THE PUBLICATION OF THE NORTH Carolina Presbyterian will be resumed in Fayetteville, on Wednesday, the 2nd of January next.

Confidently relying on the hearty support which we have heretofore received, we shall endeavor to render the paper more attractive both in appearance and matter, than it has ever been, sparing neither pains nor expense in the accomplishment of this purpose.

With the passing away of old things, a new spirit of activity, energy and enterprise, has been infused into every department of secular thought and business. Why should not the Church, also, partake of the progressive advancement? Why should she, of all the agencies, brought to bear with such tremendous force upon the civilization of the present time, be inefficient, laggard and almost hopeless, in the working out of her own destiny?

To arouse the church to the importance and necessity of work; of vigorous, restless, tireless energy in the service of her Master and Head; this shall be our first, ever aim. In this we need assistance. We are not alone, sufficient for these things. Our brethren must help us in every way; by contributions from their own stores of thought and study; by zealous co-operation, in a common cause, for the benefit of all; by extending our circulation throughout all our borders, and thus giving us the means and opportunity of performing well the work to which we have consecrated all that we have, and all we hope for on the earth.

## Pills and Salve.

These Life-giving remedies are now, given publicly to the world. For over a quarter of a century of private practice the ingredients in these

*LIFE-GIVING PILLS,*

Have been used with the greatest success. Their missioners not only to prevent disease, but to cure.—They search out the various maladies by which the patient is suffering, and revigorates the failing system. To the aged and infirm a few doses of these valuable pills will prove to be

*A VERY FOUNTAIN OF YOUTH.*

For in every case they add new life and vitality, and restore the warning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. There is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to the vigor and make youth ever

*AN ETERNAL SPRING!*

It was left for this day and hour to realize the dream and show in one glorious fact, the magic that made it air.

*THESE FAMOUS REMEDIES*

Cannot stay the flight of years, but they can force back and hold aloof, diseases that might triumph over the aged and young. Let none hesitate then but seize the favorable opportunity that offers. When taken as prescribed—

*FOR BILLIOUS DISORDERS—*

Nothing can be more productive of cure than these Pills. Their alwost magic influence is felt at once, and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

*VEGETABLE COMPOUNDS.*

They will not harm the most delicate female, and can be given with good effect in described doses to the youngest babe.

## A THOROUGH FAMILY MEDICINE!

'Great Oaks from little acorns Grow.'

The worst diseases known to the human race spring from causes so small as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close. Maggiel's Billious, Dyspeptic and Diarrhea Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggiel's Salve is infallible. Sold by J. PROSPECTUS OF THE

## RUTHERFORD STAR.

The Undersigned propose to publish, in the village of Rutherfordton, a weekly Newspaper to be called "The Rutherford Star."

It is our desire to make The Star a welcome visitor to all those who feel an interest in the prosperity and welfare of our country as a whole, and the perpetuity of our institutions, as handed down to us by our noble ancestry, a Federal Republican Government.

Our people have but lately emerged from a gigantic civil war, waged by and between Sections of a once glorious Union, and more desolating to our particular section, than anything that has ever happened on this continent, and it is to be hoped, than ever will again.

While there is life there is hope, and notwithstanding the great changes wrought by the late civil war, we shall encourage the people to honesty, industry and economy, we shall take special pains to keep them posted with all beneficial improvements of the age, so that they may once more enjoy bountiful stores, prosperity and happiness.

We shall from time to time publish such laws, both State and National, as our people are directly concerned in, and shall likewise use our influence to establish a sound circulating currency, so much needed at the present time.

We shall be governed by principles and not men, for according to our honest conviction, the present condition of our country is owing to the abandonment of principles, we mean the abandonment of those fundamental principles upon which the Government of the United States was reared.

We shall favor and encourage the development of all our resources, Agricultural, Mineral &c., and likewise such internal improvements as will most likely be beneficial to the Country, and especially the extension of the Wilmington, Charlottee and Rutherford Rail Road west.

As to Politics we are True Conservatives, believing neither in the Fire Eaters of the South, nor the Radicals of the North, but in the Constitution, the Union, and the enforcement of all Constitutional laws, whether State or Federal, and a ready and willing obedience to the same.

The Star will be published every Wednesday at the following rates, (strictly in advance,) payable in currency or produce at market prices.

NEAR THE YADKIN RIVER—NINE MILES FROM LEXINGTON, N. C.

This institution, under its charter as a College, was revived on the 15th of January 1866, and supplied, by a resolution of the Trustees, with a corps of experienced Teachers; so that now, with its cheap boarding arrangements, it offers to male pupils every educational facility, from the primary department to a full college course, upon more favorable terms perhaps, than any academy or college in the State.

MOATTAVILLA FEMALE SEMINARY.

Three quarters of a mile from Yadkin College, and entirely separate from it, now offers, in its boarding arrangements in the family of the Rev. G. W. Hage, and in its scientific and literary departments, unusual attractions to young ladies who desire to acquire a finished education, embracing music, and other feminine accomplishments.

*To Holders of Coupons of North-Carolina Bonds.*

BY ACT OF THE GENERAL ASSEMBLY of North-Carolina, ratified Mar. 10, 1866, I am directed to prepare and sell for not less than par bonds of the State running thirty-four years, with Coupons bearing six per cent. interest, payable semi-annually, of the denomination of $100, $500, and $1,000, principal and interest untaxable, for the purpose of paying coupons now due and to become due in 1866, and bonds due and to fall due in 1867. By authority vested in the Public Treasurer, I designate New York as the place of payment.

Parties entitled, desirous of effecting the exchange authorized in said Act, will please communicate to me at once the amount and character of the securities which they wish to be funded, in order that I may know the number and denomination of the bonds which will be required. Under advice of the Attorney General, Coupons of bonds issued since, but under acts passed before May 20th, 1861, will be funded under the act of March 10th, 1866, provided their identity is established, by being cut from the bonds in my presence, a provision necessary on account of the similarity to other Coupons, issued since May 20th, 1861.

THE NEW YORK TIMES HAS BEEN ENLARGED to the size of the London *Times*.

Each number contains eight pages of seven columns each—or fifty-six columns in all—making it the largest newspaper in the United States. The *Times* will contain regularly:

*Full Congressional Reports; Reports of the Legislature; Messages and Public Documents; Reports of Courts and Public Meetings; European News in Full; Foreign and Domestic Correspondence; News from all parts of the world; Political and General Editorials; Literary News, Selections and Miscellany.*

Everything possible will be done to make the TIMES the most valuable and interesting Family Newspaper in the United States. Its price will remain unchanged, in spite of the fact that its size and contents have been increased one-fourth. The following are the prices of the several editions, payable in all cases in advance.

These prices are invariable. Club rules are discontinued. We have no travelling Agents. Remit in Checks or Post Office Money Orders if possible. Address R. J. RAYMOND & CO.
