"EAGLE HOTEL,"

CHAPEL HILL, N. C.

THE Proprietress of this well known and profitable establishment, having realized a sufficient income to warrant her in resuming the quiet of private life offers to the public generally the opportunity of bidding for its advantages.

The citizens of the State are so well acquainted with the advantages of its position, that but few remarks are necessary, to complete their information.

The Hotel, itself, possesses all the requirements of room and comfort, which its purchasers can desire. It has capacity for the accommodation of one hundred and fifty boarders, and the recent and rapid growth of the University, adjacent, makes it an easy matter to possess constantly *such*, or *even* a greater number of students.

In addition to this, the frequent travel through Chapel Hill give the Hotel, (being the only one in the place) a transient custom equal to any in the State.

The lots and stables adjoining are extensive and commodious and the country-market supplies abundantly and on profitable terms much of its provisions.

The terms of sale require one third of the price to be paid on taking possession. A note, with safe security and time of payment suited to the convenience of the purchaser, are the reasonable demands for the remainder.

If further information be desired concerning the inducements to purchase, the President of the University or any other resident of the village, will furnish it.

Possession can be obtained at any time, after the 1st of May.

Spring Trade,

I take this method of returning my sincere and unfeigned thanks to my friends and the public generally, for the liberal patronage which they have bestowed upon me for the last five years, and I hope, that by a strict attention to business, to merit a continuance thereof. I have on hand, at my Manufactory on Bank street, a good supply of Carriages of my own manufacture, which I will sell on as accommodating terms as the same work can be procured in the State. And I would also state, for the information of those who are in the habit of patronizing Northern Manufactories that having in my employ the best workmen to be found in the City, using none but the best materials, and being myself a practical Coach Maker, I am prepared to make to order anything in my line, from a one horse Sulkey to the finest Coach that runs our streets, which I will warrant to render as much service to the purchaser as any to be found either North or South.

I am also prepared to do repairing at the shortest notice and in a superior manner, and on the most reasonable terms.
