Our warehouse, which we built expressly for our own use, contains six floors, 30 x 160 feet, and the large and extensive assortment which we keep, require its entire occupancy. No house in any of the Northern Cities, jobbing goods to the country, can present the same combined advantages to the country merchant, as our stock is not only large, but obtained upon conditions which will defy competition.
We contract with the Manufacturers for all the American articles we sell, and send a buyer to Europe regularly twice a year, to select our Foreign goods. We are enabled thereby to offer great advantages in prices, as well as to get up a stock at all times replete with the newest and most desirable goods.
Merchants in good credit are invited to examine our stock when they next visit Baltimore, and they will promote their own interest by doing so.

A Splendid Opening for Investment!
TOBACCO FACTORY AND FIXTURES FOR SALE!!
THE SUBSCRIBERS OFFER [redacted] their Tobacco Factory and Fixtures [redacted] Granville County, N. C., immediately [redacted] leading from Oxford to Hillsboro'. The house is large enough, and sufficient to work thirty hands. There is also on the lot a good single story dwelling with two rooms, good kitchen, smoke-house, negro-houses, stables, crib, steam-house, &c., &c. A splendid opportunity is here presented to any one wishing to engage in manufacturing Tobacco. The location is a good one, being on the edge of the lands that produce as fine, if not the finest Tobacco in the State. There is always money to be made by a well conducted factory. The neighborhood is unsurpassed for morality and health. Having sold out our store at Tally Ho, and one of the partners of the concern having moved from the neighborhood, renders it necessary to close the entire concern as soon as we can, and, therefore, would like to have propositions for our factory at an early day.—Terms will be reasonable. For further particulars, address A. H. Cooke, at Oxford, or J. J. Meadows and Dr. A. Fleming, at Tally Ho, N. C.

TO FARMERS AND PLANTERS.
NAVASSA GUANO.
THE NAVASSA GUANO IS THE MOST concentrated Phosphatic Manure now in market, and is most carefully ground before sold. The paramount object of its application should not be so much to benefit a special crop, but to improve our soils permanently, by amply supplying them with Bone-Phosphate of Lime.
This Guano, though of but recent importation, has already gained the favor of the agricultural public, and cannot fail to recommend itself, particularly to the Farmers and Planters.
