WHAT THEY SAY ABOUT

DR. KING'S ROYAL GERMETUER

The following is an extract from a letter written by the World Renowned Evangelist:

I returned from Tyler, Texas, on the 12th inst. I find my wife has been taking Royal Germetuer to the GREAT UPBUILDING of her physical system. She is now almost free from the distressing headaches with which she has been a MARTYR for twenty years. Surely it has done wonders for her! I WISH EVERY POOR SUFFERING WIFE HAD ACCESS TO THAT MEDICINE.

Rev. J. B. Hawthorne, Pastor First Baptist Church, Atlanta, Ga., was cured of a long standing case of Catarrh. His wife had been an invalid from nervous headache, neuralgia, and rheumatism FOR THIRTY YEARS, scarcely having a day's exemption from pain. After using Royal Germetuer two months, he writes: A more complete transformation I have never witnessed. EVERY SYMPTOM OF DISEASE HAS DISAPPEARED. She appears to be twenty years younger, and is as happy and playful as a child. We have persuaded many of our friends to use the medicine, and the testimony of all is that it is a great remedy."

Royal Germetuer is a boon to [illegible] strength, increases the [illegible] and digestion, relieves them of the [illegible] and insures health.

[illegible] cure for Rheumatism, Neuralgia, Insomnia, Dyspepsia, Indigestion, Liver, Bladder and Kidney Troubles and Fevers, Catarrh, all Blood and Skin Diseases, Female Troubles, etc.

[illegible] desire to reach more suffering humanity the price has been reduced from $2.50 to $1.00 per bottle, which makes one bottle of this concentrated medicine as cheap as most other medicines. For sale by the

THE RAPE OF THE SOUTH.

Republicans at Work to Steal the Votes of the Southern People.

WASHINGTON, April 26.—The committee selected by the Republican House caucus to consider and report to the caucus whether it should undertake to pass the national election laws on the lines of the Lodge bill or should provide for an extension of the supervising system, had a meeting today to begin the consideration of the subject. Several members of the committee were absent, so action today was confined to the decision to prepare bills embodying the two views as a basis for selection at a subsequent meeting.

Mr. Rowell, who is chairman of the elections committee, will frame the bill to extend the supervisory system, and Mr. Lodge will prepare the national election bill and, acting under instructions, will eliminate from his original bill the provision for the adoption of the Australian system of voting, leaving the different State laws in effect, and will also modify the bill so as to make its provisions of general application without requiring any specified number of voters to petition therefor.

The Scotch-Irish of Alabama.

BIRMINGHAM, ALA, April 26.—The Scotch-Irish Association for the State of Alabama was formed this afternoon by the election of Gen. R. D. Johnson president, and William G. Montgomery secretary. The association is formed of the leading citizens of this city and State, and it will send delegates to the Scotch Irish Congress which assembles at Pittsburg on May 29.

LADIES AND GENTLEMEN

ARE INVITED TO JOIN THE NORTH CAROLINA WATCH AND JEWELRY ASSOCIATION.

An association is now being formed by Boyne & Badger, Jewelers, Charlotte, N. C. with both lady and gentlemen members, for the purpose of easy and facilitated means of purchasing high class Watches, Jewelry, Diamonds and Silver Plate.

Each club will consist of 50 members either ladies or gentlemen. Now to enable the Club to determine the member who shall wear the watch they place the member's name in a sealed envelope in a box, and allow the members present, or some disinterested person to mix them and draw one out, representing, as it does, a member's name; by reference to the club list, the name is found and we deliver the watch selected to the member so designated by the Club. No entrance fee, but by a weekly subscription of $1.00 each, become entitled to any article or articles of the regular retail value of $60.00. Each member receives a number, ranging from 1 to 50, and these numbers are put in sealed envelopes. Each week the 50 members pay $1.00 each and this $50.00 pays for one watch. Thus of course there are only 49 names for the next week, 48 for the next, 47 for the next, 46 for the next, and so on until all have been drawn, and each member has his. At the time of the last payment we present to the Club a Solid Gold Chain worth $20, which the Club can decide who shall receive. Now when you draw your watch you continue to pay your $1.00 each week until the 50 weeks have run out.

There is no lottery about it. Don't join if you expect to get a watch for $1 or $2 and then stop paying. The club is not an installment plan. Instalment houses make you pay for credit, but our club plan is cash, as you see we receive the money each week for the watch that goes out, representing as it does a wholesale guaranted sale of 50 watches, worth $2,500. We can afford to sell them at least $10 cheaper. We guarantee to save you from $5 to $10 over cash prices offered by other houses.

Join Watch club. You will probably spend the $1 a week foolishly, and have nothing to show for the money. Put it in a gold watch which will be of service to you. If you want a higher priced watch, say a $65 one you pay $1.30 a week; $75 $1.50 a week; $100, $2.00 a week. You can pay monthly if more convenient.

This will result in a very perceptible gain to many, who by simply putting by a dollar a week (which everybody can spare) at the end of twelve months become possessed of a costly piece of Jewelry, that otherwise they would not have purchased.

Amongst the bona-fide articles usual price $60 that members of the association can purchase by virtue of their membership at $30.

SERIES I.—Gents 18 or 16 size. Solid 14 karat (warranted U. S., Mint Assay) gold hunting case, over 42 dwts. Engine turned or partially engraved, with either Waltham, Elgin or Columbuus Co's movement, full 15 jewelled, Compensated Balance, Patent Brequet Hair spring patent, regulator guaranted and kept in order (if no breakages) for 3 years.

SERIES II.—Ladies fine 14 karat solid gold hunting, Diamond jeweled case with fine extra jeweled Elgin or Waltham movement. This is a specialty or the Association and a marvel of fine value.

SERIES III.—Is for Diamonds, those who may prefer. Equally fair value in a Diamond Studd or Ring, or a Ladies Diamond Ring, Lace Pin or Bracelet.

There is no clap trap nonsense about this Association, so pay no heed to slanderous and untruthful reports of vexed and jealous competitors
