THE NORTH CAROLINA MUTUAL

LIFE INSURANCE COMPANY.

RALEIGH, N. C.

THE above Company has been in operation since the 1st of April last, under the direction of the following Officers, viz:

Dr. Chas. E. Johnson, President,
Wm. D. Haywood, Vice President,
James F. Jordan, Secretary,
Wm. H. Jones, Treasurer,
Perrin Busbee, Attorney,
Dr. Charles E. Johnson, Dr. Wm. H. McKee, Dr. R. B. Haywood, } *Medical board of Consultation.*

J. Hersman, Gen'l Agent.

This Company has received a charter giving advantages to the insured over any other Company. The 5th Section gives the Husband the privilege to insure his own life for the sole use of his Wife and Children, *free* from any claims of the representatives of the husband or any of his creditors.

Organized on purely *mutual* principles, the life members participate in the whole of the profits which are declared annually. Besides, the applicant for life, when the annual premium is over $20 may pay one half in a Note.

All claims for insurance against the Company will be paid within ninety days after proof of the death of the party is furnished.

Slaves are insured for one or five years, at rates which will enable all Slaveholders to secure this class of property against the uncertainty of life.

Slave insurance presents a new and interesting feature in the history of North Carolina, which will prove very important to the Southern States.

The last four months operation of this Company shows a very large amount of business—more than the Directors expected to do the first year—having already issued more than 200 Policies.

All Communications on business of the Company should be addressed to JAS F. JORDAN, *Secretary.*
