Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

MEDICINAL.

THE LIVER INVIGORATOR
PREPARED BY DR. SANFORD,
Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVES AND LIVER Medicines now before the public, that acts as a *Cathartic*, easier milder, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulations of the human body; and when it performs its functions we see the powers of the system are fully developed. The stomach almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These GUMS remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

BILLIOUS ATTACKS are cured, AND, WHAT IS BETTER PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHT-MARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA

☞ One dose of two teaspoonfuls will always relieve SICK HEADACHE.

☞ One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞ One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures CHRONIC DIARRHEA, in its worst forms, while SUMMER and BOWAL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it never fails.

☞ A few bottles cures DROPSY, by exciting the absorbent.

We take pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL, FEVER, and all FEVERS of a BILIOUS TYPE. It operates with certainty and thousands are willing to testify to its wonderful virtues.

☞ All who use it are giving their unanimous testimony in its favor.

☞ Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR
IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.
