COYNER'S WHITE AND BLACK SULPHUR AND CHALLYBEATE SPRINGS.—This favorite resort for pleasure and health will be opened for the accommodation of visitors on the 1st of June. It is situated on the line and in full view of the Va. and Tenn. Railroad, about half a mile from Bonsack's Depot, Roanoke, Va., at which Depot an Omnibus and porters will always be found waiting the arrival of the cars, to convey visitors and their baggage to the Springs.

Important improvements have been made since last season.

A Telegraph office has been established, which affords convenient and instantaneous communication with all parts of the country.

Another White Sulphur—stronger, bolder, and a superior Challybeate Springs have been discovered and improved since the last season—so that the variety and value of the mineral waters now afforded at the place are unequalled by any other place now known to the public. This similarity of the White Sulphur to the justly and far-famed Greenbrier White Sulphur is so striking as to be at once recognised by all who have [illegible] cases of dyspepsia, serious affections of the liver, kidneys, and bladder, general debility, and especially diseases of the nervous system, and those diseases peculiar to FEMALES. The Black Sulphur, in all kinds of diseases of the skin, aggravated cases of tetter and other eruptions of the skin—of great numbers and of long standing; seventy have been entirely cured.

The accommodations are equal to any to be found in the mountains of Virginia, and the table and attendance of the most satisfactory character—as to all which we beg to refer to the large number of persons who have heretofore visited the place.

A Billiard Saloon, Ten Pin Alley, and other amusements afford pleasant and healthy recreation. E. Davidge's celebrated Band, from Baltimore, has been engaged for the season. J. A. HEFFELFINGER, ma 22—2m$Ac Proprietor.

THE LIVER INVIGORATOR! PREPARED BY DR. SANFORD Compounded Entirely From GUMS, IS ONE OF THE BEST PURGATIVE AND Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

SANFORD'S LIVER INVIGORATOR.

The Liver is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty.—For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease, effecting a radical cure.

Billious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents Nightmare.

Only one dose taken at night, loosens the bowels gently, and cures Costiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while Summer and Bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in children; there is no surer, safer, or speedier remedy in the world, as it never fails.

A few bottles cures Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Billious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, *even the first dose giving benefit,* and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst *Jaundice or Dyspepsia* to a common *Headache,* all of which are the result of a Diseased Liver.
