SUMMER RETREATS.

YELLOW SULPHUR SPRINGS.—THIS place is now open for the reception of visitors.—It is situated almost incontestably on the summit of the Alleghany Mountain, in Montgomery county, Virginia, and about 34 miles from Christiansburg Depot, on the Virginia and Tennessee Railroad. To persons seeking health or pleasure it affords one of the most delightful retreats any where to be found in the Mountains of Virginia. The powerful curative properties of this water have long been established. For all cutaneous diseases—diseases of the stomach and bowels—it probably excells any in Virginia. For CHRONIC DIARRHŒA it is regarded as a SPECIFIC.

Ample arrangements have been made to convey visitors to and from the Springs in splendid four horse coaches, managed by careful and experienced drivers. Also, an extra line of coaches to run to any of the adjacent watering places.

THOS. H. FOWLKES, J. P. EDMUNDSON, } Proprietors.
ja 17—ewtf CHAS. B. GARDNER,

PIEDMONT SPRINGS.—THE UNDERSIGNED has become the Proprietor of the above Named Springs. They are situated near the centre of Stokes county, N. C., in a high, healthy, mountainous region of country, within a short distance of Dan River, the Cascade, and

"THE TORY'S DEN,"

a very noted place in the revolutionary war. They also command a fine view of the Blue Ridge, Pilot Mountain, and Sauratown Mountain. The roads leading to the Springs have lately been greatly improved, so that they are now easily accessible to the travelling public, and during the summer season a stage from Salem will run regularly to the Springs to convey passengers. The Proprietor has been at great expense in furnishing and refitting the buildings and improving the grounds, and he pledges himself to spare no pains to render comfortable and pleasant all persons who may visit the Springs, whether for health or pleasure. The mineral water of these Springs have been pronounced by competent judges to be equal to any in the United States. The season will open on the first of June next.

HYGEIA HOTEL, OLD POINT COMFORT, VA. This delectable watering place, the "bright particular" locality of all the sunny South—rejoicing in all the tempting luxuries of the salt water region—fanned by the constant sea-breeze, being in broad view of Hampton Roads and the Chesapeake Bay—and totally exempt from disease at all seasons of the year—will be opened on the 1st of June, and remain open the entire year.

In the administration of the establishment, I have adopted the very highest standard, and up to that standard, I engage fully to keep it.

MARION HARLAND'S NEW BOOK!! Now ready and for sale at the Book Stores.
MOSS-SIDE.—By Marion Harland, author of "Alone," and "The Hidden Path."
"Love look up the harp of Life, and smote
On all the chords with might—
Smote the chord of Self, that trembling passed
In music out of sight."
One neat 12mo. volume. Price $1 25.

Nothing need be said by the Publishers to awaken an interest in the new book by this charming authoress. Poetic genius, dramatic vigor, and a "gift of song" which "Hidden Path" have long held in thrall the hearts of readers, and the demand is at present as constant and regular as ever. In Europe they have met with still greater success—no other American authoress has yet been honored by a re-publication in the brightest edition of Standard American Authors. Those who have seen the advance sheets of "Moss-side," unite in the opinion that it is superior to both of Marion Harland's former productions, in interest, style and popular tact; it is full of incident of an exciting nature, while the plot is better and more systematically arranged.

Copies of either sent by mail, post paid, on receipt of price. DERBY & JACKSON, Publishers,

The supply of water is abundant to drive the machinery and is never failing. A more particular description is deemed unnecessary, as persons wishing to purchase will, no doubt, examine for themselves. The title is undisputed.

VISSCHER, OWEN & CO.

HEALTH DEPENDS UPON PURE BLOOD.—This and acrid blood cannot secrete healthy bile, and therefore the first thing for those who are dyspeptic should be to commence the purification of their blood.

Brandeth's Pills,

Not only purify, but they make the blood richer, and add those principles upon which its power to resist disease depends.

Mild operations with successful effect are the peculiarity of Brandeth's Pills. Now that we may soon expect genial Spring, it is of great importance that a few doses be used by the wise. Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandeth's Pills afford an invaluable and efficient protection. By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the delicate organs of the stomach and bowels. They soon cure liver complaints, dyspepsia, loss of appetite, pain in the head, heartburn, pain in the breast-bone, sudden faintness, and costiveness. In brief, Brandeth's Pills work their way to the very roots of the disease, cleansing in their passage, removing every unhealthy accumulation, till the blood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens.

We have thousands of similar testimonials in the following, and such evidence can be had from living witnesses all around us on every side. It is from a gentleman of high respectability, whose letter can be seen at the Principal office. He writes:

"I am now fifty-two years of age. * * * For twenty years I have used your Pills as my family medicine, and I wish no other, and I have never had occasion to call a physician in my family (my self in sickness of my wife with children) during the twenty years."

True Medicinal Principles.

Never extract blood. Blood is the life. By extracting it in painful disease you may occasion the patient one, but remember this cure is only the reduction or lessening the power to feel. And by thus taking away nature's tools, you may prevent her from fully repairing the ravages of inflammation, and convert what might only have been the sickness of a few days or weeks into a chronic affection of months or years.

Purging by Means of Brandeth's Pills.
