PLAN OF THE LOTTERY!

The numbers from 1 to 50,000, corresponding with those numbers on the Tickets printed on separate slips of paper, are enrolled with small tin tubes and placed in one Wheel.

The first 437 prizes, similiarly printed and enrolled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of numbers, and at the same time a prize is drawn from the other wheel. The number and prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the prize being placed against the number drawn. This operation is repeated until all the prizes are drawn out.

Approximation Prizes.—The two preceding and the two succeeding numbers to those drawing the first 7 prizes will be entitled to the 28 Approximation Prizes. For example: If Ticket No. 11250 draws the $70,000 prize, those Tickets numbered 11248, 11249, 11251, 11252, will each be entitled to $400. If Ticket No. 550 draws the $30,000 prize, those Tickets numbered 548, 549, 551, 552, will each be entitled to $300, and so on according to the above scheme.

The 5,000 Prizes of $20 will be determined by the last figure of the number that draws the $70,000 prize. For example: if the number drawing the $70,000 prize ends with No. 1, then all the Tickets, where the number ends in 1, will be entitled to $20.—If the number ends with No. 7, then all the Tickets where the number ends in 7 will be entitled to $20, and so on to 0.

Certificates of Packages will be sold at the following rates, which is the risk:

Certificate of Package of 10 Whole Tickets,			$50
" " 10 Half "			40
" " 10 Quarter "			20
" " 10 Eighth "			10

HATS! HATS!! HATS!!!
SPRING AND SUMMER STYLES.
JNO. W. WIGGINS,
No. 46 FAYETTEVILLE STREET,
HAS NOW IN STORE THE LARGEST AND most varied assortment of Spring and Summer Hats ever offered in this market, and will continue to make additions in the way of new styles as the season advances. And one thing, he would assure his customers, that when he offers a new style, they may depend upon its entire originality, as he does not offer an old style resurrected under a new name. The superior quality and finish of the Hats he now offers, renders it unnecessary for him to do more than submit them to the inspection of the most fastidious taste. He confidently asserts that he has never before offered so great a variety of styles, which will be offered at prices that cannot fail to meet the closest purchaser.
