The Greatest Medical Discovery of the Age!
DR. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures EVERY KIND OF HUMOR; from the worst Scrofula down to a common pimple.
He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of Pimples on the face.
Two to three bottles will clear the system of Biles.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of Erysipelas.
One to two bottles are warranted to cure all humor in the Eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two to three bottles are warranted to cure the worst case of ringworm.
Two to three bottles are warranted to cure the most desperate case of rhumatism.
Three to four bottles are warranted to cure the salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that I sold another: after a trial it always speaks for itself There are two things about this herb that appears to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known, until I discovered it in 1846—second, that it should cure all kinds of humor.
In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April 1854, I sold over one thousand bottles per day of it.
Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicine was ever like it. There is a universal praise of it from all quarters.
In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.
Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.
I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma. Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

The "Ceylon" Hat.
PARTICULAR ATTENTION is called to our entirely new style of STRAW HAT, imported from Canton, China, combining all the qualities requisite to make the Straw Hat in every way suitable for Summer wear—the crown being of sufficient height to give room to the head, and the brim wide enough to protect the face from the sun. It acts as a self-ventilator, and is more durable than any Straw Hat ever before introduced. Rain or damp weather will not affect its shape, being so braided as to prevent the possibility in any way.
We offer this *entirely new style*, believing it to be the first and only Straw Hat ever introduced, which will really give the wearer satisfaction. A sample case now open at the Hat and Cap Emporium.
