Board of Education

The Board of Education met at the Court House yesterday and attended to the business which came before the meeting. This was the last meeting to be held during the summer. Prof. Palmer offered the following resolution which was passed: "The Board of Education directs the discontinuance of the public school known as "Willie Lewis" school on Duke road, until a site is located and purchased for a permanent school site. The school committee of the 8th District are required to construct such a building on said site as the Board of Education may place at their disposal, in accordance with Section 128 of Laws 1898.

Spanish at the University.

The University of North Carolina will offer Spanish to all its students in the Modern Language Department beginning with the Fall term. The courses of Modern Languages in most colleges consists of French and German, but Spanish is the North American language and next to English is spoken more by people than any language on earth. In view of the probable occupation of Cuba, Porto Rico and the Philippines by American arms and the consequent influx of these countries of large numbers of American youth willing and anxious to have a knowledge of the Spanish language is very large. It is the intention to make a language course of the Spanish language a very popular one.
