Immense Combination.

ROBINSON & ELDRED

AND

SANDS, QUICK & CO.

The most extensive Manegerie, and the most elegant and chaste

CIRCUS COMPANY.

HITHERTO either of these splendid Establishments have alone outrivalled all competition.—They are now combined, and both Exhibitions can be enjoyed in all their magnificence and splendor for the same price as was formerly demanded and paid to witness one. The Company will exhibit at

Ashborough, Thursday Dec. 16; at Arnold's Store, Friday, Dec. 17; at Miller's Store, Saturday, Dec. 18; at Salisbury, 20th and 21st.

☞ Admission to the whole exhibition of Animals and Circus, 50 cents; children and servants half price.

All opposition at an end.

The hitherto unheard of combination of these two tremendous establishments is a new era in the history of the exhibition of

Circus and Wild Animals,

and throws all of Barnum's speculations in the shade

ROBINSON & ELDRED

have hitherto enjoyed the highest popularity and renown for the productions of the most supurb feats of Horsemanship, by Master James, Master John, Madame Robinson, Mad'lle Henrietta, and the whole of their inimitable Troupe, as well as for the chasteness and decorum which ever characterised their arena performances. But in order more fully to satisfy their Southern patrons, they have effected a combination with the equally celebrated

SANDS QUICK & CO.

whose wonderful collection of rare and wild Animals is notorious as far surpassing any other in America.

The Great War Elephant Bolivar, the largest and best trained of all the sagacious monsters ever yet exhibited, is with this great combined

Southern Menagerie and Circus.

The huge White Bear, weighing 1,500 pounds, and the only specimen now living in America, adds wonder to this superb collection. Lions, Tigers, Hyenas, Leopards, Apes, Monkeys, Ourang Outang, Birds of different climes and species, and an endless variety of Animated Nature, will be exhibited to the delight and improvement of all who visit the canvass.

T. U. TIDMARSH, Agent.

☞ Doors open for Day performance, at half after 12 o'clock, performance to commence half after 1 o'clock. Night performance, doors open at 6, performance to commence at half after six.

The whole exhibition under one enlarged immense Pavilion.

BARGAINS!

BARGAINS!! BARGAINS!!!

The subscriber offers for for sale two **Valuable** small Plantations, one of them contains **100 Acres,** lying on the road leading from Salisbury to Hix's Ferry, (formerly Chamber's Ferry,) four miles from Salisbury, on which there is a first rate orchard, very large and of choice fruit, and a beautiful situation, and one of the healthiest places in the country; the land is well timbered, and is well adapted to Cotton and all the grains, and is within a quarter of a mile of the Rail Road; there is about forty acres cleared land on this place. The other plantation, **140** Acres, lies within 3½ miles of the town of Salisbury, and is one of the most convenient places in the county—the land is very free and productive, and is well watered; the land is all fresh, and so arranged that every field can be pastured, and it can't be beat for that purpose: it has a most excellent Meadow on it, well set with herd grass, and is well adapted for tobacco and cotton, and can't be beat for all the various grains, &c. Both of these places can be had with the crops on them, together with a handsome stock of young Cattle, Hogs, and Farming Tools. Those wishing to buy will please to call on the subscriber at his residence four miles from Salisbury, on the road leading to Hix's Ferry.—Persons wishing to buy would do well to call soon, as the only object he has in offering his property for sale is to go to the South on account of his health. Both of these places are in one mile of each other, and the Central Rail Road runs near midway between them. Good Millss and Market for timber handy.

P. S. In the last mentioned tract, there is about forty-five acres cleared.

Valuable Lands for Sale--4 or 5 Tracts.

I HAVE several small but valuable plantations on the waters of Hunting Creek, in Iredell county, which I will sell on good terms. There is water power on one of these tracts sufficient for any purpose.—Any one wishing either to purchase it or to invest capital as a partner in the erection of a Factory, or machinery of any description upon it, will give me a call soon. These lands are all within one day's travel of the Great Central Rail Road, in a healthy section of country.

The above named water location is joining the Eagle Mills Manufacturing Company, and this place is now called South Troy; and there is a fair prospect for a Rail Road or a Plank Road, to run via Eagle Mills and South Troy, or near there, leading via Mocksville, Hamptonville and Wilkesborough, on towards Virginia and the mountains; when done, the rich provisions of those rich valleys will flow to Salisbury, and thus enrich the Great Central Rail Road.—Then there will be a chance to speed all kinds of manufactured goods to a ready Market. Come and help me build Paper Mills, Brass and Iron Foundries, Wool Mills, or any thing else you please. We can commence and build a Rail Road to Salisbury and then to the mountains, we can make the Iron here, either the T or U, Iron, and we can also build the Cars and Locomotives at Eagle Mills or South Troy. So let us look into this matter for our own advancement, and the credit of the State.
