THE DISTRICT PARSONAGE.

Sanford Wants It and Is Trying to Take It Away From Us.

Fayetteville congratulated herself four or five years ago in securing the district parsonage, the home of the presiding elder of the district. Several towns, including Sanford, competed for the location, but Fayetteville was the successful contestant, offering, among other things, a building lot and cash subscriptions of the business men of the city of all denominations, amounting to about $600. An ideal place was secured on Haymount, more than half the purchase price being paid and it was thought that the mater was thus permanently settled. However, the property has since largely increased in value, and local contributors will probably hear with surprise of the plan said to be advocated by Sanford and some of the other churches in the upper end of the district, to sell the property here at the advanced price, pay off the debt, and with the balance purchase a new district parsonage at Sanford where real estate is cheaper.

It is to be hoped that no such action will be taken by the district conference, which meets this month in Jonesboro, and that if such is attempted, it may be defeated, and the present beautiful property at Fayetteville retained.

Death of Mrs. D. L. Russell, Sr.

The following, taken from the Wilmington Messenger, will interest some of our older residents, who recall the beautiful bride of the late Mr D. L. Russell, as she appeared in the brilliant throng that nightly filled the corridors of the old St. Nicholas Hotel in New York, when the newly-married couple arrived there in 1855. She was Mr. Russell's second wife, his first being a daughter of David Saunders a very rich planter of Onslow county

Says the Messenger:

"After a long period of failing health, followed by an attack of illness just a few days ago which proved the forerunner of the end, Mrs Daniel L. Russell, Sr., passed away yesterday shortly after noon at the home of her daughter, Mrs. W. J. H. Bellamy, on Second street.

"The news of the death of this venerable and much-loved lady will bring sadness to many hearts.

"Mrs. Russell passed away in the 81st year of her age. She was a daughter of the late Mr Allen Grist of Washington, N. C., and was the widow of the late Mr. Daniel L. Russell. She leaves to mourn her loss two sons: Messrs. T. B. and D. S. Russell, of Maxton, and one daughter, Mrs. W. J. H. Bellamy, of this city. There are also surviving her two sisters, these being Mrs. Margaret Hoyt, of Washington, and Mrs. Kennedy, of Mississippi, and one brother, Mr. Allen Grist, of Tennessee. Both of the sons of the deceased have arrived to attend the funeral.

"The funeral services will be conducted this afternoon at 3:30 o'clock from St. James Episcopal church, and the interment will be in Oakdale.

"A friend has sent in the following notice of Mrs. Russell's death:

"'Mrs. Olivia Russell, relict of the late Daniel L. Russell, Sr., of Brunswick county, died in this city yesterday at 12 o'clock m.

"'She was born in Washington, N. C., April 6, 1826, and was a daughter of Allen Grist, Esq., of that town who in his day was one of the most prominent men of his section, as her late husband was in this State.

"'Mrs. Russell lived until after the late war in Brunswick county at Winnabow where her family lived in great affluence and there dispensed the most lavish hospitality; and many are the friends who will remember the enjoyments of the ante-bellum days at her home. Mrs. Russell has lived in Wilmington since 1868, where she has ever been noted for her piety and many Christian virtues, having been all her life a member of the Episcopal church to which she was greatly devoted.

"'She is survived by her family consisting of Mrs. W. J. H. Bellamy, of this city, and Mr. Thos. B. Russell and David S. Russell of Robeson county and a step-son, Ex-Governor D. L. Russell. She leaves two sisters, Mrs. Kennedy, of Uniontown, Alabama, and Mrs. Margaret Hoyt, of Washington, N. C., and a brother, Allen Grist, Esq., of Chattanooga, Tennessee. She leaves besides a large number of grandchildren and relatives of prominence, among the grandsons being Dr. Russell Bellamy, Esq., of New York; Dr. Frank H. Russell, William J. Bellamy and John D. Bellamy, Jr. 3rd, of this city.

The Scottish Insurance Company.

The Scottish Fire Insurance Company, which was organized in this city some time ago, has recently obtained a charter and gone to work. Fayetteville is proud of this strong home company, which began business on the 12th inst. Its officers and directors are well-known business men, and we predict success from the start.

Mrs. Butler Passes Away.

From Thursday's Daily.

Mrs. E. E. Butler, died at 2:15 this afternoon at the home of her daughter, Mrs. A. L. McCaskill, of this city, aged 62 years. She was the widow of the late Mr. Owen Butler, of this county.

An All-the-Year Resort Hotel.

A correspondent of the State press says that he has heard more than once recently, that a syndicate with ample capital, is contemplating the building of an all-the-year resort hotel on the outskirts of Fayetteville on one of the many beautiful sites for such a purpose. There are no details, but there seems no doubt that the enterprise is in agitation. Fayetteville is the half-way point between New York and Jacksonville Fla., and such a hotel would attract many guests, without injuring the patronage of the excellent Hotel LaFayette.

WHY PERKINS COUGHED UP.

Wilmington Star.]

