile, for you feel the force
Of the truth I have been repeating;
I knew that a downright honest heart,
In that gentle breast was beating!
To-morrow I'll rise with a giant's strength,
To follow my daily labor;
But e'er we sleep, let us humbly pray
For our wretched next door neighbor;
And we'll pray for the time when all shall be free
From the weight of the debtor's collar—
When the poorest shall lift up his voice and cry,
"Now, I owe no man a dollar!"
