**MAGNOLIA BLOSSOMS.**

Over night they have come,
The great soft blooms
Like flocks of birds
Pink-breasted;
Pausing on bare gray branches,
Some brooding,
Some poised, wings lifted.

Briefly they linger,
Then, over night,
Take flight,
Littering the ground with pink petals.

Susanna Myers.

*Expecting a Baby?*

*Mother's Friend helps bring ease and comfort to expectant mothers.*

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy . . . it helps keep the skin soft and pliable . . . thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin . . . for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use.

**Mother's Friend**

Highly praised by users, many doctors and nurses. Just ask any druggist for Mother's Friend—the skin lubricant. Try it tonight.