The Savannah News discussing a remarkable and interesting incident of recent date, says:

"There is speculation as to why Mr. G. W Perkins, after a favorable decision, made restitution to the New York Life Insurance Co. any of the $50,000 which he, as vice president of that company, had contributed to the Republican campaign fund in 1904. One of Mr. Hearst's papers says that the reason is that Mr. Perkins wanted to stave off or stop any possible digging into the contract of the International Mercantile Marine Company, of which he is American manager, with the Postoffice Department. Mr. Hearst's paper says that Perkins gave the campaign contribution of $50,000 to George B. Cortelyou, then both chairman of the Republican National Committee and Postmaster General, and that Cortelyou gave him in return a mail contract for his Mercantile Marine Company that would yield a net profit of $5,000,000 in ten years. The other New York papers do not give the reason, however. They don't give any reason. Hence, the speculation as to why Mr. Perkins made restitution goes on."

If there is any truth in the alleged reasons why Perkins "coughed up" the whole truth ought to be brought out. Perkins is not really trying to cover up that $5,000,000 deal, the thrift of fellows like Perkins from their business with the Government shows why it is to their interest to subscribe thousands of dollars to the Republican campaign fund, and even to take $50,000 of the money of an insurance company to help out their interest.

It should be noted, however, that Cortelyou was not Postmaster General at the time of the $50,000 contribution, but was Secretary of Labor and Commerce, a position which better enabled to pull the leg of the corporations and trusts.

MR. BRYAN'S ORATORY.

Ohio State Journal.]

The whole address was as plain as a piece of wood, yet there was a charm about it that was most enticing. His manner was quiet. He had hardly a gesture above the level of his elbow. His voice was conversational and scarcely rose or fell during the address. There was a softness, a gentleness in the voice that was winning. And the language was plain and the words aptly chosen, so that they conveyed the picture without a particle of glamour about it. Why may not that agreeable, intellectual style of oratory be taught and practiced everywhere?

CUMBERLAND COUNTY CONVICT

Pardoned by the Governor.

Pardons were yesterday granted by Governor Glenn to five parties on conditions of good behavior. One of these was to A. J. Harmon, convicted in this county of stealing a bicycle.

The Governor in granting the pardon, says: A. J. Harmon, Cumberland county. The defendant was convicted during the May term, 1904, of stealing a bicycle valued at $25, and sentenced for five years to the county roads. He has been in prison nearly two years and has made a good prisoner. The trial judge and solicitor, the present solicitor, the prosecutor and all county officers recommend his pardon. He has been a good prisoner and was of good character before he committed this crime, and I think has been punished enough. I therefore grant pardon conditioned on his remaining of good behavior.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison-marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. RAILWAY ACCIDENTS.

The Baltimore Sun calls attention to figures contained in accident bulletins of the Interstate Commerce Commission from October 1, 1901, to June 30, 1906, which are of peculiar and timely interest in view of the widespread discussion provoked by the large number of recent disasters occurring on American railroads. According to the bulletin 70 per cent. of all accidents on railroads in the United States during the period stated were due to "neglect of trainmen and enginemen"; 5.4 per cent. occurred when working excessive hours, and 22.9 per cent were due to other causes. The damage resulting from the first class of accidents aggregated in value $3,343,945; from the second, $126,115; from the third, $1,297,155. The total number of persons killed in the period covered by the bulletins was 1,129, of whom 80.1 per cent. lost their lives through the "neglect of trainmen and enginemen"; 1.8 per cent. were killed while men were working excessive hours, and 18.1 in accidents due to various causes. The total number of collisions during the period was 446, 2.8 per cent. of which were due to disregard of signals in automatic block systems, 5.5 per cent. to errors of signalmen in non-automatic block signal systems, and 1 per cent. to the disregard of signals in the latter systems.

Not the least interesting fact brought out by these figures is that to the effect that in 73 per cent. of these accidents automatic block signals would have given warning and perhaps have prevented collisions, while only 15.2 per cent. of the collisions were of such character that automatic block signals would have afforded no additional protection. In other words, nearly three-fourths of the accidents occurring during the period under notice were of a preventable character and would probably not have occurred had all the railroads of the country been equipped with the automatic block system. It would appear, then, that the two most urgently needed railroad reforms in this country are the equipment of all roads with the automatic block system and the holding of operating employes to greater and stricter accountability for negligence.

Rising From the Grave.

A prominent manufacturer, Wm. A. Fertwell, of Locama, N. C., relates a most remarkable experience. He says: After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the Diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have trouble me for years." Guaranteed at B. E. PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—eases blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure.
If it's painful periods with women, same cause.
If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That sure is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bridge your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

The Only Safe Rule

In buying Fertilizers is to select only those brands which have stood the severe test of thorough and oft repeated trial and long continued use. Don't go by the "looks" or even the "smell," for most

Fertilizers

look and smell alike; have the same general "family resemblance," so to speak. You'll never go wrong in buying Sea Fowl, Navassa, Owl, Pocamoke, Swifts, Navassa Acid Phosphate, Genuine German Kanit, etc. For over 25 years we have sold most of these brands, with ever increasing satisfaction to our hundreds of customers who have used them regularly.

Are you pleased with your "Flour bread?" If you are, try

PERFECTION

and you will be still better pleased. If not, by all means try Perfection next time, and you will be. It is

"The Flour That Never Falls."

No matter how often you buy it. Everyone buys it, nearly, because they know it to be the BEST and CHEAPEST Flour sold in Fayetteville.
